### RECOMMENDED ACTION

- A. That the Town Council review and approve the bid documents for the Jess Ranch Parkway at Marketplace Drive Signal Modification - Project No. 2020-01.
- B. That the Town Council authorize staff to solicit bids for construction of said project.

### BACKGROUND

The project was identified as a result of the Bear Valley Road Commercial Corridor Signal Study. Upon completion of the study, KOA Corporation was retained to provide engineering drawings for four priority intersections which, in turn, were broken out into multiple projects. The subject project will modify the existing signal at Jess Ranch Parkway and Marketplace Drive by installing protected left turn phasing in each direction.

### ANALYSIS

Bid documents for the Jess Ranch Parkway at Marketplace Drive Signal Modification Project have been prepared and are ready for approval and advertisement of bids. Staff has reviewed the documents and is satisfied that they meet the intent of the Town Council for this project. The documents are available to the Town Council for review, approval, and authorization to proceed with advertisement of the project. Staff recommends that the Town Council review bid documents that are available in the Town Council Office, approve the documents, and direct staff to proceed with advertising for construction of the project.

## **FISCAL IMPACT**

Funding for this project has been appropriated in the adopted FY 2019-2020 budget. There is no immediate impact for advertising this project.
