Dear Fellow Animal Lover,

Since 2005, Apple Valley Animal Services (AVAS) has been providing a “*Better Way of Life*” for the animals in our care. The ability to offer programs that provide a second chance for shelter animals would not be possible without support from donors like you. Together, we can continue to raise the bar in animal sheltering and combine limited resources to expand programs that provide adoptable pets with permanent loving homes.

Throughout the year, AVAS holds signature events designed to raise awareness and funding for spay/neuter incentives, animal health clinics, community outreach and alternatives to euthanasia. Our success is dependent upon sponsorships, which offset expenses for hosting fundraising events. Sponsors become our partners and are recognized for their participation in our event advertisements, programs, and promotional materials.

Currently, we are seeking sponsorship for our 8th Annual FURBALL Benefit Dinner –Proceeds from this fundraiser will be used to provide spay/neuter grants to qualifying low-income animal owners, responsible pet-ownership training, low-cost vaccination clinics, medical treatment for injured animals, and pet re-homing assistance. Please review the attached “Donation Commitment Form” for this event.

We recognize that your business is approached by numerous organizations seeking funding for their activities and would like to thank you for taking time to consider our request. “Saving Lives” of shelter animals requires innovative approaches and support from our community. Apple Valley has raised the bar for Animal Sheltering and with your support we will continue to be an example for the entire Region.

If you have additional questions or need further information on our signature events, please contact Adriana Atteberry, Administrative Secretary at (760) 240-7000 Ext. 7558 or via e-mail at aatteberry@applevalley.org.

Sincerely,

Gina M Whiteside
Animal Services Director
