### RECOMMENDED ACTION:

That the Town Council:

- A. Open Public Hearing;
- B. Adopt Resolution No. 2019-02, confirming delinquent utility fees and costs against real property located in the Town, and directing that said assessments constitute a lien upon said properties;
- C. Close Public Hearing.

### SUMMARY:

Each year the Town initiates and records liens on real property for all delinquent utility fees as permitted in the Government Code. This report identifies all delinquent utility accounts and approves Resolution No. 2019-02 initiating and approving the winter lien process.

**BACKGROUND:**

The Government Code allows cities to collect delinquent rubbish collection and sewer fees by recording a lien against the real property and adding that amount to the property tax bill. The Town has identified the delinquent accounts as those listed in Exhibit A.

All of the billing parties and the property owners have received sufficient notification of the delinquency and have been notified of the Public Hearing to apply the delinquency to the property tax bill. For delinquent rubbish collection accounts, please see the flow chart attached (Attachment 1) which illustrates how many times the delinquent rubbish collection billing parties and property owners have been notified. The correspondence also offers an opportunity to make corrections. A sample of one of the letters is also attached (Attachment 2).

In addition to the notices and this Public Hearing, Town Finance staff allows billing parties and property owners until Thursday, February 21, 2019, to pay the delinquency before the lien is processed. In addition, Finance staff is in the audience and is prepared tonight to accept payments.

**FISCAL IMPACT:**

None.

Dear Customer:

The trash and (or) sewer bill for the above service address is currently delinquent and is subject to lien. The County Assessor has verified that you are listed as the current owner. If there is an error in the public records and you are not the current owner, it is imperative that our office be contacted immediately.

The Town of Apple Valley Code requires weekly trash removal. Ordinance #34 Section 6.20.090 stipulates that all fees for trash service will be billed and collected in accordance with Town rules and regulations. If delinquent amounts are not paid, a lien may be placed against the property where the unpaid debt was accrued in compliance with Section 6.20.100 of the municipal code. With regard to residential and commercial properties, the property owner of record shall be responsible for paying the trash and (or) sewer service fees. Trash and sewer service rates are reviewed and approved by Town Council resolution in a public meeting.

A public hearing will be held for action to file a real property lien and authorization to add that lien to the extended property tax rolls. The lien amount will include past due charges plus administrative fees.

Questions regarding your account should be directed to the Customer Service staff of AVCO Disposal, Inc. Monday through Friday from 8:00 a.m. to 5:00 p.m. at (760) 245-8607.

Please note that all payments should be made directly to the Town of Apple Valley at 14955 Dale Evans Parkway.

Thank you for your prompt attention to this matter.
