Eric Lindbeck

Ataru Do Instructor

Eric began his martial arts training in 2002 in a Parks & Recreation Center. This is where he met his sensei, Don Burnell. He knew he had found his passion in martial arts and began a lifelong pursuit of mastery. He knew he would be an Iron Tiger for life. Eric has competed in tournaments throughout California and would place 2nd or 3rd in sparring almost every time. Sparring is definitely his favorite part of martial arts and his strong suit. Eric has dedicated his life to martial arts and passing on his sensei's teachings.

See page 15 for information on the Ataru Do class.

Mary Anne Carroll

Yoga & Gentle Yoga Instructor

Mary Anne says that being a wife and mother of 6 (now grown) homeschooled kids has often been a 3 ringed circus! Her Catholic Christian faith and exercise have been what helped her saintly and probably saved her kids lives. She is AFAA certified and has completed courses in Silver Sneakers, Senior Yoga and is currently enrolled in a Body

Movement course through AFAA for CEU's. Mary Anne's hope is to serve her clients with a mix of strength, balance, flexibility, positive community and JOY.

See page 15 for information on the Yoga & Gentle Yoga classes.

Park & Recreation Manager's Message

On behalf of the Town of Apple Valley Park's and Recreation Department, we proudly present the 2018 Summer Activities Guide. We are excited to provide a diverse spectrum of offerings to our citizens, with activities for the whole family to enjoy. We have special events such as our Summer Concert Series that takes place on Thursday nights in June and July at our Civic Center Park as well as our Movie in the Park program. The 21st Annual Freedom Festival will host over 10,000 people this July 4th at the Lenny Brewster Sports Center.

To cool down this Summer, our Aquatic Center will be operating over 17 hours a day kicking off with our annual Water Festival on June 2nd. There is truly something for everyone to do with recreational swim, lap swim, water aerobics and our swim lessons program as well as special events like our Dive in Movies and the Cardboard Boat Regatta.

I want to highlight that we have replaced the engineered wood chips in 5 of our playgrounds and replaced them with rubber mulch that is cleaner and provides for a safer park experience for our children. We are also in the process of making improvements to James Woody Park by replacing the front playground and installing sidewalks and concrete areas in the park. This will enable us to reduce the consumption of our water and enhance the park experience.

All of the information on our programming is available in this Summer Recreation Guide and available online through our Website at AVrecreation.org.

Thank you,
Ralph Wright
