

**Public Workshop
Vision for
The Village**
Tuesday, May 8th, 2018
5:30PM - 7:00PM

WHAT: Public Workshop #1

Join Town of Apple Valley Staff, Caltrans, and plan consultants as we discuss the SR-18 Corridor Enhancement Plan for The Village. Workshop attendees will be able to participate in a walking tour of The Village, which will help us identify transportation challenges related to The Village, Outer Highway configuration, and access to businesses from State Route 18. Tell us what kind of improvements you think would shape The Village into an even more popular destination!

WHY: Shape the Vision for The Village

The project team is gathering input and information on what makes The Village difficult to navigate or access for those who live in the Town of Apple Valley, work at or own a business in The Village, or are just visiting the Town. Input from this workshop will help the project team provide desirable recommendations for the SR-18 Corridor Enhancement Plan.

WHO: Town of Apple Valley Community

We want to hear from residents, employees, business owners, visitors, and other community members who are interested in improving The Village's accessibility and image!

WHERE: Apple Valley Moose Lodge 1810

ADDRESS: 21955 CA SR-18, Apple Valley, CA 92307

Meet at the Apple Valley Moose Lodge 15 minutes before the start of the workshop!

Questions? Email us at AppleValley.SR18Plan@gmail.com

Can't attend Public Workshop #1? Let us know your thoughts now! Provide your insight by completing the online survey. Access the survey by scanning the QR Code to the left or by visiting the link below:
