REVERSE TRIATHLON

To Challenge Competitors

More than 500 athletes will run, bike and swim their way through the Town of Apple Valley's 7th Annual Reverse Triathlon on Saturday, September 24 at Civic Center Park, behind Town Hall. The day will feature three events: a triathlon, a 5k run, and a kid's triathlon for those 11 years and younger.

The Reverse Triathlon will start with a 5k run, transition into a 12-mile flat road course, and finish with a 150-yard pool swim. The Apple Valley kids triathlon will consist of a .75-mile run, 1-mile bike ride, and a 50-yard swim. The event will also include a stand-alone 5K.

"It's been exciting to see this grow into a highly anticipated event, with athletes coming from all over Southern California," said Recreation Supervisor Andy Shoup, who coordinates the event.

Thanks to the support of Victorville Motors, Desert Fiat and Walmart, all athletes will receive a T-shirt and finishers medal. Certificates will be awarded to the top three triathlon competitors in each age group. Medals will be awarded to the top three overall male

and female participants for the 5k event. Each kid's tri-athlete will receive a medal and T-shirt but no additional ranked awards will be given as this event is purely for the enjoyment of the kids.

To ensure everyone's safety, the Town and the Police Department will close Dale Evans Parkway from Bass Hill Road to Corwin Road. Waalew will also be closed from Corwin to Navajo. Drivers can access Highway 18 via Rancherias or Corwin to the west and Navajo or Flathead to the east. These closures will occur from 6:30 a.m. to approximately 9:30 a.m.

Citizens on Patrol (COPs) will provide traffic assistance to residents of Dale Evans Parkway and areas just north of Brewster Park who need to reach a detour point. For the safety of the athletes please do not drive on Dale Evans without a COP escort.

To register, or for more details on the event or road closures, visit www.AVRevTri.org or call the Recreation Department at (760) 240-7880.

Second Annual Mayor's WEIGHT LOSS CHALLENGE

Winners Announced

Following the success of last year's inaugural competition, Apple Valley's Mayor challenged the residents of Apple Valley again to lose weight and feel great.

Participants competed to win cash prizes, up to \$1,000, for losing the highest percentage of their starting body weight. More than 200 people were quick to step on the scale during the initial weigh-ins last February. Only 45 competitors remained when the winners were announced at the May 10 Town Council meeting.

Michael Faglie earned first place in the men's division by losing 16.5% of his bodyweight during the four-month competition. Katherine Rangel was the top women's competitor with an 18.97% body weight decrease. Because of the generous community partners that provided additional funding, each first place competitor walked away with \$1,000 cash and an 18-month gym membership from Apple Valley Express Fitness.

Colby Schwedes and Gema Martinez came in a close second losing 13.97% and 17.21% of their bodyweight, respectively. They earned \$500 each along with a 12-month Apple Valley Express Fitness membership for their efforts.

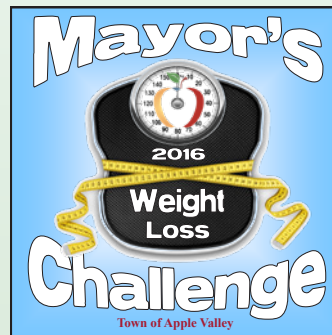

Ernest Haynes, who lost 13.14%, and Joana Elston, who lost 14.93%, received \$250 and a 6-month Apple Valley Express Fitness gym membership for coming in third place.

Falling under the umbrella of the Town's Healthy Apple Valley initiative, the 2016 Mayor's Weight Loss Challenge was the second competition held in Apple Valley. Men and women walked, swam and cooked their way to incredible milestones, all for the sake of living better, healthier lives. The weight loss by all challengers from the beginning totaled 650 pounds.

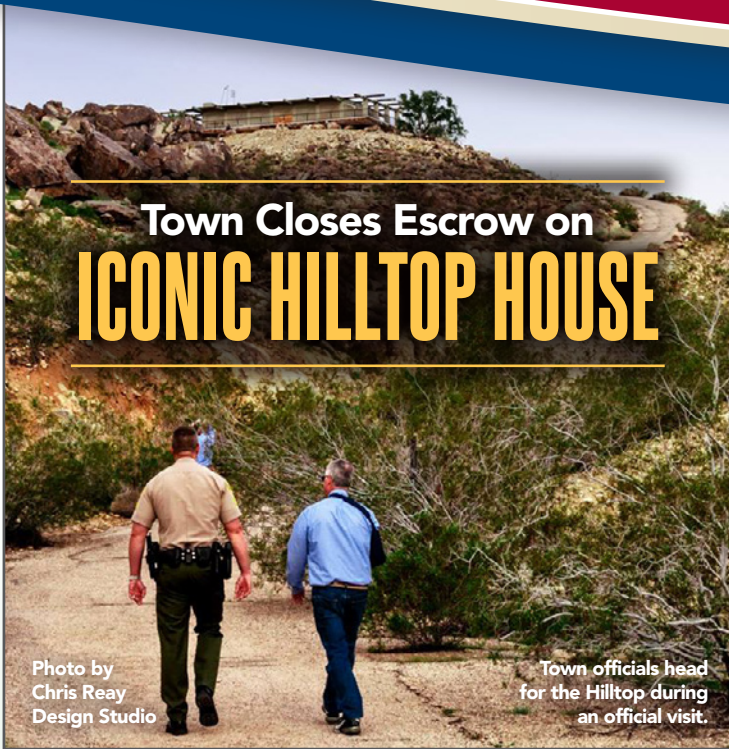

A weekly newsletter and Facebook group kept members on track for monthly weigh-ins, special events and reminders. Chal-

