CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

This 2019-2020 Consolidated Annual Performance and Evaluation Report (CAPER) is the Town of Apple Valley's report to the U.S. Department of Housing and Urban Development (HUD) describing the use of federal Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) funds during the third program year of the 2017-2021 Consolidated Plan period, covering July 1, 2019 to June 30, 2020. HOME funds received are funds awarded to the Consortium between the Town of Apple Valley (Town) and the City of Victorville (City) in which the Town is identified as the lead agency.

The Town receives CDBG and HOME funds from HUD on a formula basis each year, and in turn, implements projects and awards grants and loans to nonprofits, for-profits or public organizations for projects in furtherance of the adopted Consolidated Plan. The CDBG and HOME programs generally provide for a wide range of eligible activities for the benefit of low- and moderate-income Town and City residents.

During the 2019-2020 program year, the Town received \$625,395 of CDBG funds and \$721,434 in HOME funds. The investment of CDBG and HOME funds was a catalyst for positive change in the community. Together with other federal, state and local investments, HUD resources allowed the Town and its partners to:

- Provide Suitable Living Environments to residents by:
 - Providing clothing kits to a total of 407 unduplicated youths.
 - Providing shelter and shelter services to a total of 210 unduplicated residents.
 - Providing shelter and transitional shelter services to a total of 12 unduplicated residents suffering or fleeing from domestic violence.
 - Providing physical fitness to promote healthy living, youth obesity prevention and nutritional guidance to 21 unduplicated youths.
 - Providing assisted living tools/devices to 30 unduplicated disabled adults.
 - Providing food baskets to 560 unduplicated residents.
 - Providing minor home repairs related to health and safety issues for a total of 91 unduplicated seniors and/or disabled adults.
 - Addressing a total of 2,310 code enforcement cases to address health and safety concerns.
 - Beginning the design portion of the Mendel Park Restroom Project which is anticipated to be completed during the fourth quarter of the 2020-2021 program year.
 - Beginning the design portion of the James Woody Park Security Cameras Project which is anticipated to be completed during the third quarter of the 2020-2021 program year.

- Beginning the implementation of the Emergency Rental Assistance (ERA) Program which is anticipated to assist approximately 35 unduplicated families who have been affected by COVID-19.
- Providing Affordable Housing assistance to residents by:
 - Providing a total of five (5) owner occupied eligible households with financial assistance to rehabilitate their single-family residence under the Town's Residential Rehabilitation Program (RRP).
- Further Fair Housing Objectives in Consortia by providing fair housing services to a total of 26 unduplicated residents.

Table 1 provides a summary of the five-year and third-year accomplishments for the period ending June 30, 2020, arranged by each of the Strategic Plan Goals included in the 2017-2021 Strategic Plan of the Consolidated Plan.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

During the program year, the Town and its housing and community development partners made progress on several 2019-2020 activities as well as some multi-year activities that continued during the program year. All CDBG funded activities addressed specific high priority objectives identified in the 2017-2021 Consolidated Plan.

The nine (9) CDBG-funded Public Service activities served approximately 1,357 residents throughout the program year. These services included, but were not limited to, fair housing services, homeless shelter, domestic violence services, senior/disabled adult services, youth services and other public services. In addition, the Town was able to assist a total of five (5) housing rehabilitation activities being completed.

A majority of CDBG and HOME funds were allocated to Community Development housing programs, more specifically RRP activities to benefit low- and moderate-income residents and provide housing preservation that directly supports affordable housing. Through the combination of CDBG and HOME funds, the Town was able to provide housing rehabilitation assistance to a total of five (5) households.

(Data not available for Code Enforcement activity)

Narrative

Table 2 provides an aggregate of race and ethnicity data for persons and households served during the program year based on accomplishment data from all CDBG and HOME activities reported in HUD’s Integrated Disbursement and Information System (IDIS). For more detailed demographic information by project or activity for CDBG, refer to report PR-03 in **Appendix C**.

Based on the information in **Table 2**, a diverse array of persons and households benefitted from CDBG and HOME funded housing, public facilities and public service activities during the program year.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

CDBG	CDBG	\$676,091	\$424,080
HOME	HOME	\$807,222	\$0

Table 3 - Resources Made Available

Narrative

The federal, state, local and private resources available for the implementation of projects during the 2019-2020 program year are identified in **Table 3**. The CDBG resources include \$625,395 of formula grant funds and \$50,696 in program income. The HOME resources include \$721,434 of formula grant funds and \$85,788 in program income to be allocated to projects in the 2019-2020 Action Plan.

