SUMMARY:

At the Town Council Meeting of July 11, 2017, the Town Council unanimously recommended the creation of an Ad Hoc Committee to assist the Town Council in defining and evaluating the progression of future development for the Hilltop House. The Ad Hoc Committee will be comprised of Mayor Nassif and Council Member Stanton, and will include five members who will be nominated by each individual Council Member. In addition, public representation from members of the community who will collectively represent the Apple Valley Unified School District, health and wellness, the building industry, the Chamber of Commerce, the High Desert Community Foundation and the Apple Valley Legacy Trail Committee will also serve as participants on this committee. Appointments for members who will serve in this capacity will be selected by members of the industry they represent.

BACKGROUND:

On May 18, 2016, the Town acquired the Hilltop House property for the purpose of renovating the property into a recreational amenity for the use of the public. On May 30, 2017, The Town Council adopted Resolution No. 2017-13, which formally placed the property into the Town of Apple Valley Park system.

At this stage, the Town needs to determine the best design and use for the property, as well as seek additional public funds/grants or private funding opportunities that would benefit the project. The Ad Hoc Committee will be beneficial in providing insight to the Town Council and staff in this endeavor.
