

TOWN OF APPLE VALLEY TOWN COUNCIL STAFF REPORT

To: Honorable Mayor and Town Council **Date:** December 13, 2016

From: Marc Puckett, Assistant Town Manager **Item No:** 16

Lana Tomlin, Police Chief
Police Department

Subject: RECEIPT OF JAG GRANT FUNDS FOR FISCAL YEAR 2016-17 INTO
THE PUBLIC SAFETY GRANT FUND FOR POLICE ACTIVITIES
LEAGUE RELATED EXPENDITURES

T.M. Approval: _____

Budgeted Item: Yes No N/A

RECOMMENDED ACTION:

It is recommended that the Town Council;

1. Approve receipt of Justice Assistance Grant funding in the amount of \$15,663.00, and
2. Authorize the Town Manager to execute the Interlocal Agreement concerning distribution of the 2016 Justice Assistance Grant Award.

BACKGROUND:

The Town has received several Justice Assistance Grants for Public Safety purposes over the last several years. Based upon the 2016 JAG Program Grant Awards, the Town is scheduled to receive grant funding in the amount of \$15,663.00.

Per the attached memorandum from Captain Lana Tomlin, all monies received through this grant shall be dedicated to the Apple Valley Police Activities League (AV PAL). Details of the expenditure plan for the grant funding are outlined within her memo. Based upon the detailed spending plan, the JAG Grant Funds will be dedicated to program expenditures for the AV PAL boxing gym and youth center operations, National PAL dues, and Kid Trax, a computer tracking system of AV PAL participants.

As part of the boxing gym program, professional boxing trainers, certified by USA Boxing, train children from ages 10-18 in the physical, psychological, ethical and emotional aspects of boxing. The program's success is found in uniting physical fitness with the integrity of the sport and creating an atmosphere of trust and respect with the participants. The youth center offers a safe haven for the youth of Apple Valley for after school activities. The center has provided academic tutoring, recreational activities, arts and crafts and mentoring opportunities.

ANALYSIS:

The Justice Assistance Grant funds for Public Safety purposes have been allocated for operational expenditures for continuation of the boxing gym and youth center activities, and involvement in the National PAL.

There are no local matching funds required for the JAG Grant Program.

FISCAL REVIEW:

The Fiscal Year 2016-2017 Adopted Budget estimated a JAG Grant Award of \$16,000. The \$15,663.00 JAG Grant funding received for 2016 is \$337 less than was estimated in the Adopted Budget.

CONCLUSION:

Approval by Town Council of receipt of the 2016 JAG Grant Funding and authorization of the Town Manager to execute the Interlocal Agreement, will allow staff to continue the program activities for the boxing gym as outlined in the AV PAL spending plan.

SPECIAL CONDITIONS

I. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this 2016 award from the Office of Justice Programs (OJP).

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this 2016 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded in 2014 or earlier years), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2016 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subrecipient is to contact OJP promptly for clarification.

2. Compliance with DOJ Grants Financial Guide

The subrecipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide"), including any updated version that may be posted during the period of performance.

3. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the subrecipient's acceptance of the award. Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <http://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The subrecipient should anticipate that OJP will immediately withhold ("freeze") award funds if the subrecipient fails to comply with this condition. The subrecipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

SPECIAL CONDITIONS

4. Requirements related to "de minimis" indirect cost rate

A subrecipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

5. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subrecipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

6. Requirements related to System for Award Management and Unique Entity Identifiers

The subrecipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <http://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The subrecipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the subrecipient) the unique entity identifier required for SAM registration.

The details of the subrecipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <http://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

7. All subawards ("subgrants") must have specific federal authorization

The subrecipient must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <http://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

Part 38 also sets out rules and requirements that pertain to subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to subrecipients that are faith-based or religious organizations.

27. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the subgrantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.
28. The subrecipient agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. 29. Subgrantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtaining of Institutional Review Board approval, if appropriate, and subject informed consent.

32. The subgrantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfi.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant subrecipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfi.org).
33. The subrecipient agrees to participate in BJA-sponsored training events, technical assistance events, or conferences held by BJA or its designees, upon BJA's request.

- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The subgrantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The subgrantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/ncpa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the subgrantee's existing programs or activities that will be funded by these grant funds, the subgrantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

36. The subrecipient is required to establish a trust fund account. (The trust fund may or may not be an interest-bearing account.) The fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The subrecipient also agrees to obligate the grant funds in the trust fund (including any interest earned) during the period of the grant and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to the Office of Justice Programs at the time of closeout.
37. JAG funds may be used to purchase vests for an agency, but they may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.

SPECIAL CONDITIONS

38. Ballistic-resistant and stab-resistant body armor purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (<http://nij.gov>). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: <http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm>.
39. The subrecipient agrees to submit a signed certification that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subrecipients planning to utilize JAG funds for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.
40. The subrecipient agrees to monitor subawards under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the DOJ Financial Guide, and to include the applicable conditions of this award in any subaward. The subrecipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subrecipients. The subrecipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.
41. The subrecipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.
42. Award subrecipients must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through GMS (<https://grants.ojp.usdoj.gov>). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measure the results of their work. Therefore, quarterly performance metrics reports must be submitted through BJA's Performance Measurement Tool (PMT) website (www.bjaperformance.tools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.
43. Any law enforcement agency receiving direct or sub-awarded JAG funding must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.
44. BJA strongly encourages the subrecipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to your My BJA account at <https://www.bja.gov/Login.aspx> to access the Success Story Submission form. If you do not yet have a My BJA account, please register at <https://www.bja.gov/profile.aspx>. Once you register, one of the available areas on your My BJA page will be "My Success Stories". Within this box, you will see an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the new BJA Success Story web page at <https://www.bja.gov/SuccessStoryList.aspx>.
45. Subrecipient understands and agrees that award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions may be accessed here: <https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>

47. Subrecipient understands and agrees that the purchase or acquisition of any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, with award funds by an agency will trigger a requirement that the agency collect and retain (for at least 3 years) certain information about the use of 1) any federally-acquired Controlled Equipment in the agency's inventory, and 2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source, and make that information available to BJA upon request. Details about what information must be collected and retained may be accessed here: https://www.whitehouse.gov/sites/default/files/docs/le_equipment_wg_final_report_final.pdf

 - a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award fund for the initial purchase of items on the Controlled Expenditure List.
 - b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.
 - c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.

Subrecipient further understands and agrees to notify BJA prior to the disposal of any items on the Controlled Expenditure List purchased under this award, and to abide by any applicable laws and regulations in such disposal.
51. The subrecipient may not expend or draw down any funds under this award until it has submitted to the Bureau of Justice Assistance (BJA) the required certification related to its body-worn camera policies and procedures and a Grant Adjustment Notice has been issued removing this special condition.