lengers took advantage of a free 3-month membership to Apple Valley Express Fitness and joined the Mayor in a monthly walk around Civic Center Park.

The Town of Apple Valley is grateful to the following corporate sponsors that helped make this event a success: St. Joseph Health St. Mary, Top Notch Networking, AV Express Fitness and Healthy Apple Valley.

Town Closes Escrow on ICONIC HILLTOP HOUSE

Photo by
Chris Reay
Design Studio

Town officials head
for the Hilltop during
an official visit.

Perched high above Highway 18, the iconic Hilltop House has seen better days. Vacant for decades, what was once described as the crown jewel of Apple Valley has become shadowed by blight.

In May, the Town closed escrow on the \$310,000 purchase of the property with the assistance of a \$160,000 grant awarded through the National Park Service through the Land and Water Conservation

Fund. The Town Council allocated the remaining balance out of the general fund. The use of these grant funds means the property will remain in the Town's possession as park land in perpetuity.

"This acquisition is a victory to many community members who have lobbied to reclaim the land and repurpose it as a multi-use nature trail," said Town Manager Frank Robinson.

This collective vision led to the formation of the Apple Valley Legacy Trail, a non-profit group organized by local architect Steve Richard, that carved out a wish list of uses for the property including nature trails, a 360-degree observation deck and more. The town's next step is to evaluate the property to determine future plans.

Built in the 1950s, the Hilltop House was used by Town founders Newton T. Bass and Bud Westlund as an entertainment and marketing tool for their Apple Valley Ranchos Land Company. Its position on top of what is now called Bass Hill provided panoramic views of the desert landscape until the structure burned

in 1967. It was rebuilt a year later and used as a conference center but has been vacant for more than 20 years. It was purchased in 2000 by the 360 Apple West, LLC and suffered another fire in 2009.

Robinson explained that the property will remain closed while the Town prepares it for public use. He added, "the Town looks forward to collaboration with the High Desert Community Foundation and the Apple Valley Unified School District and sharing ideas for the future use of the site." The length of the closure will depend on how much work is needed to be done and how much funding is needed to finish the project, for which the Town will pursue grant opportunities and donations.

To learn more about the vision behind this acquisition, find Apple Valley Legacy Trail on Facebook, or see the ad on this page for an Old Fashioned Steak Fry on June 30.

FREEDOM FESTIVAL

Festivities Celebrate America's Birthday

Celebrate America's birthday on the 4th of July at the Town of Apple Valley's 19th Annual Freedom Festival. The celebration begins at 2 p.m. at the Lenny Brewster Sports Center. Parking and admission are free.

Live entertainment will begin at 2 p.m. with variety music by Common Ground. Patriotic entertainment with A Penny A Kiss will begin at 5 p.m. The headlining entertainment band will be divided into two acts. A talented group from Temecula will open the show as Woody and the Long Boards, playing a Beach Boys tribute set and other American classics. Then, after a quick costume change, they will re-emerge as Heartbreak Tonight, finishing the night out with the best of the Eagles.

A giant kid zone will be full of bounce houses, obstacle courses and other inflatables. Tickets are \$1 each, or a wristband for \$20. The day will also include free games and crafts, activities, food and fun, which culminates at 9 p.m. with the largest fireworks show in the High Desert. Tune in to Kat Country 100.7 for a patriotic music simulcast to the fireworks show.

The popular beer garden will complement a variety of food booths featuring funnel cakes, kettle corn, fresh lemonade and barbecue.

Lenny Brewster Sports Center is located at 21024 Otoe Road. Take Dale Evans Parkway 1.5 miles north from Highway 18. Bring your canopies and chairs, but please, no alcohol, pets or barbecues will be allowed in the park, and all Town parks are 100% smoke-free.

Due to construction of the water recycling plant on the south side of the park, and restrictions against parking on some private property in the area, there will be no pedestrian or vehicle access through the east gates. A new main pedestrian entrance has been created for event walk-in access only from Otoe Road. Everyone must enter the park on foot.

Handicap parking will no longer be available inside the park, but will be accommodated in a large area immediately outside the main entrance. We recommend you make your way to the park early and allow plenty of time to park and walk inside. Please pay attention to signage and follow instructions from the deputies and Explorer Scouts managing the parking area. For the safety of attendees, some light towers are placed in the approved parking areas surrounding the park. If you plan to watch the fireworks from your car, please note that these remain on during the fireworks show so you may want to watch for them as you choose your location.

