MESSAGE to the Community

From the Executive Director

In 2001, the Apple Valley Town Council authorized the formation of the Apple Valley Community Resource Foundation (AVCRF), providing a new avenue to encourage donations and support from our citizens, businesses and corporate partners. Through this not-for-profit public benefit corporation, doors to new opportunities have opened – both for funding sources, as well as opportunities to serve our community.

Through the support of our donors, we offer cultural experiences; place animals in loving homes; promote a healthy lifestyle and provide many more one-time and ongoing projects and programs.

"Together, local action can meet local needs."

- KATHIE MARTIN, EXECUTIVE DIRECTOR

We are proud to present this fourth Annual Report for the AVCRF. Our Support Apple Valley Events (SAVE) campaign, first launched in 2012, has continued to raise our visibility and activity. We are excited to share our story with our donors and with the community we serve. Read more in this Annual Report to learn of our successes and goals.

We believe that impact attracts resources. As we recount our successes in these pages, we also prepare to lead major program and capital campaigns in the coming year. Watch our impact grow in Apple Valley, and join in with your own resources. Together, local action *can* meet local needs.

Purpose

The Apple Valley Community Resource Foundation was organized to *lessen the burdens* of government and to *promote and support* the cultural, recreational and human services needs of the Town of Apple Valley.

Parks and Recreation

To support and create opportunities to participate in quality programs and events for the community, including recreational programs for children and persons with disabilities.

Animal Care

To provide programs and services to advance the understanding and care of animals in our community and in our shelter.

Community and Human Services

To create programs that benefit families, individuals and children in need, including the elderly, low-income and disabled.

Arts and Culture

To promote and develop projects that provide a representation of the various cultures in Apple Valley through architectural design, art and community events.

Description of Programs

The AVCRF serves as a repository for donations to support a wide-range of programs in each of the four focus areas. Below are highlights from a few of these.

Parks and Recreation

MICHAEL H. MARTIN GYMNASIUM

The Apple Valley community came together this year to honor one of its own, when the gymnasium was named for Michael H. Martin. "Big Mike" was a long-time employee of the former Recreation and Park District, and coached and mentored a generation of "gym rats" working nights at the gym. He later served as a Councilappointed Park and Recreation Commissioner for 10 years, until his death on December 31, 2015. Through the Foundation, the Town was able to use private donations for the signage and dedication plaque commemorating this honor.

PARK IMPROVEMENTS

Donations and fundraisers contribute to projects to improve our parks. Using funds raised from the Community Development Block Grant, Heart Games, and the Reverse Triathlon, much needed exercise equipment was installed at Mendel Park.

TEEN ZONE

Teen Zone members participated in the Victor Valley Rescue Mission's Shower Program. They assembled over 150 bags with travel size hygiene products to hand out to the homeless involved with the program.

HEALTHY APPLE VALLEY

This initiative has been the largest beneficiary of support in the area of parks and recreation. Donations from a number of areas and fundraisers have allowed the Town to continue healthy recreation programs for the zero to five population free of charge. Donations have also been instrumental in the annual Heart Games and Reverse Triathlon that raise funds for healthy programs and amenities.

Description of Programs

Animal Care

SAVING LIVES

Thanks to our generous sponsors and donors, we are providing a "Better Way of Life" for the animals in our community. Funds raised at annual events such as the FURBALL, Paws n' Claws Pet Fair and Cruisin' Fur Critters assist low -income pet owners with medical costs including spaying/neutering their animals, help reduce euthanasia and increase the numbers of sheltered animals being returned to their owners or adopted into permanent loving homes.

CRUISIN' FUR CRITTERS

Motorcycle enthusiasts and animal lovers come out for adventure, fun and a chance to ride with friends. Riders help raise funds to assist with animal adoptions, pet care items and emergency medical needs.

