

**Town of Apple Valley
Community Development Block Grant (CDBG) Program
HOME Investment Partnerships (HOME) Program
Consolidated Annual Performance and Evaluation Report (CAPER)**

EXECUTIVE SUMMARY

This report for 2007-2008 identifies the level of progress and accomplishments in meeting the priorities and objectives of the grantee's Consolidated Plan over a 12-month period. The Consolidated Plan is a five-year strategic planning document, periodically updated on an annual basis. The Consolidated Plan provides the Town's vision for what it will try to accomplish by describing its priority needs, specific goals and objectives. The CAPER reports on the First - Year of the 2007-2012 Consolidated Plan and includes a summary of programmatic accomplishments and an assessment of progress toward the Town's 2007-2008 program year, and over the five-year Consolidated Plan period.

The main goal of the strategic plan is to achieve the following statutory goals, primarily for extremely low, low and moderate-income persons;

Provide decent housing,
Create a suitable living environment, and
Expand economic opportunities.

The CAPER will address the priorities; fund allocations; geographic locations; obstacles in accommodating under-served needs; how funds were used to address needs; and quantify the accomplishments. The Town allocated funds for programs and activities based on the priorities set forth by its Council for the program year and its Consolidated Plan.

All entitlement grantees are required to use the Integrated Disbursement and Information System (IDIS) to meet reporting and evaluation requirements as they relate to accomplishments and performance. The 2007 - 2008 Consolidated Annual Performance and Evaluation Report, that is available for public review and comment, consists of the following elements:

1. Executive Summary
2. CDBG Narrative Statement
3. HOME Narrative Statement
4. Activity Summary (CO4PR03)
5. Consolidated Plan Annual Performance and Evaluation Report (CO4PR06)
6. Summary of Community Development Accomplishments (CO4PR23)
7. Financial Summary (C04PR26)

During the 2007-2008 fiscal year, the Town of Apple Valley qualified to receive Community Development Block Grant (CDBG) funds directly from the U.S. Department of Housing and Urban Development (HUD). In order to receive CDBG funds, the Town prepared a First-Year Action Plan, which was subsequently approved by HUD. During the past fiscal year, the Town has carried out the following CDBG activities pursuant to the Action Plan: High Desert Resource Network (Non-profit capacity building), Inland Fair Housing and Mediation Board (Fair Housing), Landlord/Tenant Mediation, Sexual Assault Services, Literacy Program, Assistance

League of Victor Valley (Operation School Bell), One 2 One Mentors (Youth Services), Sign Language/Oral Interpreter Services, High Desert Domestic Violence, Victor Valley Domestic Violence, Rent/Mortgage Emergency Relief Program, Hi Desert Meals on Wheels, and High Desert Homeless Services.

During the 2004 - 2005 fiscal year, the Town of Apple Valley formed a consortium with the City of Victorville in order to meet the threshold of obtaining Home Investment Partnerships Program (HOME) entitlement status with the U.S. Department of Housing and Urban Development (HUD). This action necessitated the amending of the Consolidated Plan to incorporate the community needs assessments, strategies and action plans of both jurisdictions into one coherent plan. The consortium identified the Town of Apple Valley as the lead agency and the City of Victorville as a participating jurisdiction. The successful formation resulted in an annual allocation of HOME funds to both communities.

During the 2007 – 2008 fiscal year, the Town of Apple Valley carried out the following HOME activities pursuant to the Action Plan: Downpayment Assistance Program (DAP) and Community Housing Development Organization (CHDO) activities for the benefit of Town of Apple Valley residents.

During the 2007 - 2008 fiscal year, the City of Victorville carried out the following HOME activities pursuant to the Action Plan: The Senior Home Repair Program (SHRP) and Community Housing Development Organization (CHDO) activities for the benefit of City of Victorville residents.

Additionally, the Town of Apple Valley coordinates other programs and services that leverage and compliment CDBG projects, such as the Town Spirit and Improvement Program, (TSIP) which include Crime Free Multi-Housing, Community Enhancement, Code Enforcement and Graffiti Removal Programs.

NARRATIVE STATEMENT

Assessment of the First-Year Goals and Objectives

During the First year of implementing the Town of Apple Valley's Five Year Consolidated Plan, the Town has chosen to address some housing as well as non-housing community development priorities. Due to the relatively limited resources available to Apple Valley, the Town Council has made the policy decision to concentrate its efforts on addressing one, two and three priorities in any given program year rather than diluting resources spread thinly to address some aspect of every priority identified in the Strategic Plan. The Town believes that by addressing one priority at a time, resources utilized will have a greater and more comprehensive impact on achieving its goals and objectives. During the First Program Year, the Town's Action Plan predominantly addresses priorities reiterated in the five year Strategic Plan: (1) Preserve the existing housing stock, (2) Expand the supply of affordable housing (3) Assist in reducing housing costs of extremely low-and low-income households; (4) Increase affordable homeownership opportunities; (5) Eliminate blighted conditions and substandard housing through enhanced code enforcement activities and demolition; (6) Provide shelter and related services to meet the needs of the homeless population and support the development of a continuum of care system on a region-wide basis; (7) Assist special needs persons with reducing housing costs and with meeting their rehabilitation needs; (8) Affirmatively further fair housing to ensure equal access to housing for lower income, ethnic minorities and special needs groups, (9) Coordinate public and private efforts to reduce lead-based paint hazards and protect young children; (10) Create safer, more attractive and more accessible neighborhoods and stimulate economic growth through the improvement of infrastructure; (11) Provision of public facilities and park improvements; (12) Address public service needs.

The Town addressed the goal to preserve the existing housing stock (**Priority # 1**) through the Residential Rehabilitation Loan Program (RRLP), using HOME and CDBG funds to provide assistance to low-income homeowners to address health, safety, code and incipient repairs.

The Downpayment Assistance Program (DAP) addresses the goal to expand the Supply of Affordable Housing (**Priority # 2**). HOME funds in the amount of \$294,124 were allocated for this activity providing loans of up to \$65,000 to low-income first-time homebuyers.

As indicated in the Consolidated Plan, the Town's tenth priority (**Priority #10**) to improve the safety and livability of target neighborhoods and provide economic development growth incentives by upgrading, replacing or developing necessary infrastructure facilities necessary for development was addressed with local funds. The Town continues to carry out the Town Spirit and Improvement Program (TSIP), a program designed to provide a multi-pronged approach to neighborhood revitalization by removing blight, providing necessary infrastructure improvements, and preserving and maintaining the existing housing stock within target areas. Therefore, in conjunction with park improvements, enhanced policing and code enforcement activities are implemented as components under the Town Spirit and Improvement Program (TSIP). The continued aggressive implementation of the Proactive Code Enforcement Program has addressed a portion of the goal to enhance the code enforcement/public safety programs (**Priority #5**). Although CDBG funding was not allocated this fiscal year, the implementation of the Problem Oriented Policing (POP) Code Enforcement program continued to create a partnership between law enforcement officers and code enforcement officers that significantly improve both code enforcement and crime detection activities.

The Town also continues to address the goal and needs of public service projects (**Priority #12**) In fiscal year 2007-2008, the Town allocated \$97,073 to public service projects. As a result, CDBG funds are now being used to substantially meet our public services priority. The Town provided CDBG allocations to various organizations as High Desert Homeless Services, High Desert Domestic Violence Program, Victor Valley Domestic Violence, Assistance League of Victor Valley, Hi Desert Meals on Wheels, Mojave Deaf Services, One 2 One Mentors, San Bernardino County Library, Inland Fair Housing and Mediation Board, San Bernardino Sexual Assault, and Catholic Charities. Most public service activities were completed this past year with substantial goals accomplished. Hi-Desert Meals on Wheels refused to comply with reporting requirements, so the \$10,000 grant will be reprogrammed into the 2008-2009 fiscal year.

