

TOWN OF APPLE VALLEY TOWN COUNCIL STAFF REPORT

To: Honorable Mayor and Town Council **Date:** June 11, 2013
From: Brad Miller, Town Engineer **Item No:** 6
Subject: AWARD CONTRACT FOR THE MICRO SURFACE 2013/14
PROJECT NUMBER 2013-02 "SUMMER 2013"

T.M. Approval: _____ **Budgeted Item:** Yes No N/A

RECOMMENDED ACTION:

1. Award Contract to American Asphalt South for The Micro Surface 2013-14 Summer 2013 Project.
2. The scope of the project is to be increased (add additional streets) to utilize the entire budgeted amount of the funds.

SUMMARY:

This project is similar to the contract that Council awarded on May 28th. The difference is that project, "Spring 2013", is funded from FY 2012/2013 and this project, "Summer 2013", will be funded from FY 2013/2014. The projects were bid together to benefit from the economies of scale. On May 16, 2013, the Town received and opened bids for the subject contract. This project includes providing necessary labor, equipment and materials for the micro surface maintenance of various streets totaling over 22 miles.

The bid results are as follows:

Contractor	Total Bid Price
American Asphalt South	\$688,047
Valley Slurry Seal Co.	\$692,000
Pavement Coatings	\$787,725
All American Asphalt	\$850,545
American Pavement Preservation	\$866,520
Roy Allen Slurry Seal	\$892,538

Staff is satisfied that American Asphalt South is a responsible contractor for this work. Funding for this project, if approved as recommended, is included in the Town's Capital Improvement Project budget for this fiscal year (2013/2014).

FISCAL IMPACT:

The current approved budget amount for this project is \$1M, in Measure I, PMS (Pavement Management System) Priorities.