FURBALL BENEFIT DINNER

The largest fundraiser for animal care resources is the annual FURBALL Benefit Dinner. This themed dinner raises money to enhance animal sheltering services and assist homeless pets in our community.

The Paws n' Claws Pet Fair is a free-admission animal-friendly community event, provides pet owners and animal lovers access to low-cost animal health services, pet adoptions, and interaction with people and animal related businesses.

ANNUAL REPORT 2015-2016

Description of Programs

Community and Human Services

MAYOR'S WEIGHT LOSS CHALLENGE

Under the umbrella of the "Healthy Apple Valley" program, 2016 Mayor Barb Stanton spear-headed the 2nd Annual Mayor's Weight Loss Challenge. Through donations made to the Apple Valley Community Resource Foundation, winners were awarded cash

prizes for losing the highest percentage of body weight.

It was more than just about the numbers on a scale, though. Free gym memberships, a support Facebook group, weekly emails and "walks with the mayor" provided a wellrounded foundation for healthy habits to last a lifetime.

BLIGHT REDUCTION

Community Clean Up and Neighborhood Blight Reduction Days are two services provided by the Town of Apple Valley which benefited from donations to the AVCRF. In 2016, both services resulted collection and disposal of 86 tons of trash, 23 tons of tires and 4.92 tons of recyclable

Arts and Culture

CONCERTS

Thousands of citizens helped celebrate the 10th Anniversary Season of the Sunset Concert Series this year. In 2015/16 we offered 16 live music performances at local venues. Concerts in the Courtyard, held under a gazebo at a local shopping center food court, offer a more intimate setting for a variety of musical styles including folk. classical. bluegrass, country and more. On average, 200 people

attend, patronizing the local eateries before, during and after the shows. The Sunset Concert Series is held in the Civic Center Park Amphitheater, and attracts as many as 2,000 attendees on Thursdays, seven weeks each summer.

EVENINGS ON THE TOWN

Offering high-end acts at an intimate venue, this short-run offering cultural this presented two shows at the

Apple Valley Golf Course and one the in Apple Valley

Conference Center. Acts were chosen with the senior crowd in mind, and we saw audience members who don't attend any other Town events.

Accomplishments

While many programs and projects are supported by funds raised through the AVCRF, here are a few highlights of our accomplishments in 2016.

✓ Parks and Recreation

 Installed exercise equipment at Mendel Park with funds allocated from the Heart Games, Reverse Triathlon and a Community Development Block Grant.

Community and Human Services

- Raised awareness of Healthy Apple Valley, as well as Town aquatics programs and fitness classes, through cross-promotion with the Mayor's Weight Loss Challenge.
- Established a culture of healthy habits at the top level of Town government.

Arts and Culture

Presented a short-run series of musical "Evenings on the Town" performances aimed at seniors.

 Provided 16 varied concert experiences with a total audience of approximately 15,000 people.

We anticipate an exciting year in 2017, with plans for some of our most ambitious projects yet. Some of our goals include:

Parks and Recreation:

As we encourage expanded use of existing parks, we are developing plans for an announcer's booth for the rodeo arena at Horsemen's Center and improving other park amenities.

Raise funds for a special focus on the 20th anniversary of the Freedom Festival 4th of July celebration.

Arts and Culture:

Conduct a successful capital campaign for improvements at the amphitheater, such as shade, permanent seating and lighting.

Community and Human Services:

Implement a Mayor-led focus on Healthy Apple Valley, featuring a series of "on the street" videos at various Town facilities and programs.

Accomplishments

✓ Animal Care

- Secured a \$2,000 grant to increase pet adoptions through our ASPCA Ambassador Program.
- Holiday Adoption Special 2016. Apple Valley
 Animal Services (AVAS) did a total of 193
 adoptions and 67 rescues during the month of
 December. The reduction of adoption fees was
 possible due to successful fundraising efforts.
- Received a donation from the Kistner family trust in the amount of \$103,183 for shelter improvements and animal welfare. These funds will allow AVAS to make improvements for the animals in our care four paws at a time.

