

**TOWN OF
APPLE VALLEY, CALIFORNIA
AGENDA MATTER**

SUBJECT ITEM:

LIGHTING AND LANDSCAPE ASSESSMENT DISTRICT #1 - ENGINEER'S ANNUAL REPORT AND LEVY OF ASSESSMENT FOR FY 2008-2009

SUMMARY STATEMENT:

The Landscaping and Lighting Act of 1972 permits the installation, maintenance and servicing of landscaping and lighting through annual special assessments on real property benefiting from the improvement. Currently, the Apple Valley Lighting and Landscaping District includes 18 locations.

For levying annual assessments, it is necessary that the Town Council adopt the initial resolution describing improvements and ordering the engineer to file a report. (Note: the Engineer's Report has all ready been filed and is made a part of this agenda item for the Council's review and approval). Second, the Town Council should approve the report as filed, or the Council may modify and then approve the report, and; third, adopt a resolution of intention to levy assessments and set a date for a public hearing.

The resolution of intention declares to the affected property owners that the Town intends to levy and collect assessments within the district for next fiscal year. The resolution also gives notice of the time and place for the public hearing of the proposed assessment.

The annual assessments for each annexed territory of the Assessment District are indicated in Part B of the Engineer's Report. There is no increase in the assessments for this fiscal year. The recommended procedures comply with all requirements of Proposition 218.

Recommended Action:

1. Adopt Resolution No. 2008-35, a Resolution of the Town Council of the Town of Apple Valley Directing the Filing of the Annual Report for the Town of Apple Valley Landscaping and Lighting Assessment District.
2. Receive and approve the engineer's report as filed, or as amended.
3. Adopt Resolution No.2008-36, a Resolution of the Town Council of the Town of Apple Valley Declaring its Intention to Order Improvements and to Levy and Collect Assessments for Fiscal Year 2008-2009.

The Town Council of the Town of Apple Valley hereby resolves as follows:

Section 1: The Town Council intends to levy and collect assessments within Assessment District No. 1 during fiscal 2008-2009. The area of land to be assessed is located in the Town of Apple Valley, San Bernardino County.

Section 2: The improvements to be made in this assessment district are generally described as follows:

Improvements may include but not be limited to, ground cover, shrubbery, trees and other landscaping, irrigation equipment, separate water meters, street lights, drainage structures and the continued maintenance, operation and servicing of those improvements as deemed necessary.

Section 3: In accordance with this Council's resolution directing the filing of an annual report, the Town Engineer, Engineer of Work, has filed with the Town Clerk the report required by the Landscaping and Lighting Act of 1972. The Town Council has received and reviewed the written report from the Assessment Engineer regarding the proposed levy and assessment for fiscal year 2008-2009. All interested persons are referred to that report for a full and detailed description of the improvement, the boundaries of the assessment district and the proposed assessment upon assessable lots and parcels of land within the assessment district.

Section 4: On Tuesday, the 22nd day of July 2008, at the hour of 6:30pm, the Town Council will conduct a public hearing on the question of the levy of the proposed annual assessment. The hearing will be held at the Council Chamber of the Town Council located at 14955 Dale Evans Parkway, Town of Apple Valley, California.

Section 5: The assessment for all Locations is not proposed to increase from any previous year.

APPROVED and ADOPTED this _____ day of _____, 2008.