The Town partnered with the City of Victorville in fiscal year 2006-2007 to affirmatively further fair housing (**Priority #8**) allocating administrative funds to update the Analysis of Impediment to Fair Housing. The final Analysis of Impediments to Fair Housing is available for public review.

The Town of Apple Valley continues to work towards promoting and stimulating job creation and retention opportunities through implementation of various economic development activities. Apple Valley has worked closely with developers, brokers and property owners to bring the needed commercial development to service our residents.

SECTION 1 – STATUS OF ACTIONS TO IMPLEMENT CONSOLIDATED PLAN STRATEGY AND FEDERAL REQUIREMENTS

A. ASSESSMENT OF FIVE-YEAR GOALS AND OBJECTIVES

For fiscal year 2007-2008, the Town's HOME allocation from the Department of Housing and Urban Development (HUD) was \$647,048. In addition, the Town received CDBG grant funds in the amount of \$647,156. The Town met its overall 70% low and moderate-income objective by expending 100% of its CDBG funds for eligible low and moderate activities.

Strategies for addressing the priorities set forth in the Consolidated Plan and Annual Action Plan included the use of federal funds. It also included the use of public and private partnerships to utilize other state, local, and private resources to help leverage the use of federal funds to meet the needs of low and extremely low-income residents of Apple Valley.

The following summarizes both the 2007-2008 and five-year programmatic accomplishments in relation to the priorities set forth in the Consolidated Plan.

1. HOUSING

PRIORITY NEED	DECENT HOUSING AND A SUITABLE LIVING ENVIRONMENT
----------------------	---

PRIORITY 1: PRESERVE THE EXISTING SINGLE FAMILY HOUSING STOCK (HIGH)

Five Year Objective: Within the 2007-2012 five-year plan, the Consortium will implement rehabilitation programs to assist 100 single-family housing units with housing rehabilitation activities.

Accomplishments (2007-2008): During the year, approximately \$58,387 in prior year CDBG funds, \$90,444 in HOME funds, \$163,487 in CAL HOME funds, and \$120,193 in HOME FEDERAL funds were received through the Department of Housing and Community Development and were expended to assist 21 households. However, an additional 15 households are in process to correct health and safety, code violations and incipient repairs under the Residential Rehabilitation Loan Program.

The City of Victorville expended approximately \$330,808.76 in HOME funds to assist 38 low-income households make necessary repairs to their homes to correct health and safety, code violations and incipient repairs under the Senior Home Repair Program.

PRIORITY 2: EXPAND THE SUPPLY OF AFFORDABLE HOUSING. (HIGH/MEDIUM)

Five Year Objective: Within the next five years, the Consortium anticipates allocating funds to provide new construction of eighty (80) in-fill housing units.

Accomplishments (2007-2008) The Town of Apple Valley has committed \$225,000 to a non-profit CHDO for the development of low-income senior housing.

PRIORITY 3: ASSIST IN REDUCING HOUSING COSTS OF EXTREMELY LOW – AND LOW (HIGH/MEDIUM) INCOME HOUSEHOLDS.

Five-Year Objective: Apple Valley anticipates providing 33 units of HUD public housing and 37 units of non-HUD public housing. Victorville anticipates providing 68 units of public housing. In addition, the Town of Apple Valley and the City of Victorville provides rental subsidy assistance

through the Section 8 Certificate and Voucher Program. The Town of Apple Valley and City of Victorville anticipate providing 312 units and 603 units of Section 8 assistance, respectively. In addition, the City of Victorville anticipates providing rental subsidy assistance to 68 units through the Northgate Village Rental Subsidy Program.

Accomplishments (2007-2008): The Housing Authority issued 339 Section 8 vouchers to Apple Valley residents and 201 households received weatherization assistance. There were 923 Section 8 vouchers provided to Victorville and 296 received weatherization assistance.

In addition, The Downpayment Assistance Program (DAP) funded eight (9) households with \$576,227.93 in down payment and closing cost assistance utilizing HCD, ADDI and HOME funds.

The City of Victorville expended approximately \$335,131.65 in HOME funds to provide down payment and closing cost assistance to 13 households through its Mortgage Assistance Program (MAP).

**PRIORITY 4: INCREASE AFFORDABLE HOMEOWNERSHIP OPPORTUNITIES.
(MEDIUM/HIGH)**

Five-Year Objective: Provide homeownership opportunities through the implementation of homebuyer assistance programs that offer assistance with down payment and closing costs. Apple Valley and Victorville anticipate providing assistance to 25 to 50 households respectively.

Accomplishments (2007-2008): During the year, approximately \$511,696, HCD, ADDI and HOME funds were expended to assist eight (8) households through the Downpayment Assistance Program (DAP).

PRIORITY NEED ENHANCE THE CODE ENFORCEMENT PROGRAMS

**PRIORITY 5:
(HIGH)** **ELIMINATE BLIGHTED CONDITIONS AND SUBSTANDARD HOUSING THROUGH
ENHANCED CODE ENFORCEMENT ACTIVITIES**

Five Year Objective: Apple Valley and Victorville will provide concentrated code enforcement activities in low-income target areas. Apple Valley anticipates investigating 1000 cases of code violations through implementation of its code enforcement activities to include Proactive Code Enforcement, POP Code Enforcement, Community Enhancement Program and Graffiti Removal Program. Victorville also provides funding for code enforcement and graffiti removal activities in its low-income areas. Victorville anticipates investigating 2,000 cases of code violations through its Code Enforcement Program and 1,000 graffiti removal cases through its Graffiti Removal Program. Within the next five years both communities will work to eradicate graffiti vandalism by providing state of the art color matching systems to paint over vandalized areas, community training programs, and proactive involvement with local law enforcement.

Accomplishments (2007-2008): CDBG funds were not allocated this fiscal year, however, the Town completed 7,774 code enforcement cases Town-wide.

PRIORITY NEED ENHANCE THE CODE ENFORCEMENT PROGRAMS

Five Year Objective: Provide funding for Problem Oriented Police (POP) Code Enforcement services within CDBG Target areas.

Accomplishments (2007-2008): CDBG funds were not allocated this fiscal year; however, the Town expended local funds toward this goal. The POP Code Enforcement Program completed 524 investigations this year and expended approximately \$16,618. The program partners a code enforcement officer with a police officer to identify and enforce health, safety and code violations.

**PRIORITY 5:
(LOW)** **ELIMINATE BLIGHTED CONDITIONS AND SUBSTANDARD HOUSING THROUGH
ENHANCED CODE ENFORCEMENT ACTIVITIES AND DEMOLITION**

Five Year Objective: Apple Valley anticipates demolishing 2 dangerous structures that may pose a threat to health and safety and contribute to signs of blight. Victorville will also dedicate funds to demolition of substandard structures and blighting conditions. Victorville anticipates the demolition and abatement of 20 dangerous structures.

Accomplishments (2007-2008): The Town did not allocate CDBG funds for demolition activities this fiscal year.

2. HOMELESS

PRIORITY NEED	PROVIDE SHELTER AND RELATED SERVICES TO MEET THE NEEDS OF THE HOMELESS
----------------------	---

PRIORITY 6: (HIGH/MEDIUM) PROVIDE SHELTER AND RELATED SERVICES TO MEET THE NEEDS OF THE HOMELESS POPULATION AND SUPPORT THE DEVELOPMENT OF A CONTINUUM OF CARE SYSTEM ON A REGIONAL BASIS.

Five Year Objective: Apple Valley anticipates assisting approximately 400 homeless or at-risk homeless persons, including victims of domestic violence with related support services, emergency shelter, transitional and permanent housing. Victorville anticipates assisting 2,000 homeless or at-risk homeless persons, including victims of domestic violence, with emergency shelter and related support services.

