### RECOMMENDED ACTION:

That the Town Council:

1. Open Public Hearing;
2. Adopt Resolution No. 2016-23, confirming delinquent animal control, utility and code enforcement fees and costs against real property located in the Town and directing that said assessments constitute a lien upon said properties;
3. Close Public Hearing.

### SUMMARY:

Each year the Town initiates and records liens on real property for all delinquent animal control, utility and code enforcement fees as permitted in the Government Code. This report identifies all delinquent animal control, utility and code enforcement accounts and approves Resolution No. 2016-23 initiating and approving the summer lien process.

### BACKGROUND:

The Government Code allows cities to collect delinquent animal services fees, rubbish collection and sewer fees and code accounts by recording a lien against the real property and adding that amount to the property tax bill. The Town has identified the delinquent accounts as those listed in Exhibit A.

All of the billing parties and the property owners have received sufficient notification of the delinquency and have been notified of the Public Hearing to apply the delinquency to the property tax bill. For delinquent rubbish collection accounts, please see the flow chart attached (Attachment 1) which illustrates how many times the delinquent rubbish collection billing parties and property owners have been notified. The correspondence also offers an opportunity to make corrections. A sample of one of the letters is also attached (Attachment 2).

**FISCAL IMPACT:**