Townwide	80%	44%	Administration, Public Service, Code Enforcement, ERA and RRP
CDBG Eligible Areas	20%	0%	James Woody Park Irrigation Replacement Project

Table 4 – Identify the geographic distribution and location of investments

Narrative

For the 2019-2020 program year, the Town allocated \$125,000 of 2019-2020 CDBG funds (to project allocation of \$200,000 includes prior year funds) to the James Woody Park Irrigation Replacement project designed to benefit the Low-and Moderate-Income Areas, representing 20 percent of the Town’s total CDBG investment for the 2019-2020 program year. Due to its focus on other projects, primarily prior year funded projects such as the Mendel Park Restroom Project and the James Woody Park Security Cameras Project, the Town did not commence work on the James Woody Park Irrigation Replacement Project during the 2019-2020 program year but plans to do so during the 2020-2021 program year.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

To address housing and community development needs, the Town leverages its CDBG and HOME entitlement grants with a variety of funding resources in order to maximize the effectiveness of available funds such as appropriate state, local and private resources.

The Town and its subrecipients were able to leverage CDBG and HOME funds to address identified needs in the plan. The Town, as part of a Consortium, has been identified by HUD as a fiscally distressed jurisdiction and has been granted a 100-percent match reduction for the 2019-2020 program year.

Other examples of funds that were leveraged but difficult to account include but are not limited to those listed below:

Federal Resources

- Continuum of Care (CoC) Program
- HUD Veterans Affairs supportive Housing (HUD-VASH)
- Supportive Housing for the Elderly (Section 202)
- Supportive Housing for Persons with Disabilities (Section 811)
- Housing Opportunities for Persons with AIDS (HOPWA)
- Youthbuild
- Federal Low-Income Housing Tax Credit Program
- Department of Transportation Grants
- Department of Energy Grants
- Federal Highway Administration

State Resources

- State Low-Income Housing Tax Credit Program
- Building Equity and Growth in Neighborhoods Program (BEGIN)
- CalHome Program
- Multifamily Housing Program (MHP)
- Housing Related Parks Grant
- CalHFA Single and Multi-Family Program

- Mental Health Service Act (MHSA) Funding
- Prop 47 – Board of State & Community Corrections
- Justice Assistance Grant (JAG) Program
- Homeless Emergency Aid Program (HEAP)

Local Resources

- San Bernardino County Homeless Partnership (SBCHP)
- Housing Authority of the County of San Bernardino (HACSB)
- Southern California Home Financing Authority (SCHFA) Funding
- San Bernardino County Continuum of Care Program
- General Fund

Private Resources

- Federal Home Loan Bank Affordable Housing Program (AHP)
- Community Reinvestment Act Programs
- United Way Funding
- Private Contributions

Matching Requirements

The HOME Program requires a 25-percent match based on funding expenditures. The HOME statute allows for a reduction of the match contribution requirement under three conditions: 1) Fiscal distress; 2) Severe fiscal distress; and 3) Presidentially declared major disasters covered under the Stafford Act. The Town, as part of a Consortium, has been identified by HUD as a fiscally distressed jurisdiction and has therefore been granted a 100-percent match reduction for the 2019-2020 program year.

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

In the 2019-2020 Action Plan adopted on May 14, 2019, and subsequently amended, the Town established a one-year goal of completing a total of 14 housing rehabilitations through its RRP. During the 2019-2020 program year, the Town successfully completed a total of five (5) housing rehabilitations.

Secondly, in an effort to assist persons and families affected by COVID-19, the Town prepared a Substantial Amendment in June 2020 to allocate funds to its Emergency Rental Assistance (ERA) Program. Since this activity was approved at the end the program year, the Town did not have the opportunity to implement the program within the 2019-2020 program year. For this reason, all accomplishments will be reported during the 2020-2021 program year.

Lastly, the Town established a one-year goal to complete the James Woody Park Irrigation Replacement Project designed to benefit the Low-and Moderate-Income Areas during the 2019-2020 program year. Due to its focus on other projects, the Town did not commence work on the project during the 2019-2020 program year but plans to do so during the 2020-2021 program year. However, as of June 30, 2020, the Mendel Park Restroom Project and James Woody Park Security Cameras Project (prior year projects) were in the final stages of the design portion of the projects with the anticipation of bidding the projects, commencing and completing construction during the 2020-2021 program year.

Discuss how these outcomes will impact future annual action plans.

The Town of Apple Valley successfully completed five (5) RRP, meeting 36% of its five-year goal for housing preservation. The Town will continue to work toward its five-year goals in housing preservation using CDBG and HOME funds. With the approval of the ERA Program, the Town looks forward to assisting approximately 35 households during the 2020-2021 program year. The Town will continue to work diligently on designing and completing its open capital improvement projects during the 2020-2021 program year.