Due to the ongoing drought, the popular Water Spectacular has once again been canceled. For information including a map showing parking and pedestrian access, and a complete schedule of events, visit www.AppleValleyEvents.org and click on our Freedom Festival page or call (760) 240-7000 x7071.

We're celebrating ten years of fun, free, fabulous entertainment this summer and we are inviting the entire region to the party! Join us every Thursday night from 6 to 9 p.m. through August 11 (with a break on June 30 to prepare for the Freedom Festival!).

Why All Kids Must

LEARN TO SWIM

According to Apple Valley Fire Protection District, an average of 10 people drown every day in the United States. There were 10 drowning cases cited within a six week period this spring in San Bernardino County alone. Drowning is the leading cause of injury-related death nationwide among children between 1 and 4 years old, and is the third leading cause of injury-related death among children 19 and under.

Statistics show that participating in formal swimming lessons can reduce the risk of drowning by 88 percent among young children. If a parent does not know how to swim, there is only a 13 percent chance that a child in that household will learn how to swim.

The Town of Apple Valley Recreation Department offers a variety of group swim classes, private and semi-private lessons for people of all ages and ability levels.

Visit www.AVRecreation.org for more information or contact the Apple Valley Fire Protection District at www.avfpd.org for information on the "Stewie the Duck Learns to Swim"™ water safety program.

CERT TEAM GETS HANDS ON TRAINING

Members of the Community Emergency Response Team (CERT) firefighter rehabilitation division recently received some hands-on experience during a multi-agency training at a controlled structure fire. The training burn was conducted in conjunction with the Town of Apple Valley Code Enforcement Department, the Apple Valley Fire Protection District, Victor Valley College Fire Academy and Cal Fire. The exercise helped prepare these vital community volunteers in the event their skills are needed to support local firefighters.

The Town of Apple Valley and the Apple Valley Fire Protection District will offer its final CERT class of the year this summer. This 20 hour class is held on three Saturdays beginning August 6. It provides in-depth education about disaster preparedness and hazards, and trains participants in basic disaster response skills such as fire safety, light search and rescue, team organization and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when

professional responders are not immediately available to help. CERT members also are encouraged to support emergency response agencies by taking a more active role in emergency preparedness projects in their community.

Email Dawn Harrison at dharrison@applevalley.org by August 1 to register. Each participant will receive a CERT manual, backpack, vest and helmet upon completion of the class. For more information call (760) 240-7000 x7791.

School District and Town Partner on FREE SUMMER MEALS FOR KIDS

For many students in Apple Valley, going to school means much more than cracking open the books. The on-campus nutrition programs offered are often the only meal some students get all day, and time on the playground can be the only exercise and social interaction they have outside of their own family. When school is out, it can mean children going for long periods of time with empty tummies and no social interaction.

This summer, local school children enjoyed free recreation and meals from June 6 to July 1 thanks to the Healthy Apple Valley VANtastic program and a grant that Apple Valley Unified School District received from the United States Department of Agriculture.

VANtastic is a mobile recreation van that brings recreation staff to lead organized games and activities every Thursday in June and July at James Woody Park from 10 to 11 a.m. and at Civic Center Park from noon to 1 p.m. This is a free, drop-in activity and no pre-registration is required. Participants are provided water and a healthy snack after the activities.

"Not everyone can get to our programs, so we bring the programs to them," said Recreation Supervisor Lena Quinonez. "Between the Town's VANtastic program and the School District's Summer Meal Program, we really will provide 'A Better Way of Life' for many families in our Town."

The VANtastic program was made possible through a financial contract awarded by First 5 of San Bernardino. For more information on recreation activities visit www.AVRecreation.org.

Evenings on the Town to Feature KENNY ROGERS TRIBUTE

Fans of country singer Kenny Rogers won't believe their eyes and ears! The legend's doppelganger, Richard Hampton, will take the stage in "A Tribute to Kenny Rogers" at 1 p.m. and 6 p.m., July 30. This is the town's fourth installment of the Evenings on the Town concert series at the Apple Valley Golf Course.

"At times, people have refused to believe that I'm not Kenny Rogers," said Hampton. "I've actually been mobbed by fans."

Over the years, Hampton has performed at casinos, dinner theaters and a variety of corporate events across the nation. He also has appeared on television shows, such as an episode of "CMT Most Shocking – The Life of a Celebrity Impersonator."

His tribute show features Rogers' greatest hits, including "Lucille," "The Gambler," "She Believes in Me," "Lady," "Through the Years," and "Coward of the County," to name a few.

Along with the music, Hampton shares stories about Rogers' career that spans over 50 years. Tickets to Richard Hampton's "Tribute to Kenny Rogers" are \$60 per person and include a selection of appetizers, wood-fired pizza and one complimentary wine or beer.
