AGENDA MATTER

Subject Item:

Presentation – Department Update

SUMMARY STATEMENT

Staff will present information on upcoming and recently completed programs and activities by the Parks and Recreation Departments. In an effort to keep the Commission apprised of the various accomplishments, the department anticipates making such presentations to the Commission on an as needed basis. It is felt that this information, along with the department's monthly report, will provide a more thorough overview of department activities and keep the Commission better informed of its progress.
