(Vets can try to verify sterility, low-cost vaccine clinic)
- Due to event rules we have been given as part of this event, no choke, pinch/prong, or similar collars will be allowed during the obedience lesson.
- Also, dogs must be on a standard leash; no retractable leashes for the obedience class.
- Further participant event information may be emailed, posted on our website, or Facebook page (www.facebook.com/avanimals) as the event gets closer. Please watch for it.
