

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**REVIEW AND APPROVE CONSTRUCTION SPECIFICATIONS FOR THE SAFE ROUTES TO SCHOOL SYMERON ROAD IMPROVEMENT PROJECT, AND AUTHORIZE STAFF TO PROCEED WITH ADVERTISEMENT FOR THIS PROJECT.**

**Summary Statement:**

The Safe Routes to School Symeron Road Improvement Project consists of the installation of concrete curb, gutter and sidewalks on Symeron Road. Further improvements on this road include: the widening and repaving of Symeron Road, the installation of drainage facilities, as well as signing and striping from Apple Valley Road to Tuscola Road. With the installation of concrete sidewalks, children in the neighborhood of Desert Knolls School will have the ability to walk to school safely without walking in the dirt shoulder or out in the roadway.

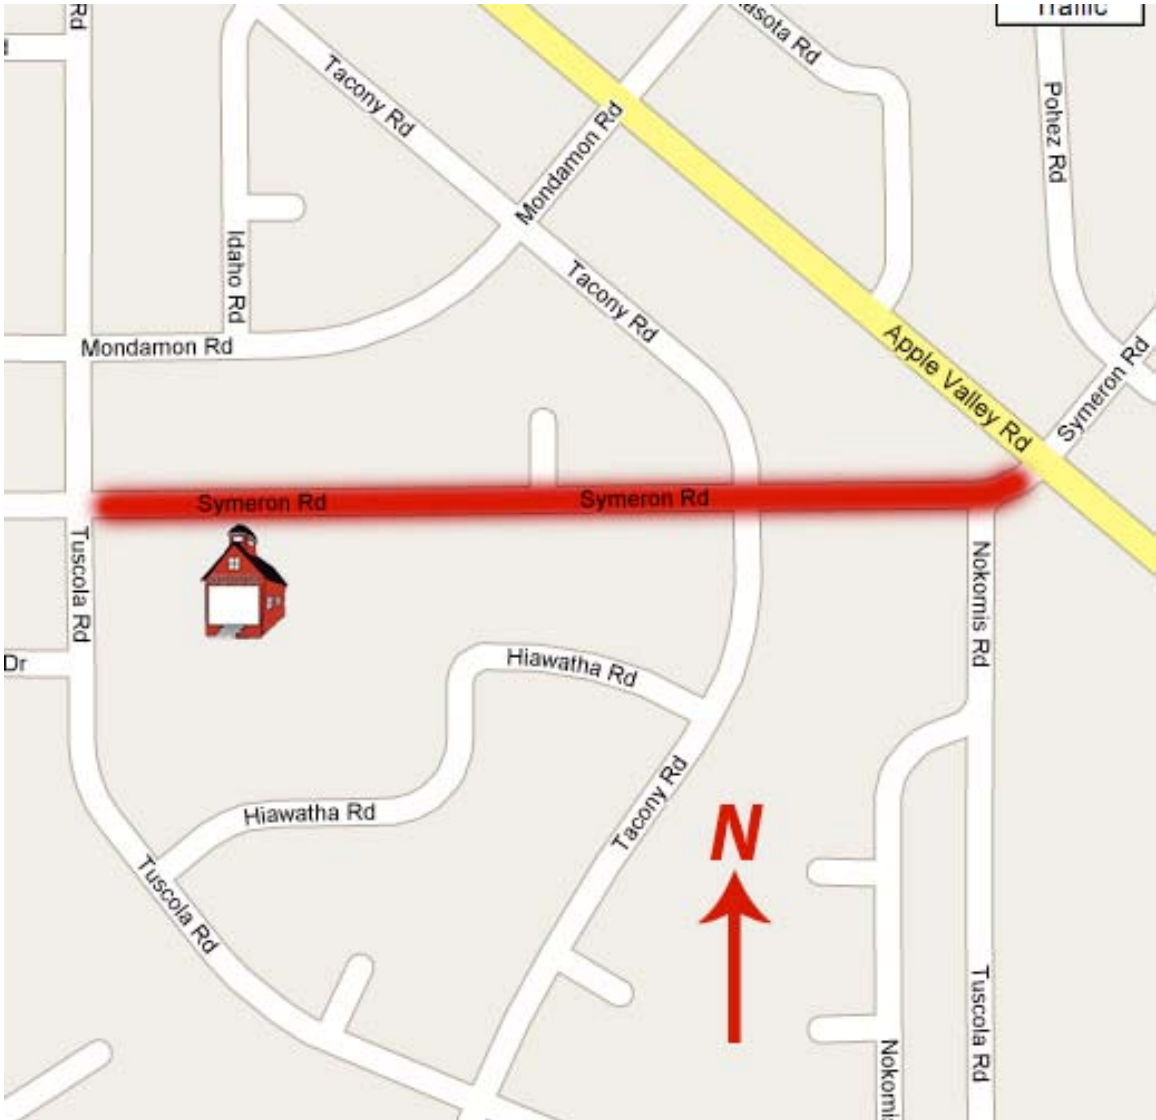

Staff has reviewed the plans for this project and is satisfied that the specifications meet the intent of the Town Council for this project. The specifications, with bid packet, are being brought to the Town Council for review, approval and authorization to proceed prior to the bid opening. Staff recommends that the Town Council review the specifications and bid packet that are available in the Town Council office; approve the specifications and direct staff to proceed with the project.

**Recommended Action:**

Review and approve specifications for the Safe Routes to School Symeron Road Improvement Project and direct staff to proceed with the project.