FURBALL 2016 "Putt'N Fore Pets"

- The largest fundraiser for animal care resources. Funds help increase spay/neuter assistance programs and pet placement.
- \$27,871 Fund Balance

CRUISIN' FUR CRITTERS 2016

- More than \$3,000 was raised and 27 pets were adopted. Funds help provide necessary equipment for field officers to keep staff members safe and ensure humane animal treatment when impounding roaming animals.
- \$ 7,329 Fund Balance

JUNIOR PET KEEPER CAMPS 2016

- These week long camps provide mentoring opportunities for our future pet owners and community leaders. The goal is to establish pet responsibility that will carry over into adulthood.
- \$11,638 Fund Balance

Future Goals - Animal Care

12th Annual Paws N' Claws Pet Fair

- Partner with Shear Realty to host the 12th Annual Pet Fair on October 21, 2017.
- Provide 1,000 attendees with event gift bags filled with pet related items sponsored by local businesses.
- Provide low-cost vaccinations and microchips.

7th Annual FURBALL FIESTA

- Host the 7th Annual FURBALL on April 8, 2017.
- Raise \$10,000 to fund spay/neuter programs that help decrease the overpopulation of unwanted pets and reduce euthanasia.

6th Annual Cruisin' Fur Critters

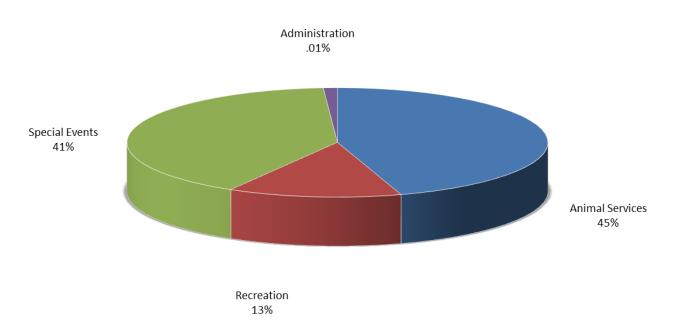

- Co-Host the 6th Annual Cruisin' Fur Critters with Coldwell Banker on May 20, 2017.
- Raise \$5,000 to fund pet care equipment and public education classes.

Revenues by Department - FY 2015-16

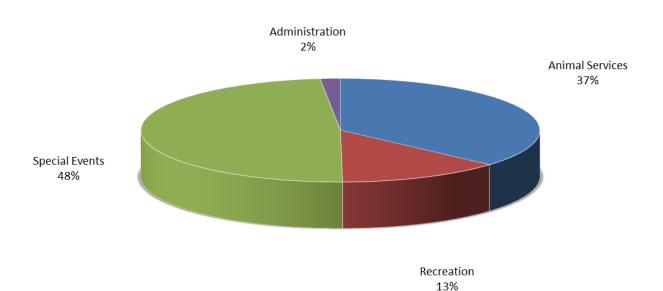

For Fiscal Year 2015-16, total revenues from grants and contributions amounted to \$246,080. Of this amount, 41% or \$99,655 was dedicated for special events such as the Summer Concert Series and Concerts in the Courtyard supported by the Public Information Office. A total of \$111,040 or 45% of the FY 15-16 contributions were dedicated for programming such as the Pet Fair, Cruisin' Fur Critters, Night at the Shelter, the Fur Ball and many other adoption events conducted by the Animal

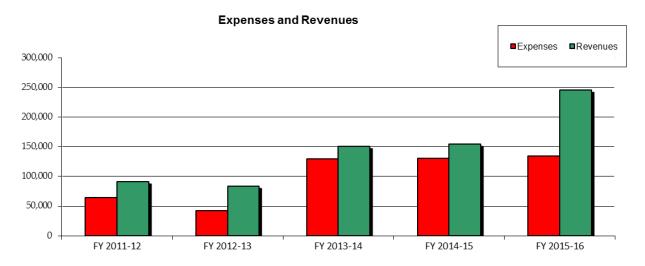

Services staff. The remaining 13% or \$32,740 was donated to Recreation programming such as the Aquatic Center, Triathlon and Paul Swick Family Center on the campus of Yucca Loma Elementary School in support of the Healthy Apple Valley program.

