A MESSAGE FROM THE MAYOR

By Larry Cusack

On behalf of the Town Council, welcome to our second annual live music theater presentation! The Town of Apple Valley is pleased to collaborate with the talented team at Creative Arts Theater as they bring the magic of Dreamworks *Shrek the Musical* to our community.

The Town of Apple Valley has a serious commitment to the arts, evidenced by our annual series of Sunset Concerts, now celebrating our third year as “Best Live Music” in the High Desert according to Daily Press readers. Combined with Concerts in The Courtyard we offer as many as 18 free concerts each year. *Shrek The Musical* continues our mission to enrich life in the High Desert by supporting local musicians and arts organizations committed to that same goal.

We want to give a special thanks to Councilman Curt Emick, who brought his passion for theater to us last year and pursued his vision for free music theater in Apple Valley. Thanks, also, to Mr. Richard Rorex for his generosity these last two years in memory of his wife, Joyce, with whom he enjoyed many evenings of concerts and theater.

HOUSE RULES

The photographing or sound recording of any performance or the possession of any device for such purposes inside the venue, without the written permission of the management, is prohibited by law. Violators may be punished by ejection and violations may render the offender liable for money or damages. Photography, with or without flash, is strictly prohibited.

Out of courtesy to the performers and everyone in the audience, please refrain from using cell phones and electronic devices during the show. Please remain seated and refrain from talking while performers are on stage. There will be a 20 minute intermission half way through.

Shrek The Musical is based on the Oscar-winning DreamWorks film that hit movie theaters in 2001. It features a kingdom in chaos, a grumpy ogre, a feisty princess, a loudmouth donkey, a gingerbread cookie with an attitude and a villain with a “short” temper. Mix them all up and you get a twisted fairy tale that provides fun for everyone. The Broadway production was nominated for eight Tony Awards and 11 Drama Desk awards in 2009 and the original London production won a Laurence Olivier Award in 2012.

ABOUT CREATIVE ARTS THEATER

Creative Arts Theater has been providing live musical theater to the High Desert since 2010, under the direction of Tim and Cherie Glisson. CAT was created to provide up and coming stars of the craft with scholarships and to further the education of the younger actors and actresses by way of experience

A MESSAGE FROM THE DIRECTOR

We are so pleased to present *Shrek the Musical*! The show has been a blast to revisit after our initial production in 2013. It truly is a fairy tale for the ages. Our cast is filled with local performers that volunteer their time because of their love for theater.

There were some challenges that were unique to the outdoor venue (high winds, super hot days, an audience during rehearsals!) but with a cast like this, nothing is impossible.

We would like to thank the Town of Apple Valley for allowing us to perform *Shrek* for you. It has truly been our pleasure. Thank you for supporting the arts in the High Desert! Enjoy the show!

~ Cherie Glisson
