BACKGROUND:

The Town of Apple Valley is nearing completion of an update to its Parks and Recreation Master Plan. The four phased process began in February, 2010. On January 11, 2012, the first joint workshop of the Town Council and the Parks and Recreation Commission was held to discuss and provide direction as to the preferred implementation approach for the Parks and Recreation Master Plan. It was determined that this discussion should be continued until the findings of the ad hoc committee on Parks and Recreation were completed. The ad hoc committee recommendations were approved and implemented as part of the FY 2012-13 Budget. Since that time, Staff and MIG have completed the Draft Plan of the Parks and Recreation Master Plan.

A memo sent to Council on 1/30/13 summarizes relevant background information and questions for the discussion.