Expenses by Department - FY 2015-16

Of the total expenditures during Fiscal Year, 2015-16, 37% or \$49,075 of the total expenditures were spent on Animal Services programming activities. A total of \$65,095 or 48% of expenditures were spent on special events supported the Public by Information Office and 13% or \$17,723 of the expenditures were spent in support of activities conducted by the Recreation Department.

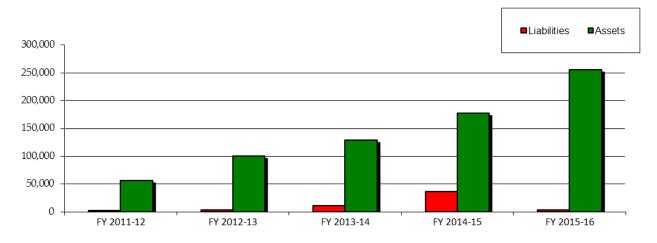

For the five year period ended, June 30, 2016, the Foundation received a total of \$726,494 in grants and contributions. During that same period, a total of \$501,236 was expended on programs supported by the Foundation. In total, contribution revenues exceeded program expenditures during these five fiscal years by \$225,258. These funds are dedicated to future programming for the purposes for which they were donated.

Assets and Liabilities

Total assets amounted to \$256,085 as of the end of the 2015-16 fiscal year. Total assets exceeded total liabilities as of the end of the fiscal year by \$252,923. The net position (net assets) of the Foundation increased by \$112,007 or 80% as of the end of the 2015-16 fiscal year.

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of the Apple Valley Community Resource Foundation (Foundation) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental agencies. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the Foundation's accounting policies are described below.

A. Nature of Business and Reporting Entity

The Foundation (a California nonprofit corporation) was created on August 14, 2001 by the Town of Apple, to lessen the burdens of government and to promote and support cultural, recreational, and human services needs in the Town of Apple Valley (Town). The Town Council appoints the Foundation's Board Members and management positions. The Foundation is primarily supported by donations from the general public. It is exempt from federal income taxes under Section 501(C)(3) of the Internal Revenue Code. It is also exempt from State income taxes, subject to compliance with applicable laws and regulations.

The Foundation is a component unit of the Town and, accordingly, the financial statements of the Foundation are included in the financial statements of the Town. The Foundation is an integral part of the reporting entity of the Town. The funds of the Foundation have been blended within the financial statements of the Town because the Town Council is the governing board of the Foundation and exercises control over the operations of the Foundation. Only the funds of the Foundation are included herein; therefore, these financial statements do not purport to represent the financial position or results of operations of the Town. The Foundation has the same fiscal year as the Town. The Comprehensive Annual Financial Report of the Town can be obtained from the Finance Department of the Town.

B. Basis of Accounting and Measurement Focus

The accounts of the Foundation are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The balances and activity of the Foundation are recorded in the General Fund. The General Fund is used to account for all financial resources except those required to be accounted for in another fund. Since the Foundation is not required to account for activity in another fund, all activity of the Foundation is recorded in the General Fund.

Year Ended June 30, 2016

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Government-wide Financial Statements

The Foundation's government-wide financial statements include a Statement of Net Position and a Statement of Activities and Changes in Net Position. These financial statements present summaries of activities for the Foundation.

