From: Douglas Robertson, Town Manager

Submitted by: Sydnie Harris, Director of Finance
Finance Department

Budgeted Item: Yes No N/A

RECOMMENDED ACTION:

That the Town Council:

- A. Open Public Hearing;
- B. Close Public Hearing.
- C. Adopt Resolution No. 2020-05, confirming delinquent utility fees and costs against real property located in the Town, and directing that said assessments constitute a lien upon said properties;

SUMMARY:

Each year the Town initiates and records liens on real property for all delinquent utility fees as permitted in the Government Code. This report identifies all delinquent utility accounts and approves Resolution No. 2020-05 initiating and approving the winter lien process.

BACKGROUND:

The Government Code allows cities to collect delinquent rubbish collection and sewer fees by recording a lien against the real property and adding that amount to the property tax bill. The Town has identified the delinquent accounts as those listed in Exhibit A.

All of the billing parties and the property owners have received sufficient notification of the delinquency and have been notified of the Public Hearing to apply the delinquency to the property tax bill. For delinquent rubbish collection accounts, please see the flow chart

attached (Attachment 1) which illustrates how many times the delinquent rubbish collection billing parties and property owners have been notified. The correspondence also offers an opportunity to make corrections. A sample of one of the letters is also attached (Attachment 2).

In addition to the notices and this Public Hearing, Town Finance staff allows billing parties and property owners until Thursday, February 20, 2020, to pay the delinquency before the lien is processed.

FISCAL IMPACT:

None.