During the preparation of this plan, the Town identified the need to fund activities that will drawdown funds in a timely manner and assist persons and families who have been affected by COVID-19. For this reason, the Town will be looking at programming additional funds to its existing RRP and newly proposed Microenterprise Assistance Program.

Lastly, the Town will continue to allocate HOME funds to its RRP and CHDO funded activities to help address the high need for housing preservation and to provide its residents with affordable housing opportunities.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	562	0
Low-income	758	0
Moderate-income	42	0
Non-Low-Moderate Income	0	0
Total	1,362	0

Table 13 – Number of Households Served
(Data not available for Code Enforcement activity)

Narrative Information

The 2017-2021 Consolidated Plan - Strategic Plan identified high priority affordable housing needs including transitional shelters; affordable housing for multi-family, single family, veterans; rehabilitation; owner occupied and rental; down payment assistance; code enforcement activity to improve neighborhood aesthetics and values; reduce overcrowding in occupied properties; considering establishing rent control for affordability; encouraging collaboration between public agencies, developers, investors and other stakeholders to develop a wide-range of housing development.

During the 2019-2020 program year, the Town invested CDBG and HOME funds in an effort to rehabilitate five (5) properties of which one (1) fell below 50% of the area median income (AMI) level under its CDBG and HOME RRP.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Preventing and ending homelessness is a HUD priority addressed nationally through coordination of regional strategies carried out locally by government agencies and a wide variety of community-based organizations and faith-based groups. Consistent with this approach, the Town supports the efforts of San Bernardino County Continuum of Care (CoC) and its member organizations that address homelessness throughout the County. In alignment with these strategies, the Town has allocated CDBG dollars to support local service providers, Family Assistance Program and High Desert Homeless Service, Inc., who provided shelter and shelter services to prevent homelessness and to preserve the supply of affordable housing for low- and moderate-income residents.

In 2019, the State of California enacted the Homeless Housing Assistance and Prevention Program (HHAP), which was a \$650 million block grant program to provide one-time grant funds to support regional coordination and expand or develop local capacity to move homeless individuals and families into permanent housing. The local recipient of these funds would be the local CoC and the County.

The State of California has approved a number of other grant programs directed at addressing homelessness. The No-Place-Like-Home (NPLH) Program will be awarding \$2 billion to counties to finance design, construction, rehabilitation, or preservation along with creating operating expenses for permanent supportive housing for persons experiencing homelessness. The State currently provides grants to counties through its Healthy California Program for permanent supportive housing for individuals who are recipients of or eligible for health care provided through the California Department of Health Care Services, Medi-Cal program.

The CoC completed the inventory of existing access centers in the County noting the locations of each access center. The CoC also conducts informational outreach presentations concerning homelessness in the County.

In 2014 the County Sheriff's Department created a specific unit to engage the homeless. The mission of the Homeless Outreach Proactive Enforcement (H.O.P.E.) program takes a pro-active approach intended to ultimately reduce calls for service and other resources currently required to address the homeless population. A community policing philosophy will be used to link the

homeless population with resources and service providers throughout the county. The goal of the program is to reduce the rate of recidivism, incarceration, and reduce the current costs associated to homeless related crime. This team interacts with many agencies within the Town and partners with organizations who are using their resources to reduce the number of chronically homeless individuals and families in the community.

According to the Homelessness Action Plan, A Multi-Jurisdictional Approach in San Bernardino County, adopted in September 2019, the CoC is in the process of implementing several regional strategies that will enhance local coordination to more effectively assist people in need. To more rapidly identify and assess people experiencing homelessness; the CoC has been working to create regional homeless access centers that will offer fully coordinated systems of outreach and will facilitate universal assessment, intake, referral and transportation to resources. Collectively these strategies will help minimize duplication of efforts and better connect the most vulnerable individuals and families, chronically homeless, and people at risk of becoming homeless to appropriate resources.

Addressing the emergency shelter and transitional housing needs of homeless persons

The ultimate solution to ending homelessness is transitional to permanent housing closely aligned with supportive services that ensure housing stability can be maintained. However, because the demand for affordable housing far outpaces the region's supply, the CoC continues to rely on its emergency and transitional housing system in order to address the immediate needs of County's homeless population.

The CoC is improving the efficacy of emergency shelters and the access system including their seasonal emergency shelters and the County's three (3) Cold Weather Shelter facilities, the closest being located in the City of San Bernardino and temporary warming shelter in the City of Victorville.