The Government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the nonfiduciary activities of the primary government and its component units. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are expenses that are clearly identifiable with a specific program, project, function or segment. Program revenues of the Foundation include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

The government-wide financial statements are presented on an *economic resources* measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental Fund Financial Statements

Governmental fund financial statements include a Balance Sheet and a Statement of Revenues, Expenditures and Changes in Fund Balance for all governmental funds. All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. Accordingly, only current assets and current liabilities are included on the balance sheets. The Statement of Revenues, Expenditures and Changes in Fund Balance presents increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures of the current period. Accordingly, revenues are recorded when received in cash, except that revenues subject to accrual (generally 60 days after year-end) are recognized when due. Expenditures are recorded in the accounting period in which the related fund liability is incurred.

Year Ended June 30, 2016

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

The Reconciliations of the Fund Financial Statements to the Government-Wide Financial Statements are provided to explain the differences created by the integrated approach of GASB Statement No. 34. Charges for services, intergovernmental revenues, and interest associated with the current fiscal period are all considered to be susceptible to accrual, and therefore have been recognized as revenues within the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received. The Foundation reports a single governmental fund – the General Fund.

C. Cash

The Foundation's cash consists of deposits with financial institutions.

D. Capital Assets

Capital assets consist of machinery and equipment which is stated at historical cost, net of accumulated depreciation, except for the portions acquired by contribution, which are recorded at fair value at the time received. The Foundation utilizes a capitalization threshold of \$5,000. Depreciation is recorded using the straight-line method. Estimated useful life of 15 years is used in computing depreciation of machinery and equipment. However, as of June 30, 2016, the Foundation does not report any capital assets.

E. Long-Term Obligations

In the Government-wide Financial Statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities. The fund financial statements do not present long-term debt. However, as of June 30, 2016, the Foundation does not report any long-term obligations.

F. Net Position

In the Government-Wide Financial Statements, net position is classified in the following categories, as applicable:

<u>Net Investment in Capital Assets</u> - This amount consists of capital assets net of accumulated depreciation.

<u>Restricted Net Position</u> - This amount is restricted by external creditors, grantors, contributors, laws or regulations of other governments.

<u>Unrestricted Net Position</u> - This amount represents net position that does not meet the definition of "Invested in Capital Assets" or "Restricted Net Position."

Year Ended June 30, 2016

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

G. Fund Balance

In the Fund Financial Statements, the General Fund reports unassigned fund balance, a category that is used for balances that have no restrictions placed on them.

H. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents consumption of net position that applies to future period(s) and so will not be recognized as an outflow of resources (expense) until then. The Foundation currently has no items that qualify for reporting in this category.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Foundation currently has no items that qualify for reporting in this category.

I. Net Position Flow Assumption

Sometimes the Foundation will fund outlays for a particular purpose from both restricted (e.g. restricted grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted net position and unrestricted net position in the statement of net position, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Foundation's policy to consider restricted net position to have been depleted before unrestricted net position.

J. Fund Balance Assumption

Sometimes the Foundation will fund outlays for a particular purpose from both restricted and unrestricted resources (total fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Foundation's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

Year Ended June 30, 2016

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

K. Use of Estimates

The preparation of basic financial statements in conformity with generally accepted accounting principles requires Foundation management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

2) CASH AND INVESTMENTS

The Foundation's cash represents deposits with financial institutions (checking account), which is insured by the FDIC. The Foundation does not have a deposit policy for custodial credit risk. The Foundation currently does not maintain any other deposits or investments.

3) RISK MANAGEMENT

The Foundation is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Foundation participates in the Town's risk management program, which includes membership in the California Joint Powers Insurance Authority (JPA). Disclosures relating to the Town's participation in the JPA can be found in the Town's Comprehensive Annual Financial Report.

4) COMMITMENTS AND CONTINGENCIES

The Foundation is subject to litigation arising in the normal course of business. In the opinion of the Foundation's management, there is no pending litigation that is likely to have a material adverse effect on the financial position of the Foundation.

As of June 30, 2016, in the opinion of Foundation management, there were no other outstanding matters that would have a significant effect on the financial position of the Foundation.