Accomplishments (2007-2008): CDBG funds in the amount of \$30,000 were expended to provide shelter and services toward this goal. The Town funded High Desert Homeless Services, High Desert Domestic Violence, and Victor Valley Domestic Violence. In an effort to prevent evictions, approximately \$8,000 in CDBG funds was used to provide emergency rental/mortgage payment assistance to low and moderate-income residents.

3. SPECIAL NEEDS POPULATION

PRIORITY 7: (HIGH) ASSIST SPECIAL NEEDS PERSONS IN REDUCING HOUSING COSTS AND MEETING THEIR REHABILITATION NEEDS

Five Year Objective: The Consortium will encourage and address tenant-based rental assistance as well as rehabilitation programs for Special Needs Persons. These objectives are reflected as an integral part of Strategy 1 and Strategy 3. In addition, Apple Valley and Victorville will respectively provide support services to an estimated 590 persons and 725 persons with special needs.

Accomplishments (2007-2008): During the year, approximately \$20,000 in CDBG funds were expended to assist 32 handicapped and 75 homeless persons.

PRIORITY 7: (HIGH) ASSIST SPECIAL NEEDS PERSONS IN REDUCING HOUSING COSTS AND MEETING THEIR REHABILITATION NEEDS

Five Year Objective: Within the next five years the Town anticipates supporting the Housing Authority to continue allocating funds to assist homeless persons to obtain affordable rental housing by using Section 8 housing certificates.

Accomplishments (2007-2008): During the year, the Housing Authority of San Bernardino County provided 339 Section 8 Vouchers in Apple Valley.

4. FAIR HOUSING

PRIORITY NEED	ENSURE FAIR HOUSING OPPORTUNITIES FOR ALL RESIDENTS WITHIN THE TOWN
----------------------	---

PRIORITY 8: (HIGH) AFFIRMATIVELY FURTHER FAIR HOUSING TO ENSURE EQUAL ACCESS TO HOUSING FOR LOWER INCOMD PERSONS, ETHNIC MINORITIES AND SPECIAL NEEDS GROUP.

Five Year Objective: Within the next five years, Apple Valley and Victorville both anticipate providing a combination of fair housing counseling, investigation and mediation services to a minimum of 400 persons. In addition, Apple Valley and Victorville anticipate providing landlord/tenant mediation services to a minimum of 1,500 and 2,000 persons.

Accomplishments (2007-2008): During the year, 28 persons were provided with fair housing counseling and 665 were provided with landlord/tenant mediation services. CDBG funds in the amount of \$18,000 were expended to provide a comprehensive program of training, education, advertising and marketing outreach, as well as working with the housing industry to assist in guaranteeing the fair housing rights of individuals.

5. LEAD BASED PAINT HAZARDS

PRIORITY NEED	ADDRESS DANGERS OF LEAD BASED PAINT WITHIN STRUCTURES IN THE TOWN
----------------------	---

PRIORITY 9: (MEDIUM) COORDINATE PUBLIC AND PRIVATE EFFORTS TO REDUCE LEAD-BASED PAINT HAZARD TO PROTECT YOUNG CHILDREN

Objective: The members of the Consortium will adhere to all lead-based paint regulations when implementing rehabilitation programs, which may involve testing and remediation, as appropriate.

Accomplishments (2007-2008): During the year, no households under the Town's Residential Rehabilitation Loan Program were identified necessitating the need for lead-based paint assessment.

PRIORITY 9: (MEDIUM) ELIMINATE LEAD PAINT HAZARDS IN HOUSING CONSTRUCTED BEFORE 1978.

Five Year Objective: Eliminate lead paint hazards in housing units constructed before 1978, through public education, testing, and assistance for abatement activities.

Accomplishments (2007-2008): During the year, the Town provided literature citing the dangers of lead based paint to every applicant of the residential rehabilitation loan program as well as our downpayment assistance program and tested all properties built prior to 1978 to reduce the lead based paint hazards.

6. INFRASTRUCTURE

PRIORITY NEED	PROVIDE INFRASTRUCTURE IMPROVEMENTS
----------------------	--

PRIORITY 10: (HIGH)	CREATE SAFER, MORE ATTRACTIVE AND MORE ACCESSIBLE NEIGHBORHOODS AND STIMULATE ECONOMIC GROWTH THROUGH THE IMPROVEMENT OF INFRASTRUCTURE.
--------------------------------	---

Five Year Objective: Ensure that CDBG target areas are adequately served by well-maintained and adequately lit streets and sidewalks (to include ADA improvements), constructed to current Town standards where feasible. Construction of streets, sidewalk, curbs and gutter will help improve the overall appearance of the areas. Off-site infrastructure assistance also serves as an incentive to economic development through private development. Apple Valley anticipates implementing a minimum of two (2) road and one (1) sidewalk projects in CDBG target areas. The City of Victorville, through the implementation of its Capital Improvement Program, anticipates improving six (6) streets, the rehabilitation on one (1) sewer and the installation of six (6) traffic signals in CDBG target areas.

Accomplishments (2007-2008): The Town did not allocate CDBG funds to stimulate economic growth through the improvement of infrastructure this fiscal year.

7. PUBLIC FACILITIES AND IMPROVEMENTS

PRIORITY 11: (HIGH)	PROVIDE PUBLIC FACILITIES AND PARK IMPROVEMENTS
--------------------------------	--

Five Year Objective: Apple Valley anticipates providing architectural/engineering design services, in-kind services and construction for the development of two new neighborhood parks and additional improvements to one neighborhood park. During the five year period, Victorville anticipates providing improvements to five (5) public facilities including park improvements.

PRIORITY NEED	PROVISION OF PUBLIC FACILITIES AND PARK IMPROVEMENTS
----------------------	---

Five Year Objective: Provide funding for infrastructure improvements including utility upgrades, water and sewage utility enhancements, curb and sidewalk improvements, and road improvements within the Town to enhance future growth and development potential.

Accomplishments (2007-2008): The Town did not allocate CDBG funds for public facilities and park improvements this fiscal year.

8. PUBLIC SERVICES

PRIORITY NEED	FUND AGENCIES THAT PROVIDE SERVICES TO FURTHER IMPROVE THE QUALITY OF LIFE FOR LOW AND MODERATE-INCOME SENIORS, YOUTHS AND FAMILIES WITH CHILDREN
----------------------	---

**PRIORITY 12: ADDRESS PUBLIC SERVICE NEEDS.
(HIGH)**

Five Year Objective: The Town of Apple Valley and the City of Victorville anticipate providing public services to approximately, 4,000 and 7,000 respectively.

Accomplishments (2007-2008): During the year, approximately \$86,971 of CDBG funds was expended to assist 2,025 individuals and families with services for victims, sexual assault services, youth services, counseling services, handicapped services, adult literacy services, homeless services, fair housing services, landlord/tenant mediation services, emergency relief/rental assistance services, and volunteer services.

PRIORITY NEED	FUND AGENCIES THAT ASSIST IN PROVIDING NEEDS FOR YOUTH, SENIORS AND OTHERS LOW INCOME FAMILIES.
----------------------	---

**PRIORITY 12: ADDRESSING PUBLIC SERVICES FOR SPECIAL NEEDS PERSONS.
(HIGH)**

Five Year Objective: The Town will support tenant based rental assistance, as well as rehabilitation program for special needs housing. Funds will also be provided to qualified lower income owner occupied households through the Residential Rehabilitation Loan Program.

Accomplishments (2007-2008): Approximately \$5,000 in CDBG funds were expended to provide advocacy and independent living skills to deaf persons through Mojave Deaf Services. In addition, approximately \$187,159 in HOME/CDBG funds was expended to assist non-homeless seniors through the Town's Residential Rehabilitation Loan Program.

9. ECONOMIC DEVELOPMENT

PRIORITY NEED	PROMOTE AND ESTIMULATE JOB CREATION/RETENTION ACTIVITIES FOR LOW/MODERATE-INCOME RESIDENTS THROUGH ECONOMIC DEVELOPMENT ACTIVITIES
----------------------	--

PRIORITY 13 (LOW) EXPAND THE TOWN'S ECONOMIC BASE AND PROMOTE GREATER EMPLOYMENT OPPORTUNITIES FOR RESIDENTS.

