## **RECOMMENDED ACTION:**

T.M. Approval: \_\_\_\_\_

That the Town Council approve the Construction Funding Agreement with San Bernardino County Public Works Department and with the City of Victorville for the Green Tree Boulevard Extension in conjunction with the Yucca Loma Transportation Corridor.

## **SUMMARY:**

The development of the Yucca Loma Bridge/ Yates Road/ Green Tree Boulevard Transportation Corridor has been in process since 2006 and at this time, final designs are in progress for the last phase of construction, the extension of Green Tree Boulevard and construction of a new bridge over the BNSF Railroad. Construction of the Green Tree Boulevard Extension and the new BNSF Railroad Bridge and the realignment of Yates Road in San Bernardino County, are scheduled to begin in 2018. In preparation for the commencement of this major component of the Yucca Loma Bridge/ Yates Road/ Green Tree Boulevard Transportation Corridor, a Construction Funding Agreement has been prepared between the Town of Apple Valley, San Bernardino County Public Works Department and the City of Victorville to formalize the construction funding commitments between the three (3) agencies.

#### **BACKGROUND:**

There currently exists a Funding Memorandum of Understanding (MOU) between the Town of Apple Valley, San Bernardino County Public Works Department, the City of

Victorville and SANBAG that commits Development Impact Fee funds originally obligated to the La Mesa/Nisqually Interchange, for construction of the Green Tree Boulevard Extension. The Agreement before Town Council this evening constitutes a Construction Funding Agreement, as specified in the 2011 MOU, enabling the Town of Apple Valley and the San Bernardino County Public Works Department, to contribute our Nexus Study funding obligation for the La Mesa/Nisqually Interchange toward construction of the Green Tree Boulevard Extension. The Agreement also defines the funding responsibility of San Bernardino County, City of Victorville and of SANBAG for construction costs relating to the Green Tree Boulevard Extension.

## **FISCAL IMPACT:**

There is no immediate impact resulting from this Agreement. Funds are available for this Agreement in the Traffic Impact Fee Reserve Fund and the future appropriation of the required funds will be included in the appropriate Fiscal Year Budget for Council approval.
