

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**Update on Healthy Apple Valley Program Funds and improvements to Civic Center Park**

**SUMMARY STATEMENT**

The Commission has been updated in the past on planned improvements to Civic Center Park as it relates to the Healthy Apple Valley program. Since its last update, the Apple Valley Golf Course grand opening was held and the proceeds, just over \$6,800, from the weekend's event were dedicated to the Healthy Apple Valley program.

Staff's proposal for improvements in the park will include Healthy Apple Valley signage at a number of entrances into the park notating distances of three distinct walking paths on the existing walkways and three or four outdoor exercise stations located adjacent to the walkway on the southeast side of the retention basin.

Staff will provide more specific information to the Commission at the meeting including (1) a rough draft of the proposed signage; (2) an additional aerial of CCP marking the probable placement of the signs, trail markers and exercise stations; and (3) pictures of the proposed exercise stations.

**Recommended Action:**

Discuss proposed improvements and provide input.

**Proposed by:** Ralph Wright, Parks and Recreation Manager