Five Year Objective: The Town of Apple Valley will create a minimum of 100 jobs for low-income persons by implementing business attraction and retention programs. The City of Victorville will create a minimum of 1,000 jobs by implementing business attraction and retention programs.

Accomplishments (2007-2008): CDBG funds were allocated for the Dakota/Altadena Roads Project to pave 1.25 miles of a well-traveled dirt road. This project will increase circulation and provide an incentive for economic development in the Industrial Specific Plan area and assist in creating new jobs. Future low and mod job creation will be tracked and reported accordingly. Road improvements were 80% completed as of June 2008.

PRIORITY 13: (LOW) PROVIDE PUBLIC SERVICES THAT ARE CONCERNED WITH JOB TRAINING AND EMPLOYMENT

Five Year Objective: Within the next five-years the Town will provide support to agencies that will provide job training and employment to Apple Valley residents.

Five Year Objective: Support training programs such as the Jobs and Employment Services Department (JESD), formerly the Greater Avenues to Independence (GAIN) program which is designed to assist lower income, disadvantaged individuals enter the employment market, and the Job Training Partnership Act (JTPA) that provides training for unemployed adults and other economically disadvantaged individuals. In addition, the Town of Apple Valley works in conjunction with local businesses to coordinate employment for low-income individuals.

Accomplishments (2007-2008): The Town did not allocate CDBG funds for this activity for the 2007-2008 fiscal year.

A summary of the Strategic Plan Priorities and Town Priorities for the Five-Year Consolidated Plan are provided below. B. AFFIRMATIVELY FURTHERING FAIR HOUSING

The Town continues its efforts to further fair housing through its contractual relationship with Inland Fair Housing and Mediation Board (IFHMB). In addition to providing 28 Apple Valley residents with fair housing counseling and 665 Apple Valley residents with landlord tenant counseling services, IFHMB has implemented numerous outreach services, to include dissemination of over 1,562 outreach material which includes brochures, flyers and newsletters to, rental property owners, managers, renters, local private and public service agencies. IFHMB has conducted presentations at local workshops and educational forums, such as for radio and television. During 2007-2008, the Town of Apple Valley hosted a Fair Housing /Default & Foreclosure Counseling Workshop. In addition, Apple Valley participated in the High Desert Housing Fair sponsored by the County of San Bernardino, the Building Industry Association and the Housing Action Resource Trust (HART). Inland Fair Housing and Mediation Board continues to operate its new satellite office located in the Victor Valley four days per week, thereby continuing to provide the accessibility of fair housing services as well as landlord/tenant mediation services to Apple Valley residents.

The Town of Apple Valley completed the Analysis of Impediments to Fair Housing during this fiscal year. The document is available for public review on the Town's website, the Economic Development Department or the Town Clerk's office. The analysis includes a comprehensive report for each municipality, as well as a combined report.

Recommendations from the Analysis of Impediments (AI) to Fair Housing

The AI found that although no public policy, program, or standards implemented by the Town have proven to impede housing development or fair housing choice, the Town continued or strengthen its position by the following fair housing practices. The following are proposed actions and recommendations:

- Continue to educate rental property owners/managers/tenants about their responsibilities and rights under fair housing laws. Provide landlord/tenant responsibilities and rights, outreach and education through various resources such as press releases, public service announcements, cable TV, radio, and newspaper outreach, participation in events relating to fair housing such as fairs and tradeshow.

Consistent with recent State-wide trends, the top four discrimination biases in Apple Valley and Victorville were national origin, race, familial status, and disability. This outreach, education and mediation will be targeted to: 1) populations as outlined in the AI, likely to experience discrimination or be under represented; 2) housing providers (i.e. landlords, property managers, realtors, lending institutions and managers of public housing); 3) elected and appointed officials of each jurisdiction; and 4) the general public. As some protected classes may be more susceptible to discrimination, the Consortium will focus outreach and education efforts in these areas.

- The Consortium will continue working with developers to identify and pursue all available funding to develop affordable housing, to include large family rentals, units for seniors and the disabled.

- The need for greater outreach efforts to ethnic groups other than black and Hispanic households was identified in an effort to better coordinate with the San Bernardino County Housing Authority to ensure a more even distribution of Section 8 vouchers.
- The Consortium will continue to focus outreach efforts to black and Hispanic households as Fair Housing complaints and Landlord/Tenant complaints from these groups in the City of Victorville far exceed complaints from other population groups.
- Although the City of Victorville has legally justified prohibition of second dwelling units, the AI identifies these conditions may be a potential impediment to the development of affordable housing. The City of Victorville will monitor the impact of prohibiting second dwelling units to determine, if at any time, the policy becomes an impediment to fair housing.
- The Consortium will support organizations that provide financial literacy education and outreach to minorities, especially blacks, in order to improve loan applicant credit worthiness. In addition, the Consortium will monitor and assess HMDA data and if necessary, will seek more specific data in an attempt to detect unlawful activities related to mortgage lending.
- The Consortium will work with and encourage housing developers to include community outreach programs as part of their predevelopment process. Actions may include informational neighborhood meetings, door-to-door outreach, contact with neighborhood organizations, sponsoring tours of existing affordable housing, and dissemination of information regarding the need for and benefits of affordable housing. In addition, the Consortium may conduct workshops designed to provide decision makers with information on the Consortium's affordable housing needs and the impact of past and current affordable housing developments.

C. AFFORDABLE HOUSING

As a relatively new entitlement community, Apple Valley did not, in the past, have the opportunity to develop additional housing activities; however, the Town continued to address two key housing priorities identified in the Strategic Plan: (2) Expand the Supply of Affordable Housing; and (3) Preserve the Existing Housing Stock. Apple Valley exhausted all funding for the Downpayment Assistance Program during fiscal year 2007/2008; however, the Town continues to pursue additional funding sources to administer the Residential Rehabilitation Loan Program (RRLP) and the Downpayment Assistance Program (DAP) and is currently awaiting results from an application submitted to CalHome. The Economic Development Department recently added one full-time position to the housing division and as such expects to increase the number of residential rehabilitation and down payment assistance loans provided to Apple Valley residents.

The Town joined the City of Victorville to form a HOME Consortium beginning fiscal year 2004/2005. The funding was used to fund the Residential Rehabilitation Loan Program and the Downpayment Assistance Programs for the Town of Apple Valley and the Senior Home Repair Grant Program and the Mortgage Assistance Program for the City of Victorville. The creation of the HOME Consortium has resulted in additional housing funds becoming available for both communities.

HUD requires that the Town provide an annual update on its efforts to foster and maintain affordable housing. As a part of the Consolidated Planning process, the Town examines its housing needs every five years to determine priority needs and develop long term strategies to meet those needs. The Town then proposes to carry out those strategies through the activities outlined each year in the Annual Action Plan.

Downpayment Assistance Program (DAP)

The Town exhausted all funding for the Downpayment Assistance program in fiscal year 2007/2008 by assisting nine (9) first-time low-income homebuyers purchase homes in Apple Valley totaling approximately \$576,227.93. The current drop in home prices have resulted in an increased interest in the program. Program modifications may be necessary to coincide with the current real estate market when we further capitalize this activity. The Town applied for Cal-Home funds in June 2008. Funding notification is expected September 2008. The Town is constantly assessing the program to best meet the affordable housing needs of the Town's residents.

Residential Rehabilitation Loan Program (RRLP)

A limited amount of funds are available each year to assist low-moderate income homeowners to make necessary repairs to their homes. CAPER accomplishments for 2007-2008 reveal significant successes in the preservation of affordable housing by processing over 33 applications and assisting 21 households.

