### RECOMMENDED ACTION:

That the Mayor and Town Council accept the bid submitted by TSR Construction & Inspection for the Town's AD3A-1 Lift Station Protective Wall Improvements, and award a contract for the project to TSR Construction & Inspection subject to "Approval as to Form" by the Town Attorney and "Approval as to Content" by the Town Manager.

### SUMMARY:

On March 22-31, 2013, the Public Works Department advertised for bids for a project to construct a protective concrete anti-scour wall adjacent to the AD3A-1 Lift Station along the river frontage, located at Riverside Drive and Shoshonee Road. On April 16, 2013, at 2:00pm, sealed bids were received and opened for this contract. The project includes the necessary labor, equipment and materials to perform the necessary construction.

Bids for the contract work were received from five bidders and the results are as follows:

1. TSR Construction & Inspection	\$46,775.00
2. Jergensen Construction	\$50,668.25
3. Kelley's Underground Construction	\$51,488.50
4. Parsam Construction	\$69,800.95
5. Pyramid Building & Engineering	\$85,072.50

Staff considers TSR Construction & Inspection to be a responsible contractor for this work.

**FISCAL IMPACT:**

The current FY12/13 Wastewater Budget includes sufficient funding intended for this project.