For transitional housing, the CoC recognizes a need to maintain a level of transitional housing for the target populations that benefit most from a staged approach to housing, such as mentally ill and chronically homeless individuals. While the CoC continues to support transitional housing in special circumstances, the CoC is currently examining ways to shorten stays in emergency shelters and transitional housing so that resources may be used for rapid rehousing or placement in permanent supportive housing.

In addition, the Town will continue to look at the use of CDBG and HOME funds for local homeless facilities, as funding needs are analyzed. The Town modified the zoning designations as a program in a previous cycle to include Single-Room Occupancy, Homeless Shelters and Transitional/Supportive Housing in Ordinance No. 405 adopted on April 27, 2010. In addition to this modification, the Town recently added the Village Commercial zone, in addition to the

Service Commercial zone, as zones that would allow homeless shelters with approval of a SUP in Ordinance No. 425 adopted on November 8, 2011.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

An individual or family is considered to be at-risk of becoming homeless if it experiences extreme difficulty maintaining their housing and has no reasonable alternatives for obtaining subsequent housing. Homelessness often results from a complex set of circumstances that require people to choose between food, shelter and other basic needs. Examples of common circumstances that can cause homelessness include eviction, loss of income, insufficient income, disability, increase in the cost of housing, discharge from an institution, irreparable damage or deterioration to housing, and fleeing from family violence.

The most effective and cost-efficient means to addressing homelessness is to prevent episodes of homelessness from occurring in the first place. The County's current CoC system encourages services aimed at reducing incidences of homelessness, including:

- Emergency Rental (Rapid Rehousing assistance) and Utility Assistance: Short-term financial assistance to prevent eviction and utility shut-off.
- Credit Counseling: Financial counseling and advocacy to assist households to repair credit history.
- Legal/Mediation Services: Tenant-landlord legal/mediation services to prevent eviction.
- Food Banks and Pantries: Direct provision of food, toiletries and other necessities.
- Transportation Assistance: Direct provision of bus vouchers and other forms of transportation assistance.
- Clothing Assistance: Direct provision of clothing for needy families and individuals.
- Prescription/Medical/Dental Services: Direct provision of prescription, medical and dental services.
- Workforce Development: Direct provision of job training services designed to develop and enhance employment skills, as well as to help clients secure and retain living wage jobs.
- Information & Referral Services: Direct provision of 24-hour/7-days-a-week call center services to provide health and human service information to at-risk populations.
- Recuperative care for homeless individuals who become ill or injured.

The Town will continue to work with and refer residents to the County's Department of Behavioral Health to ensure residents are provided the immediate attention and services they require in an effort to prevent homelessness and encourage self-sufficiency.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The Town participates in the County's CoC, which provides funding and a network of resources to address homelessness. The CoC provides emergency shelter, supportive services, transitional housing and permanent housing. Victorville, as part of the Consortia with the Town, commits staff to the CoC planning and implementation process, and provides the CoC Steering Committee critical information regarding the types of resources and programs the Consortia currently funds that assist the homeless.

Locally, the Town works with High Desert Homeless Services, Inc. (HDHS) and Family Assistance Program. These organizations are non-profit 501(c) (3) organizations, located in Victorville that have been assisting homeless persons or those individuals fleeing domestic violence in the Town for decades. The mission of these agencies is to assist residents of the Victor Valley and High Desert area of the County who are fleeing domestic violence, have been displaced from long-term housing due to natural disaster or loss of income, and to assist non-residents by providing short-term emergency shelter. During June 2020, the Town reallocated funds to its newly developed ERA Program which provides residents who have been affected by COVID-19 up to three (3) consecutive months' worth of rental and utility assistance (including security deposit) to help prevent homelessness within the community due to the recent pandemic.

Lastly, efforts are also underway at the regional level to shorten the period of time that individuals and families experience homelessness and to prevent individuals and families who were recently homeless from becoming homeless again. The 2-1-1 regularly works with public service agencies to analyze the resources and funding being used to operate transitional housing programs and consider how these resources could be used more in alignment with the best practices (i.e. rapid re-housing and permanent housing) for ending homelessness. Many transitional housing providers are working to End Homelessness, to evaluate strategies to lower program threshold requirements, and improve outcomes including shorter shelter stays and more rapid transitions to permanent housing. The County also encourages the importance of increasing the number of permanent supportive housing units within its jurisdiction and increase in rapid rehousing assistance which helps individuals and families quickly exit

homelessness to permanent housing without any preconditions for obtaining assistance (such as employment, income, absence of criminal record, or sobriety).