Due to the success of the Residential Rehabilitation Loan Program (RRLP), the Town has assisted approximately 21 low-moderate income families and individuals as well as segments of the population such as seniors, disabled and handicapped homeowners as they are the ones in most need of home repairs (i.e., worse case needs) This underserved population are those least likely to qualify for conventional home repair loans or assistance. Interest in the program continues and the current waiting list has about 100 individuals/families waiting for an application. Delayed maintenance, unfortunately, results in higher rehabilitation costs and reduces further the number that can be assisted. In response to this need, the Town Council approved CDBG funding in the amount of \$380,023 for fiscal year 2008/2009.

Section 215

All of the households assisted by the Town's housing programs meet HUD's Section 215 definition for affordable housing. The Downpayment Assistance Program – DAP (homeownership) assisted a total of nine (9) households. All nine (9) Downpayment Assistance Loans were funded with State HCD, ADDI and HOME funds and were categorized as low-income. The Residential Rehabilitation Loan Program (owner rehabilitation) assisted a total of 21 households with HOME and CDBG funds. All 21 households were categorized as low-income.

Other Programs

In addressing Housing Priorities, the Town participates in the County Mortgage Bond/Single Family First-Time Homebuyer Mortgage Assistance Program, which makes available low interest loans to purchase a home in Apple Valley.

The HOME Consortium has taken the necessary steps to consider proposed housing programs to include the rehabilitation and the development of affordable housing. The Town of Apple Valley is currently in negotiation with Housing Partners I (CHDO with San Bernardino Housing Authority) working toward the development of an 80-unit senior apartment project. The CHDO recently completed acquisition of the property. In addition, the Consortium is nearing completion of rehabilitation of four transitional rental housing units located in the City of Victorville. The Town continues to support the Housing Authority of the County of San Bernardino's (HACSB) efforts to maintain and improve, as necessary, its 33 public housing units in Apple Valley. The Town has also proactively supported the County Housing Authority's application for additional Section 8 Certificate/Vouchers. There were 173 households that received assistance with the Utility Assistance Program, which includes space heaters, water heaters, ranges, evaporative coolers, refrigerators, energy star lighting and compact florescent light bulbs.

The Town will focus on completing activities to address the priorities of providing necessary infrastructure improvements, park facilities, housing needs, economic development activities, enhanced code enforcement/public safety issues, and will also continue its efforts on funding the social services needs.

D. CONTINUUM OF CARE NARRATIVE

Given the limited extent of homelessness in Apple Valley, the Town does not have a complete continuum-of-care system in place. As a relatively new and small entitlement community, the Town cannot justify applying a disproportionately large amount of its limited resources to meet the full spectrum of a continuum-of-care system. However, on an annual basis, the Town has taken the lead and coordinated with the City of Victorville to host a consultation meeting with neighboring jurisdictions and non-profits to discuss the housing and continuum-of-care issue on a region-wide basis. Apple Valley continues to explore avenues of opportunities to partner with neighboring communities to jointly fund projects that further the continuum of care system. This past year our meeting was held on November 1, 2007. As a result of our efforts, groups come together to discuss the services and the lack of services that are available on a regional wide basis.

In making a good faith effort to address Housing Priority #6, the Town provided CDBG funding for the following organizations during 2007-2008:

- (1) High Desert Homeless Shelter - This organization provides emergency shelter and related services to homeless individuals and families. During 2007-2008, the shelter assisted a total of 75 persons from Apple Valley.
- (2) High Desert Domestic Violence Program - This organization provides emergency shelter and support services to victims of domestic violence. During 2007-2008, this organization sheltered 63 persons of Apple Valley and provided counseling, legal assistance and hotline services in the Victor Valley area.
- (3) Victor Valley Domestic Violence Program - This organization provides emergency shelter and support services to victims of domestic violence. During 2007-2008, this organization sheltered 84 persons of Apple Valley and provided counseling, legal assistance and hotline services in the Victor Valley area.

In addition, the following facilities are located in the Victor Valley and provide services accessible to Apple Valley residents:

- (1) Lillie Ruff, Inc. - Located in Adelanto, this facility provides food, clothing and shelter for up to 12 mentally ill homeless persons.
- (2) Inland AIDS Project (IAP) - Located in Victorville, IAP operates a nine-bed facility in Riverside, but has no shelter facilities in the County of San Bernardino. However, IAP in Victorville does provide rent vouchers, rental deposits, food vouchers, counseling and other support services for the HIV population.
- (3) Victor Valley Domestic Violence Program – This organization provides emergency shelter and support services to victims of domestic violence throughout the Victor Valley. There is currently an 18-bed shelter. Additionally, they are currently operating a small number of transitional housing units.
- (4) Cooper Home – Located in Apple Valley, Cooper Home operates a 40-bed residential care facility/safe haven for severely abused boys between the ages of 7 through 14 that have been removed from their home for their own safety and benefit.

E. OTHER ACTIONS

1. Strategy to Remove Barriers to Affordable Housing

The Town continues to expedite processing time for residential development in an effort to remove financial barriers to affordable housing. Additionally, the Building, Planning and Engineering Sections review fee schedules to minimize the fees whenever possible. Although, fees increased this past fiscal year, they still remain one of the lowest fees in San Bernardino County based on the Building Industry Association (BIA). The Town works closely with affordable housing developers to consider proposed projects that will meet the Town's priorities for consideration of a fee reduction or fee relief.

In October 2000 and in compliance with state regulations the Town of Apple Valley updated the incentives and density bonuses to developers in an effort to encourage the development of affordable housing.

2. Strategy to Overcome Gaps in the Institutional Structure and Coordination of Efforts

The Town works in a collaborative effort with each public agency, for-profit agencies and non-profit organizations to provide housing and community development services to the residents of Apple Valley to bridge any gaps and to coordinate efforts in service delivery.

As outlined in the Consolidated Plan, the Town continues to direct its activities toward the alleviation of housing problems, specifically the prohibition of safe, decent, sanitary and affordable housing. The gap identified in providing housing is the lack of adequate funding sources. To this end, the Town entered into a HOME Consortium agreement with the City of Victorville to coordinate efforts and receive a direct formula allocation of HOME Program funds. The Consortium members have been successful in developing and strengthening their relationships during the program year. The Consortium has been successful in coordinating efforts as a single grantee, as evidenced by the development and implementation of each member's housing programs as well as the development of procedures for submission of quarterly reporting and reimbursement requests to the lead agency. As successful as the consortium has been, there is a continued lack of adequate funding sources for which the Town will continue to seek additional funding sources for future projects.

3. Public Housing

The Town of Apple Valley does not own or operate any public housing. The County Housing Authority of San Bernardino administers public housing programs for all cities in the County including the Town of Apple Valley.

Section 8 Assisted Housing/Public Housing

The needs of public housing in the Town of Apple Valley are typically met by the Housing Authority of the County of San Bernardino (HACSB) participation in the Comprehensive Grant Program (CGP) as outlined in its Five-Year Public Housing Agency (PHA) Plan. All public housing in Apple Valley is scattered-site, and owned and/or managed by HACSB. A total of 37 non-public units as well as 33 public housing units are located in the Town, comprised of four one-bedroom, nine two-bedroom, 19 three-bedroom units, and one four-bedroom units. In addition, HACSB manages 339 section 8 vouchers which are comprised based on the families' needs. HACSB's Resident Advisory Council was established with the purpose of improving the quality of life and resident satisfaction within its housing stock. The Resident Council represents the voice of the residents and is the means by which residents can become involved in management of public housing units. The Town participates in distributing updates about the availability of vouchers or applications for the waiting list.

Under the Housing Choice Voucher Program, the Housing Authority makes subsidy payments to property owners on behalf of the family. The program uses a payment standard to determine the maximum amount of assistance that will be paid on behalf of the family. The family's portion will be a minimum of 30% of their adjusted gross monthly income up to a maximum of 40%.

