## Town of Apple Valley Event Retail Vendor Policies 2019

By submitting a vendor application for a Town of Apple Valley special event, you agree to comply with all requirements of the **Town, Fire District and Board of Equalization Department** provided on this form, event applications and other information provided by the Town or other agencies. **You may be denied participation** on the day of an event by representatives of the Town, Fire District and/or BOE Department for failure to comply with any of the stated conditions.

**Vendors who fail to comply with any of the conditions herein are subject to removal from the area without a refund of vendor fees and may not be invited to participate in future events.**

### Vendor Acceptance Policies & Payment Schedule

- Vendor acceptance is on a first-come first-served basis; and we limit the number of vendors selling the same item. Once you have turned in an application you will receive a copy that confirms your acceptance.
- You will receive a confirmation via mail or email including event details no later than one week prior to the event.
- Exclusivity and space location cannot be guaranteed. See "Town Requirements" on next page for more details.
- All payments must be received 30 days prior to the event to secure space reservation. If payment is not paid within two weeks of the event, you will be charged a \$10 late fee.
- Refunds are not given for no shows or cancellations within 30 days of an event, unless the event is cancelled by the Town. No refunds are given for claims of duplicated items, location, lost profits, etc.

### Board of Equalization Requirements

You are responsible for adhering to requirements of the Board of Equalization. A Resale License Permit is free to obtain. Below is a summary of these rules. For more details or questions, contact the BOE at (951) 680-6400 or [www.boe.ca.gov](http://www.boe.ca.gov) website.

The same Resale Permit can be used for all events in the same location: but a new permit is needed for each new location. For example, you will need a sellers permit for the Freedom Festival, and a separate one for the Holiday Craft Fair.

- Your Resale Permit must reflect the physical address to where the event is taking place.
- Forms required from BOE:
  1. Marketing/Non-sales- No Permit needed
  2. Used items- 410-D form

### Town Requirements & Permits

The following is general information applicable to all events. Additional requirements and information is included on the various applications for each individual event.

#### **FEES & PERMITS**

1. **LATE FEES:** All vendor spaces must be paid in full 30 days prior to each event to guarantee your space. **A \$10 late fee will be added for payments within two weeks of the event.**
2. **REFUNDS:** Fees are **non-refundable** with less than 30 days cancellation prior to an event.
3. **RESALE LICENSE PERMIT:** By order of the State Board of Equalization, you must possess a free resale number permit if you are a non-food, new item vendor. The Town requires this permit be visible at all events. See event application for more details.
4. **NON-PROFIT RATE:** Organizations requesting the non-profit vendor rate must attach proof of non-profit status, including your tax ID number, to each event application. Vendors participating under a non-profit rate assert that all money raised through their participation is going to the non-profit organization listed. Not all events have a non-profit rate.
5. **BUSINESS LICENSE:** Vendors at Town sponsored events who report gross sales of \$500.00 or less to the state are not required to obtain an Apple Valley Business License (M.C. 5.02.040). Therefore, a business license will only be required from vendors who participate in 3 or more Town Sponsored Events per calendar year.

#### **MERCHANDISE & BOOTH LOCATION**

1. **EXCLUSIVITY:** No vendor is guaranteed exclusivity for an item although efforts are made not to duplicate certain items. All categories of items sold must be listed on your application, and the Event Coordinator must be notified of any changes to the list.
2. **SPACE ASSIGNMENT:** We will consider requests for a specific space, however it **cannot be guaranteed**. Spaces are assigned to maximize traffic flow, avoid placing similar items together and meet vendor needs for access, electricity, fire and health department requirements and other factors.
3. **SET UP/CLEAN UP:** Vendor booths must be completely set-up and all vehicles removed from the event area at least 30 minutes before the event begins, or by the time stated on the event application. Vendors are required to remain set-up until the posted ending time of each event.
4. **ACCEPTABLE ITEMS:** All booths and merchandise must be maintained in good condition, in good taste, and appropriate for family viewing. The Event Coordinator reserves the right to order the removal of any items deemed inappropriate, disruptive, hazardous or not listed on your application. For example, "Silly String", "poppers" and "cap guns" are not allowed at any event.
5. **MULTIPLE SPACES:** Each vendor may operate only one of any type of booth. For example, one vendor cannot rent two separate booths selling the same item at an event. If a vendor needs more than one space they must be adjacent to each other.

## Town of Apple Valley Event Retail Vendor Policies 2019

### Power, Water Supply & Equipment

**AVAILABILITY:** At some events electricity **may not** be available. Please read the event application carefully for availability. If you use electricity strictly for lighting purposes, we **strongly encourage** battery powered lanterns and lights as they are low cost, reusable and energy efficient.

**ACCESSORY EQUIPMENT:** When power and water is available, vendors must supply their own extension cords, surge protectors, hoses and any other equipment needed. All equipment must be in good condition (no frayed wires, leaky hoses, etc.).

**SPACE REQUESTS:** You must clearly indicate on your application whether you need power or water (when offered), as spaces are assigned based on this information. If you do not make the appropriate request on your application, the Town will not be responsible if lack of access to water or power prevents your participation.

### Booth Operation & Appearance

1. Vendors may not conduct business outside their booth space or by walking about the event.
2. Booths shall have professional looking signs. Handwritten signs are not permitted.
3. Vendors may not vary items sold from those listed on the application without prior notice and approval from the Event Coordinator.
4. Each booth must have someone 18 years of age or older present at all times. All workers must maintain appropriate attire and appearance.
5. All vendors must have an EZ-Up type canopy. No makeshift tents or swap meet style booths. **(Inside Holiday Craft Fair vendors may not use canopies unless approved by the event coordinator.)**
6. All extra product and supplies stored in the booth shall be covered or screened from view.

### A.V. Fire District Requirements

1. Open flame and devices capable of igniting combustible materials shall not be used in or adjacent to a temporary membrane structure, tent or canopy, unless otherwise approved. BBQ, etc. Exception: Operations such as warming of foods, which do not present an ignition hazard.
2. All **food** vendors are required to provide one (1) 2A-40-BC minimum rating fire extinguisher, currently serviced and tagged by a certified company and readily accessible.
3. Cooking and heating equipment shall not be located within 10 feet of exits or combustible materials.
4. Vendors where cooking is performed shall be separated from tents and canopies by a min. of 20 feet.
5. LP-Gas: Equipment such as tanks, valves, tubing and other related components shall be approved and in accordance with Article 82 and the Mechanical Code. LP-Gas containers up to 125-gallon water capacity shall be located outside tents and canopies a minimum of 5 feet. Container shall be adequately protected to prevent tampering, damage by vehicles or other hazards.
6. Generators: Generators and other internal combustion power sources shall be separated from temporary membrane structures, tents, and canopies by a minimum of 20' and be isolated from contact with the public by fencing, enclosure or other approved means. Parked vehicles or internal combustion engines shall not be located within 20 feet of any canopies.

**If you do not adhere to these requirements you may not set up and no refund will be given. For more details please contact the AV Fire Protection District at (760) 247-7618.**