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The Town does not administer Section 8 vouchers and does not own HUD Public Housing units; however, the Town is within the service area of the Housing Authority of the County of San Bernardino (HACSB) for the purposes of Section 8 and Public Housing. The HACSB manages a total of 99 (2019 HACSB Annual Report) units of public housing which are owned and managed by the HACSB through its offices in Barstow, Chino, Colton, Redlands, San Bernardino and Upland.

To enhance the quality of HUD Public Housing units, HACSB continued to work towards converting existing HUD Public Housing units under HACSB's management and control to Section 8 units as part of HUD's Rental Assistance Demonstration (RAD) Program. By the end of 2019, HACSB had converted its entire original portfolio of public housing under RAD, with only the 98-unit Los Olivos development in Upland remaining to convert (*HACSB 2019 Annual Report*).

HACSB continues to maintain and expand the supply of affordable housing units in the Town and throughout the County through its partnerships with the State of California and San Bernardino County Department of Community Development and Housing.

In the fall of 2017, HACSB celebrated the grand opening of the Olive Meadow Affordable Housing Community, consisting of 62 high-quality affordable homes representing the first phase of the Arrowhead Grove Housing Community Revitalization Project (formerly the Waterman Gardens Affordable Housing Community Project). Construction commenced on the second on site phase of the Arrowhead Grove mixed-income housing development in October 2019 and is expected to be completed in late 2021. The Arrowhead Grove Housing Community Revitalization Project was awarded \$20 million in Affordable Housing and Sustainable Communities (AHSC) program funds, \$55 million in tax-exempt bond allocations and \$22.5 million in low-income tax credits. The new construction will provide 184 mixed-income family apartments comprised of 147 affordable one- to four-bedroom family units, 35 market-rate units and 2 units for property managers, (*HACSB 2018 & 2019 Annual Report*).

In mid-2020, HACSB is expected to commence renovations of converted housing units at Arrowhead Grove adjacent to the recently renovated Head Start Program site so that they can be used to provide additional supportive services to neighborhood residents (*HACSB 2019 Annual Report*).

By 2020, construction and occupancy of HACSB's first two permanent supportive housing developments for the chronically homeless, Golden Apartments in San Bernardino and Desert Town of Apple Valley

Haven Apartments in Victorville, are slated to be completed. The 21 two-story, two-bedroom apartments at Golden Apartments will be converted into 37 one-bedroom flats for the chronically homeless. Similarly, the 61 rooms at Desert Haven will be converted to 24 one-bedroom apartments and seven studio units for the chronically homeless. Both developments will utilize the Housing First approach to help residents become self-sufficient, (*HACSB 2018 & 2019 Annual Report*).

HACSB has made formal commitments to assist both the Related Companies and AMCAL Multi-Housing Inc., with project-based vouchers to support the construction of 55 affordable family units in Rialto and 112 affordable family units in Colton, respectively. Both developers were expected to apply for low-income housing tax credits in early 2020 (*HACSB 2019 Annual Report*).

HACSB and affiliate nonprofit Housing Partners I, Inc. continue to work with ONXY Architects to complete construction documents by early 2020 to implement the 104-unit second phase of affordable family units at Valencia Grove site in Redlands. Funding permitted, this project is expected to be under construction in 2020, (*HACSB 2019 Annual Report*).

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

HACSB encourages residents to be actively involved in the community and in the management of public housing developments through resident councils and numerous opportunities for feedback such as community meetings and surveys. HACSB and the Town also actively encourage and promote public housing residents to explore homeownership opportunities and programs through HACSB's Homeownership Assistance Program (HAP) targeted at current residents. HACSB also encourages and supports residents in participating in homebuyer counseling programs and recommends residents use the family self-sufficiency escrow account to save money towards homeownership. Under the Family Self-Sufficiency (FSS) Program, participants develop a five-year training and service plan that outlines the steps to become employed, increase their earnings, and become independent of government assistance. Upon graduation of the FSS Program, graduates are allowed to use the escrow account funds towards homeownership (*HACSB 2018 Annual Report*).

Under the Housing Authority's HAP program, families are provided mortgage assistance for up to 15 years for working families and up to 30 years for disabled families. A total of 248 families have become homeowners through the program since 2000 (*HACSB 2019 Annual Report*).

In addition, the Town also provides a number of resources on services for foreclosure prevention and counseling.

Actions taken to provide assistance to troubled PHAs

Not applicable. HACSB is considered a High Performing PHA.