4. Reduction of Lead-Based Paint Hazards

In meeting the required lead based paint regulations, the Town has implemented the following strategies:

Strategy 1

Integrate lead based paint hazard evaluation into housing rehabilitation projects. This strategy requires lead based paint hazard evaluations as a part of the Town's housing rehabilitation programs, to ensure that rehabilitated housing units constructed prior to 1978 do not pose the risk of lead poisoning for future occupants.

The Town's requirements are as follows:

- Require inspection for the presence of lead based paint as a condition of funding rehabilitation homes constructed prior to 1978.
- Specify lead based paint hazard reduction as an eligible activity for funding assistance through the Town's Housing Rehabilitation Programs.
- A home inspector reviews plans for rehabilitation of residential structures and performs field inspections of the project in progress to assure compliance with all applicable building codes. The Town will conduct inspections for the presence of lead based paint as well as refer properties built prior to 1978 to be tested for possible lead based paint if occupants will include elderly or children. If lead is found, abatement of such hazards in residential housing rehabilitation projects will be conducted and reviewed by the Town's home inspector.
- The San Bernardino County Housing Authority inspects its assisted housing units and abates lead based paint hazards as necessary during its modernization activities as required by federal regulation. The Housing Authority has found this to be the most cost effective means of reducing lead based paint hazards.

Strategy 2

Provide educational information regarding lead based paint hazards to the public. This strategy is intended to educate the public about the hazards of lead based paint and offer suggestions on home maintenance and ways to reduce the exposure of children to lead based paint including: the thorough wet cleaning of floors, window wells, and other flat surfaces in the home with high phosphate detergent solutions, frequent hand washing and washing of pacifiers used for young children.

The Town will consider the following options in educating the public about lead based paint hazards:

- Lead based paint hazards publications shall be obtained from the federal Environmental Protection Agency and distributed by the Town to persons involved in remodeling projects of residential units constructed prior to 1978. This information shall be made available at the reception information counter.

- The Town includes lead based paint pamphlets with every application for assistance in the rehabilitation and downpayment assistance programs administered through the Town.

5. Program Compliance

Each year the Town prepares a schedule for the Administration of CDBG and HOME Programs to outline the planning, citizen participation, and submittal processes and deadlines to ensure compliance with HUD regulations. In addition, staff attends HUD trainings whenever possible in order to keep current on regulatory requirements. During fiscal year 2007-2008, the Town remained timely in fiscal drawdowns and our balance remains less than 1.5 times the CDBG entitlement. The HOME funds draws began slowly, due to unusual circumstances relating to IDIS and consortium gap issues, however, we are now up to speed and will continue to draw to expend all funds. Per our conversation with HUD representatives issues have been resolved and draws are now on track.

6. Anti-Poverty Strategy

During the Program Year, the Town continued to pursue its strategy to assist impoverished families to achieve economic independence and self-sufficiency through the use of existing county job training and social service programs to increase employment marketability, household income and housing options.

The Town allocated \$97,073 to numerous public service agencies to assist in the fight against poverty. Some of these organizations provided direct assistance in the form of food and housing, others provided indirect assistance such as case management and referral services to other social service programs.

The County of San Bernardino administered the programs listed below in targeting low-income households, including those below the poverty level for assistance in improving their financial and social positions to a level above poverty.

- Transitional Assistance Department (TAD) – is administered by the County of SB Human Services System and is responsible for providing financial, nutritional and medical assistance to persons in need
- CalWorks – is a time-limited program that provides financial assistance and Welfare-to-Work services to families with children who are deprived of support or care.
- Food Stamp Program – is a nutritional assistance program designed to help single people and families with little or no income to buy food.
- Medi-Cal Program – provides medical assistance and time limited financial assistance to persons who flee from their countries because of persecution.
- General Relief – provides loan assistance to indigent individuals and families in temporary need of housing food and transportation.
- Cash Aid Program – is a state only cash assistance program for specified aged, blind, or disabled legal immigrants.
- Child Care Program – provide childcare payments to providers on behalf of CalWorks recipients in approved work or trained programs.
- Foster Care Program – provides financial assistance for children in need of substitute parenting who have been removed from the home by either the Department of Children’s Services or the Probation Department.
- Jobs and Employment Services Department (JESD) – combined the former Greater Avenues to Independence (GAIN) and Job Training Partnership Act (JTPA) programs into one comprehensive program to help people help themselves.
- Community Action Partnership – Provides Energy conservation, Family Development, Food Bank, Senior Nutrition, Food Stamp Employment and Training, Inland Empire Individual Development Accounts, and the homeless coalition programs.

The Town continues to cooperate with housing developers who submit applications for credits under the California Tax Credit Allocation Committee in conjunction with proposed affordable housing projects.

The Development Advisory Board, consisting of representatives from Building and Safety, Engineering, Planning, Public Services, Economic Development/Housing, Fire District, local water purveyors, provides free technical assistance to developers/contractors that include affordable housing projects and assisted living care facilities. This service is provided at no charge and enhances the Town's ability to coordinate and streamline entitlement processing.

During program 2007, the Town coordinated with the City of Victorville to host a region-wide consultation workshop to discuss a variety of community development and housing related issues. San Bernardino County and Victor Valley jurisdictions as well as local providers were invited to discuss and share information regarding region-wide issues.

F. LEVERAGING RESOURCES

Redevelopment agency tax increments, including 20% set-asides, are traditionally used to leverage additional resources in the areas of community, economic and housing development. In fiscal year 2007-2008, the Town issued a bond from 20% set-asides in the amount of \$4.2 million for the development of new construction and housing. As tax increment flow continues to improve in subsequent years, the redevelopment agency will be committed to continue expending a portion of its increment to address the priorities established in the Strategic Plan.

In addition, \$32,500 of housing set-aside was allocated to repay the awarded loan from Housing Enabled by Local Partnerships Program (HELP). This program provided down payment assistance in the form of a 0% deferred loan to low- and very low- income home buyers purchasing a home in Apple Valley. Loan funds were used for down payment and/or closing costs associated with obtaining a first mortgage with a fixed-rate, fully amortized thirty-year loan for home purchase.

Over \$1.1 Million was spent in Gas Tax and of that \$300,000 was expended throughout the CDBG Target Areas in FY 2007-2008.

Code Enforcement managed 1,278 cases during this fiscal year with an expenditure of \$43,353 for miscellaneous clean-up, graffiti abatement, and blight removal, 76 Cases went to abatement warrants for a total of \$50,257.49, and total cases that had expenditures were 1,354 for a total of \$93,611.45. The POP Code Enforcement Program completed 524 investigations this year and expended approximately \$16,618. The program partners a code enforcement officer with a police officer to identify and enforce health, safety and code violations. As the community continues to grow, the number of graffiti abatements required and costs also continue to increase.

G. CITIZEN COMMENTS

A fifteen (15) day public comment period was opened on September 12, 2008, for review of the 2007-2008 CAPER. A public notice was published in the Apple Valley News. The notices indicated the commencement and ending dates of the fifteen (15) day review period. During the review period there were no comments received.

H. SELF-EVALUATION

CDBG accomplishments and performance have been met and continue as proposed. As of year end, 11 out of the 12 First-Year Action Plan projects have been completed: **San Bernardino County Library/Literacy**

Program, Victor Valley Domestic Violence, High Desert Homeless Services, High Desert Domestic Violence, Assistance League of Victor Valley (Operation School Bell), Landlord/Tenant Mediation Services, Fair Housing Services, San Bernardino Sexual Assault Services, High Desert Resource Network, One 2 One Mentors, Mojave Deaf Services and Catholic Charities. Actual accomplishments for most aforementioned projects have exceeded original projections.

All CDBG funds were allocated toward activities that assisted in meeting all the three national objectives as required by HUD; providing decent housing, creating a suitable living environment, and expanding economic opportunities.

We continue to work on HOME accomplishments and although we have made significant progress, no projects were 100% complete at year end.

