ABOUT APPLE VALLEY WATCH

Be the eyes and ears of the community with our public safety app. It's a new way to communicate, and another way to keep residents safe. Apple Valley Watch allows users to submit photos or short video clips to local law enforcement or Town staff.

APP SERVICES

Apple Valley Watch has a Call 9-1-1 link for users to report in-progress crimes and life-threatening emergencies.

Report non-emergency matters day or night easily from any mobile device to document occurrences such as:

- * Aggressive animals
- * Burglary
- * Graffiti
- * Illegal drug activity
- * Illegal parking
- * Traffic concerns
- * Transient issues
- * Vandalism

Remain Anonymous

The app settings let you choose whether to remain anonymous or allow feedback

Quick and Discreet

Apple Valley Watch operates without the use of a flash or noise from the device for the safety of the reporting party
