

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**REVIEW, APPROVE CONSTRUCTION PLANS FOR THE APPLE VALLEY ANIMAL SHELTER FACILITY, AND AUTHORIZE STAFF TO PROCEED WITH ADVERTISEMENT FOR THIS PROJECT**

**Summary Statement:**

The Apple Valley Animal Shelter Facility project includes the construction of a purpose built Animal Shelter Facility including office space. The facility will include a reception area for animal intake/adoption rooms, increased kennel capacity, kennel runs for large dogs, indoor small dog/puppy kennels, intake cat cages, cat colonies, reptile cages, get acquainted areas, quarantine rooms, isolation facilities, examination rooms, an education room and future space for a veterinary office/surgery suite. The design of the purpose built shelter will increase holding time for animals to increase adoption rates, create holding areas to isolate animals at intake, and provide a ventilation system designed to filter airborne diseases and minimize cross contamination of animals. The plans are being brought to Council for review, approval and authorization to proceed prior to the bid opening. Staff recommends that the Town Council review the plans that are available in the Town Council's office, approve the plans and direct staff to proceed with the project.

**Recommended Action:**

Review and approve construction plans for Apple Valley Animal Shelter Facility and direct staff to proceed with the project.