HOME funds were allocated toward activities that provide decent affordable housing to lower-income households; expand the capacity of nonprofit housing providers; strengthen the ability of state and local governments to provide housing; and leverage private-sector participation.

Overall, Apple Valley has successfully implemented activities and met the priorities identified in the First- Year Action Plan. In subsequent years, the Town will endeavor to continue addressing a balanced set of priorities.

ESG, HOPE, HOPWA Narrative Statement

Apple Valley does not currently receive any ESG, HOPE or HOPWA funds and although local tax increment funds are slowly increasing, the primary source of financing used to address the priorities, needs, goals, and specific objectives identified in the Consolidated Plan are CDBG entitlement funds and HOME Consortia funds.

IDIS Technical Difficulties

Apple Valley encountered difficulties in IDIS due to the need to account for Gap as it relates to the HOME Consortium. The system does not support the means to track Gap and as a result staff experienced difficulty in funding HOME activities and ensuring the proper allocation of CHDO funds since the formation of the Consortium in 2004. Pursuant to our discussion with HUD representatives on August 28, 2008, current and future gap funds are no longer required. HUD representatives have also assisted staff in resolving IDIS issues.

1. Most projects were fully expended and closed out; however, final reimbursement draws occurred in August or September 2008.

SECTION 2 – CDBG NARRATIVES

A. RELATIONSHIP OF USE OF CDBG FUNDS TO PRIORITIES, NEEDS AND GOALS

The primary objective of the of the Community Development Block Grant Program (CDBG) is the development of viable urban communities, including decent housing, a suitable living environment and expanding economic opportunities, principally for persons of low and moderate-income. Accordingly, the Town of Apple Valley developed its Consolidated Plan and 2007-2008 Annual Action Plan giving priority to meeting housing and non-housing community development activities.

1. Housing Activities

The following table describes the housing activities and accomplishments that assess the relationship of the use of CDBG funds to the priorities as described in the Town's 2007-2008 Annual Action Plan.

Activity	Priority Need	Allocation	Expended	Objective	Accomplishment	Comment
Residential Rehabilitation Loan Program (RRLP)	H	\$0.00	\$432,511	5	21 (households)	Met Goal / Underway

2. Non-Housing Community Development Activities

The Town successfully provided non-housing community development activities, expending over \$192,696.61 in CDBG funding for both private non-profit organization and Town projects improving the quality of life for approximately 1,332 persons of extremely low, low, and moderate-income levels. While a couple of these activities fell short of their objectives, the majority of them exceeded their objectives and others performed at a satisfactory level.

3. Economic Development/Opportunity

The Economic Development Department/Redevelopment Agency (RDA) is responsible for carrying out the function of promoting and implementing economic development for the Town of Apple Valley. With a comprehensive program that encompasses the three distinct markets of economic development (commercial, industrial and residential development) the RDA provides enhancement and preservation to the quality of life for Town residents by creating/retaining jobs and developing affordable housing.

The following is a summary of economic development activity in the Town of Apple Valley during the 2007-2008 fiscal year:

Residential Construction - Throughout the community 62 single family units were newly constructed during fiscal year 2007-2008. Staff anticipates that the construction number will decline into the 2008-2009 fiscal year.

Commercial/Industrial Construction - During fiscal year 2007-2008, there were 26 building permits issued for commercial, industrial and office/professional new construction within the Town. The total value associated with the permits was \$9,014,641.

B. EFFORTS TO CARRY OUT PLANNED ACTIONS

The Town is in the process of reviewing the progress of previous year's activities and if it is determined that the activity cannot be completed, the funds will be reprogrammed. IDIS reports are attached to provide a complete expenditure history of activities that may have been allocated funds in current and previous program years, however, some of the activities funded in previous program years remain underway, or the activity was completed and an unused balance remains.

The table below identifies CDBG/HOME activities that were allocated funds in previous program years that remain underway and/or were completed, and the amounts of funds drawn down during program year 2007-2008.

Project Name	Program Year	IDIS Activity Number	Allocated	Balance	Expended 2007-2008	Status

C. THREE NATIONAL OBJECTIVES

During the 2007-2008 fiscal year, the Town used its CDBG funds to meet the three national objectives and the Town met the overall benefit requirement for activities completed.

D. REHABILITATION ACTIVITIES FOR OCCUPIED REAL PROPERTY

The Town did not acquire, rehabilitate, or demolish any occupied real property with CDBG or HOME funds during the 2007-2008 fiscal year.

E. ECONOMIC DEVELOPMENT

CDBG funds were allocated for the Dakota/Altadena Roads Project to pave 1.25 miles of a well-traveled dirt road. This project will increase circulation and provide an incentive for economic development in the Industrial Specific Plan area and assist in creating new jobs. Future low/mod job creation will be tracked and reported accordingly.

F. LIMITED CLIENTELE

All CDBG funded public service activities undertaken during the 2007-2008 program year served a clientele within one of the categories of presumed limited clientele or low and moderate-income benefit. All beneficiaries served under the low and moderate-income benefit were qualified by completing a Beneficiary Qualification Statement.

Other CDBG funded activities were located in low-income target areas based on the 1990 Census data where 51% of the residents of the area are low and moderate-income allowing for the low/moderate area national objective.

The table below identifies the CDBG activities, allocation, national objective, and geographic location for program year 2007-2008 demonstrating the nature and location of all activities benefit low and moderate-income persons.

G. PROGRAM INCOME

The Town received approximately \$3,402 of CDBG program income during fiscal year 2007-2008.

H. NEIGHBORHOOD REVITALIZATION STRATEGIES

The Town does not implement any HUD-approved neighborhood revitalization strategies.

SECTION 3 – HOME NARRATIVES

A. RELATIONSHIP OF USE OF HOME FUNDS TO PRIORITIES, NEEDS AND GOALS

The primary objective of the Home Investment Partnerships Program (HOME) is to expand the affordable housing opportunities for persons of low- and moderate income. Based on the priorities developed in our action plans, the HOME Consortium allocated funds based on each of our communities' needs. Accordingly, the Town of Apple Valley developed its Consolidated Plan and 2007-2008 Annual Action Plan giving priority to meeting housing activities.

1. Housing Activities

The following table describes the housing activities and accomplishments that assess the relationship of the use of HOME funds to the priorities as described in the Town's 2007-2008 Annual Action Plan.

The table below identifies HOME activities that were allocated in this program year.

Project Name	Program Year	IDIS Activity Number	Allocated	Balance	Expended 2007008	Status
Downpayment Assistance Program (DAP)	2007	234	\$294,124	\$4,739.20	\$289,387.80	Underway
Senior Home Repair	2007	232	\$268,376	\$137,567.24	\$130,808.76	Underway
Community Development Housing Organization (CHDO)	2007	229	\$112,500	\$112,500	\$0	Committed /Underway
HOME Administration AV	2007	221	\$53,100	\$53,100	\$0	Underway
HOME Administration VV	2007	230	\$21,900	\$21,900	\$0	Underway
HOME Grant			\$647,048			
HOME Gap	2007		\$102,952			Committed
HOME + Gap			\$750,000			

1. Analysis of HOME Distribution

Preservation of the existing housing stock (Priority #1) and expanding the supply of affordable housing (Priority #2) are the top two housing priorities this fiscal year and as such the Apple Valley HOME Consortium distributed HOME funds as follows:

- Apple Valley Downpayment Assistance Program (DAP)
 Residential Rehabilitation Loan Program (RRLP)
- Victorville: Mortgage Assistance Program (MAP)
 Senior Home Repair Program (SHRP)

The Town addressed the goal to preserve the existing housing stock (**Priority # 1**) through the Residential Rehabilitation Loan Program (RRLP), using HOME and CDBG funds to provide assistance to low-income homeowners to address health, safety, code and incipient repairs.

