TOWN COUNCIL STAFF REPORT

To: Honorable Mayor and Town Council **Date:** November 10, 2015

From: Brad Miller, Town Engineer **Item No:** 10
Engineering Department

Subject: COOPERATIVE AGREEMENT 14-144-A1

T.M. Approval: _____ **Budgeted Item:** Yes No N/A

RECOMMENDED ACTION:

That the Town Council approves Amendment No. 1 to Cooperative Agreement 14-144.

SUMMARY:

Cooperative Agreement 14-144 will expire on December 31, 2015. Amendment No. 1 to said agreement will extend the expiration date to June 30, 2016. This will provide sufficient time to finalize all work and billing.

BACKGROUND:

San Bernardino County, VVWRA and the Town of Apple Valley previously entered into a Cooperative Agreement No.14-144 wherein all parties agreed to jointly participate in the design, construction and construction support services necessary to manage and construct the existing sewer testing station and appurtenances to be relocated approximately 220 feet north westerly of its current location as part of the Yates Road Improvement Project.

Additionally, the County and the Town previously entered into Cooperative Agreement No. 11-238 to design roadway improvements of Yates Road, from Fortuna Lane to Park Road.

Construction costs for the sewer testing station relocation are anticipated not-to-exceed current approved contract amount (estimated to be \$198,000.00); however, the relocation construction work is expected not to be fully completed by the Agreement's termination date of December 31, 2015. Therefore, Town, County and VVWRA wish to amend the Agreement to extend the termination date of the Agreement to June 30, 2016.

FISCAL IMPACT:

There is no fiscal impact applicable to this item.