Discussion

HACSB is well-positioned to maintain and expand the supply of affordable housing units in the Town and throughout the County through its partnerships with the State of California, San Bernardino County Department of Community Development and Housing, the Town, and other cities throughout the county.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The State of California requires the Town, through its Housing Element, to provide an analysis of potential and actual governmental constraints (public policy) upon the maintenance, improvement, or development of housing for all income levels and for persons with disabilities, including land use controls, building codes and their enforcement, site improvements, fees and other exactions required of developers, and local processing and permit procedures. Based on the review of the Town's most recent Housing Elements, the Town does not have any negative effects of public policies on affordable housing and residential investment.

State law requires that the Housing Element be updated every four (4) to eight (8) years. The Housing Element, upon each update, is reviewed by the California Department of Housing and Community Development (HCD) for consistency with state law. Since the update of the Town's Housing Element is due during the implementation of this Five-Year Consolidated Plan, the Town will include in its Annual Action Plan any update of any negative effects of public policies on affordable housing and residential investment.

The Town has prepared the following strategy to remove or ameliorate barriers to affordable housing:

- By 2021, in line with the Town's Housing Element goals, the Town will continue to implement a comprehensive strategy to accommodate the Town's estimated Regional Housing Need Allocation (RHNA) of over 3,000 dwelling units.
- Maintain the Down Payment Assistance and Residential Rehabilitation Programs as a tool to increase affordable homeownership opportunities for low and moderate-income persons. By FYE 2022, the Town through its Consortia with the City of Victorville shall preserve and expand its affordable housing in low income neighborhoods by assisting at least 50 low and moderate-income households.
- The Town's Land Use Element includes several residential land use densities. As governed by Measure N, single family home lots are allowed at densities ranging from over 5 acres to 2 per acre. The Land Use Element also includes the Medium Density Residential land use designation, which allows 4 to 20 units per acre; and a new designation created with the General Plan Update of 2009, Mixed Use, which allows densities of 4 to 30 units per acre. The Mixed-Use designation also requires that both

commercial and residential components be integrated into all proposed projects in the designation, thereby assuring that higher density residential development will occur within commercial projects. This land use designation has been applied primarily along major transportation and employment corridors, including Bear Valley Road, Highway 18, and Dale Evans Parkway.

- The Town works with local agencies and organizations in providing shelter and transitional housing for the homeless. The Town's efforts will continue to look at the use of CDBG and HOME funds for local homeless facilities, as funding needs are analyzed. The Town modified the zoning designations as a program for the previous cycle to include Single-Room Occupancy, Homeless Shelters and Transitional/Supportive Housing in Ordinance No. 405 adopted on April 27, 2010. In addition to this modification, the Town recently added the Village Commercial zone, in addition to the Service Commercial zone, as zones that would allow homeless shelters with approval of a SUP in Ordinance No. 425 adopted on November 8, 2011.
- By FYE 2022, identify target populations for various housing programs, i.e. senior, disabled, veterans, large families, etc.
- Prohibit practices that arbitrarily direct buyers and renters to certain neighborhoods or types of housing.
- By FYE 2022, increase the production of fair housing literature and information at town hall, libraries, senior centers, and local places of worship to inform both landlords and tenants of their rights and responsibilities by hosting at the minimum two (2) fair housing educational workshops during each fiscal year. The information shall direct landlords and tenants to the San Bernardino Housing Authority and Inland Fair Housing and Mediation Board (IFHMB), which have an established dispute resolution program.
- Each agency will maintain a brochure which describes the improvements eligible for each respective Residential Rehabilitation Program, including energy conservation measures, and shall distribute the brochure at community locations where they can be available to the community at large.
- By 2021, in line with the Town's Housing Element goals, the Town will promote development and financing of senior housing through density bonuses, reduced parking requirements, and other development incentives. Development of housing projects for the elderly, low and moderate-income housing shall be expedited. All fees shall be waived for shelters and transitional housing projects.

- By the end of 2022, increase the availability or production of transitional shelters or projects, affordable housing for multi-family, single family, veterans and disabled persons through funding non-profit service providers and organizations.
- Expedite development of housing projects for the elderly, low and moderate-income persons. All fees shall be waived for shelters and transitional housing projects.
- Continue to promote the removal of architectural barriers to provide barrier-free housing for handicapped or disabled persons. Enforce the handicapped accessibility requirements of Federal fair housing law that apply.
- As projects are reviewed by staff, distribution of Low/Mod housing shall be promoted to blend in with the existing residential neighborhoods and shall not be concentrated in any single area of the Town or City. Anticipated Impact: Integration of all income
- To preserve and expand opportunities and special needs services to integrate all persons of a protected class within the community.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

A major obstacle for the Town in meeting underserved needs is the lack of adequate financial resources to meet the growing needs of low and moderate-income persons. To address this obstacle, the Town invested CDBG and HOME funds through the 2019-2020 Action Plan in projects that provide financial assistance to low- and moderate-income homeowners for home improvements, projects that provide public and neighborhood services to low- and moderate-income people and those with special needs, and programs that prevent homelessness. To address underserved needs, the Town allocated 100 percent of its non-administrative CDBG percent of its investments for program year 2019-2020 to projects and activities that benefit low- and moderate-income people.