The Downpayment Assistance Program (DAP) addresses the goal to expand the Supply of Affordable Housing (**Priority # 2**). HOME funds in the amount of \$294,124 were allocated for this activity providing loans of up to \$65,000 to low-income first-time homebuyers.

The following HOME activities were funded with Gap:

Project Name	Program Year	IDIS Activity Number	Allocated	Gap Funds
Senior Home Repair	2005	167	\$100,000	\$34,401.81
HOME Administration Victorville	2005	162	\$21,975	\$21,740.19
HOME Administration Victorville	2006	242	\$21,975	\$21,975
Senior HOME Repair	2006	236	\$100,000	\$69,437.76
Mortgage Assistance Program	2006		\$224,260	\$8,127.24
Downpayment Assistance Program (DAP)	2007	234	\$294,124	\$87,509.20
Community Development Housing Organization (CHDO)	2007	229	\$112,500	\$15,442.80

2. Match Contribution (HUD Form 40107 A)

Although the Apple Valley HOME Consortium did not have a match requirement this fiscal year, a Match Report tracking the use of gap funds has been prepared and is attached as HUD Form 40107A.

3. Report on MBEs/WBEs (HUD Form 40107 A)

The report was prepared for this fiscal year; however, there were no contracts or subcontracts with Minority Business Enterprises or Women’s business Enterprises. The HUD Form 40107 report is attached.

4. On-site Inspections of Rental Housing

The HOME Consortium did not develop or rehabilitate any affordable rental housing to date. However, upon creation of any program developed to assist affordable rental housing, affirmative marketing action will be used to ensure that there is outreach to minority and women owned business.

5. CHDO Certification

The Consortium maintains a list of certified HOME CHDO's that are currently seeking sites for proposed projects and is currently under contract with Victor Valley Domestic Violence for the rehabilitation of transitional units and with Housing Partners I, Inc. to develop a senior housing project.

SECTION 4 – CITIZEN PARTICIPATION

A. CITIZEN PARTICIPATION

Town of Apple Valley conducted its Public Participation process in a timely manner and in full compliance with HUD requirements pursuant to Section 104 (a)(3) of the Housing and Community Development Act of 1974 as well as the regulations under 24 CFR Part 91, Subpart B, for the purpose of developing the Consolidated Plan.

The Town followed the requirements for citizen review and comments under the Consolidated Submission for Community Planning and Development Programs Final Rule. Citizens were given an opportunity to comment on the performance report for a fifteen (15) day period before the CAPER was submitted to HUD.

The Consolidated Annual Performance and Evaluation Report (CAPER) were made available to citizens during a fifteen (15) day comment period beginning September 12, 2008, through September 29, 2008.

The CAPER was available for public review at Town Hall located at 14955 Dale Evans Parkway. The CAPER was also posted on the Town's website, San Bernardino County Library Apple Valley Branch and Apple Valley Police Department.

CONSOLIDATED PLAN
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER)**

NOTICE IS HEREBY GIVEN that the Consolidated Annual Performance and Evaluation Report covering the 2007-2008 (July 1, 2007 - June 30, 2008) Community Development Block Grant and HOME Investment Partnerships activities will be available for review and comment beginning September 12, 2008 and ending September 29, 2008.

BACKGROUND

FEDERAL GRANT PROGRAM DESCRIPTIONS

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

The Federal Housing and Community Development Act of 1974, as amended, provides Federal Community Development Block Grant funds for projects that promote the development of viable, urban communities by providing decent housing and suitable living environments and expanded economic activities, principally for persons of low- and moderate-income.

During the 2007 - 2008 fiscal year, the Town of Apple Valley qualified to receive Community Development Block Grant (CDBG) funds directly from the U.S. Department of Housing and Urban Development (HUD). In order to receive CDBG funds, the Town prepared the First-Year Action Plan, which was subsequently approved by HUD.

During the past fiscal year, the Town has carried out the following CDBG activities pursuant to the Action Plan: The Dakota Road Paving Project, Parenting classes, Sign Language/ Oral Interpreter Services, Fair Housing, Landlord/Tenant Mediation, Sexual Assault Services, Operation School Bell, High Desert Domestic Violence, Supporting Teens at Risk, Rent and Mortgage Emergency Assistance Program, Literacy Program, Victor Valley Domestic Violence, High Desert Resource Network and High Desert Homeless Services.

HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME)

HOME is authorized under Title II of the Cranston-Gonzales National Affordable Housing Act of 1990, as amended. HOME funds may be used to develop and support affordable rental housing and homeownership affordability through acquisition (including assistance to homebuyers), new construction, reconstruction or rehabilitation of non-luxury housing with suitable amenities; and to provide for the payment of operating expenses of community housing development organizations (CHDOs).

During the 2007 - 2008 fiscal year, the Apple Valley Consortium met the threshold for obtaining Home Investment Partnerships Program (HOME) entitlement status with the U.S. Department of Housing and Urban Development (HUD). The consortium identified the Town of Apple Valley as the lead agency and the City of Victorville as a participating jurisdiction. The successful formation resulted in an annual allocation of HOME funds to both communities.

During the past fiscal year, the Town of Apple Valley carried out the following HOME activities pursuant to the Action Plan: The Downpayment Assistance Program (DAP) and Community Housing Development Organization (CHDO) activities for Apple Valley residents.

During the past fiscal year, the City of Victorville carried out the following HOME activity pursuant to the Action Plan: The Senior Home Repair Program (SHRP).

ANNUAL PERFORMANCE REVIEW

At the end of September 2008, the Town is required to submit detailed reviews to HUD covering the past year's activities, accomplishments and expenditures. A draft copy of the fiscal year 2007 - 2008 Consolidated Annual Performance and Evaluation Report (CAPER) will be available for public review during the public comment period at the following locations:

- Town of Apple Valley Police Department 14931 Dale Evans Parkway
- S B County Library - Apple Valley Branch 14901 Dale Evans Parkway
- Town of Apple Valley Town Clerk's Office 14955 Dale Evans Parkway
- Town of Apple Valley Website www.applevalley.org

For a period of fifteen (15) days beginning on September 12, 2008 and ending on September 29, 2008 at 12:00 p.m., the public is invited to submit written comments on the 2007 - 2008 Consolidated Annual Performance and Evaluation Report (CAPER). Those individuals wishing to express their views on the CAPER may submit their written comments to Apple Valley Town Clerk, Town of Apple Valley, 14955 Dale Evans Parkway, Apple Valley, CA 92307. Written comments will be forwarded to HUD as part of the final Consolidated Annual Performance Review (CAPER). Comments received after 12:00 p.m. on September 29, 2008 will not be considered in the preparation of the final CAPER to HUD. Questions regarding the 2007 - 2008 CAPER may be directed to Cindy Amagrande, Housing & Community Development Specialist II at (760) 240-7000, Extension 7900.

OMB Approval No. 2506-0171
(exp. 8/31/2009)

Public reporting burden for this collection of information is estimated to average 2.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

This form is intended to collect numeric data to be aggregated nationally as a complement to data collected through the Cash and Management Information (C/M) System. Participants should enter the reporting period in the first block. The reporting period is October 1 to September 30. Instructions are included for each section if further explanation is needed.

Submit this form on or before December 31. Send one copy to the appropriate HUD Field Office and one copy to: HOME Program, Rm 7176, 451 7th Street, S.W., Washington D.C. 20410	This report is for period (mm/dd/yyyy) Starting 7/1/2007	Ending 6/30/08	Date Submitted (mm/dd/yyyy) 9/29/2008

Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low-and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

- Attempted to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located, or similar methods.
- Participated in a HUD program or other program which promotes the training or employment of Section 3 residents.
- Participated in a HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns.
- Coordinated with Youthbuild Programs administered in the metropolitan area in which the Section 3 covered project is located.
- Other; describe below.

Public reporting for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, Searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensure that employment and other economic opportunities generated by its housing and community development assistance programs as directed toward low- and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Privacy Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.
