MEASURE I CAPITAL IMPROVEMENT PLAN EXPENDITURE STRATEGY

Fiscal Year 2020/2021 – Fiscal Year 2024/2025

Measure I Local Pass-Through Funds will be used by the Town of Apple Valley for a variety of transportation related projects, including adding capacity to our regional arterial system, reconstruction, and regular and periodic maintenance of existing roadways. These Measure I funds allocated for the Town's local street program (68%) are allocated with a minimum of 50% of the funds expended on these roads identified specifically on our plan (categorical). For those roads specifically identified within the plan, some require that the Town accumulate Measure I revenue for such large projects. The balance of these funds, up to 50% of the total fund are identified for reconstruction and regular maintenance chosen based on the Town's priority within the Town's Pavement Management Program (non-categorical).