The Town will continue to expand its housing programs to meet the growing need for affordable housing. In addition, the Town will continue to use CDBG funding to support public service agencies that address the special needs of the underserved, including the homeless, the potential homeless, the youth, seniors, female-headed families, victims of domestic violence, and the disabled. The Town is also proactively seeking additional resources to meet the underserved needs including funds from the State of California under their Permanent Local Housing Allocation (PLHA).

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The Residential Lead Based Paint Hazard Reduction Act of 1992 (Title X) emphasizes prevention of childhood lead poisoning through housing-based approaches. This strategy requires the Town to implement programs that protect children living in older housing from lead hazards. In addition, the County administers the Childhood Lead Poisoning Prevention Program (CLPPP) that seeks to eliminate childhood lead-based paint (LBP) poisoning by caring for lead-poisoned children and identifying and eliminating sources of lead exposure. Services provided include educating the community to increase awareness of potential danger of children's exposure to lead, environmental screenings, public health nurse case management and monitoring child health providers to ensure lead testing in high risk children. In addition, the CLPPP maintains an electronic surveillance system that enables collection, analysis and dissemination of information about childhood lead poisoning. Laboratory, case management and environmental data are collected which provide the basis for case and exposure source evaluation and summary statistics.

Types of housing not covered include: a) housing built after January 1, 1978, when LBP was banned for residential use; b) housing exclusively for seniors or people with disabilities, unless a child under age six (6) is expected to reside there; c) zero-bedroom dwellings, including efficiency apartments, single-room occupancy housing, dormitories or military barracks; d) property that has been found to be free of LBP by a certified ILBP inspector; e) property where all LBP has been removed; f) unoccupied housing that will remain vacant until it is demolished; g) non-residential property; h) any rehabilitation or housing improvement that does not disturb a painted surface; and, i) emergency homeless assistance, unless the assistance lasts more than 100 days, in which case the rule does apply.

The Town's RRP states that properties constructed prior to 1978 may require a LBP testing. LBP notification and information will be given to occupants. All properties will be inspected for defective paint surfaces and if test results show defective paint surfaces found, the homeowner will be required to properly abate such surfaces. Abatement of such hazards are eligible under the Town's RRP.

The Town will continue to maintain policies and procedures to increase access to housing without LBP hazards. Funding is not provided until it is determined properties are free of LBP hazards. Types of properties covered include: a) federally-owned housing being sold; b) housing receiving a federal subsidy that is associated with the property, rather than with the occupants (project based assistance); c) public housing; d) housing occupied by a family (with a child) receiving a tenant-based subsidy (such as a voucher or certificate); e) multifamily housing for which mortgage insurance is being sought; and, f) housing receiving federal assistance for rehabilitation, reducing homelessness, and other special needs.

To reduce LBP hazards, the Town takes the following actions:

- Include lead testing and abatement procedures, if necessary, in all residential rehabilitation activities for units built prior to January 1, 1978.
- Monitor the lead-poisoning data maintained by the San Bernardino County Department of Public Health (SBDPS).
- Educate residents on the health hazards of LBP through brochures and encourage screening children for elevated blood-lead levels.
- Disseminate brochures about lead hazards through organizations such as IFHMB and the Town's RRP.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The Town's anti-poverty strategy utilizes existing County job training and social service programs to increase employment marketability, household income, and housing options. Below are the Goals, Programs and Policies for reducing the number of Poverty-Level Families within the Town and Consortia:

Goal: To reduce poverty level percentage below 2013 levels by the end of 2021.

Policy #1: To continue to support and coordinate with public and private efforts aimed at preventing and reducing poverty level incomes.

Policy #2: To conduct outreach with public and private agencies whose mission is to reduce poverty level incomes.

Program: The Consortia will implement the above policies by increasing job opportunity through education and job training programs; collaborating with state, county and local agencies that offer trade skills training and basic job search techniques; encouraging local education facilities to offer education and training that will lead to employment opportunities in the community; and supporting job creation through business-friendly policies and practices.

In addition to these local efforts, mainstream state and federal resources also contribute to reducing the number of individuals and families in poverty. Federal programs such as the Earned Income Tax Credit and Head Start provide a pathway out of poverty for families who are ready to pursue employment and educational opportunities. Additionally, in California, the primary programs that assist families in poverty are CalWORKs, CalFresh (formerly food stamps) and Medi-Cal. Together, these programs provide individuals and families with employment assistance, subsidy for food, medical care, childcare and cash payments to meet basic needs such as housing, nutrition and transportation. Other services are available to assist persons suffering from substance abuse, domestic violence and mental illness.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The institutional delivery system in the Town is high-functioning and collaborative—particularly the relationship between local government and the nonprofit sector comprised of a network of capable non-profit organizations that are delivering a full range of services to residents. Strong Town departments anchor the administration of HUD grant programs and the housing and community activities that are implemented in the Town. Listed below are specific actions that the Town and Consortia plan to take to develop institutional structure:

- The Town will continue to foster and maintain relationships with other agencies to establish an institutional structure that maximizes its resources. The Town’s institutional structure will consist of public agencies, for-profit agencies, and non-profit organizations.
- To address housing needs, the Town will continue to partner with the City in a Consortia to receive HOME funds.
- The Town will continue to work with the County to provide affordable housing opportunities to extremely low and low-income renters in the Town and City.
- The Town will continue to work with the San Bernardino Office of Homeless Services, as well as Family Assistance Program and High Desert Homeless Services to address homeless needs.
- The Town will also work with the agencies and internal departments to bridge any identified gaps in the service delivery system. The Town receives quarterly reports from each funded agency and internal department(s) about ongoing services they provide.
- The Town anticipates holding public meetings to solicit input regarding needs of the community.

These efforts provide for regional collaboration to better serve our community and enhances coordination between public and private housing and social service agencies.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

To enhance coordination between public and private housing and social service agencies, the Town will continue consulting with and inviting the participation of a wide variety of agencies and organizations involved in the delivery of housing and supportive services to low- and moderate-income residents —particularly the CDBG Target Areas.

The HACSB is the principle provider of public and assisted housing within the jurisdiction. To enhance coordination between the agency, the Town within the Consortia developed an 18-

question housing authority questionnaire, with the purpose of assessing the public housing needs of the jurisdiction as well as the service needs of current public assisted residents. The questionnaire and responses are contained as an attachment to the 2017-2021 Consolidated Plan.

Per the HACSB's questionnaire, the most immediate needs of residents of public housing or Housing Choice Vouchers is the need for additional funding to assist wait listed residents, as evidenced by the over 40,000 families on Housing Choice Voucher and Public Housing waiting lists combined. The Town will continue to coordinate with the HACSB to provide public housing assistance for its below moderate residents.

Lastly, the Town is committed to enhancing coordination among private and governmental health, mental health and services agencies. The jurisdictions will also continue to coordinate with health social service agencies through the provision of technical assistance workshops during the Request for Funding stages of the Consolidated and Action Plan Process.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The Town's adopted 2017 Assessment of Fair Housing (AFH) Plan included two (2) high priority and one (1) moderate fair housing issues:

- Evidence of illegal discrimination or violations of civil rights laws, regulations, guidance, especially for individuals with disabilities who were disproportionately discriminated higher than other protected groups (high priority).
- Racially or ethnically concentrated areas of poverty (R/ECAPs) in the jurisdiction and region of which within these neighborhoods, Hispanics experienced highest rate of housing cost burden, overcrowding, and substandard housing when compared to other groups in the Consortia (high priority).
- Segregation and significant disparities in access to opportunities for Hispanics in the Consortia's eastern and higher opportunity neighborhoods existed (moderate).

During the 2019-2020 program year, the Town worked directly with its fair housing service provider, IFHMB on the high priority fair housing issues to affirmatively further fair housing choice through the implementation of recommendations contained within the AFH Plan. In order to address the needs of community, the Town completed the following:

- Collectively the Town and IFHMB have mediated with landlords to address impediments concerning disabled tenants by encouraging landlords to install Americans with Disabilities Act (ADA) compliant ramps and parking stalls, rehabilitating units to be more ADA compliant and relocating disabled tenants to first floor units as they become available.

- The Town has increased its advertising and promoting of events that provide fair housing services on the Town's Webpage Events Calendar as well as making Fair Housing brochures readily accessibility at Town Hall both in English and Spanish. Through its fair housing workshops, IFHMB has been able to successfully educate tenants and landlords of their rights and responsibilities.
- The Town has begun to translate and publish important public notices regarding such documents as the Action Plan, Substantial Amendments and CAPER, advertising, brochures and flyers into Spanish to ensure those residents who are Spanish speaking are informed of all the available services the Town is able to provide.
- The Town has ensured that bilingual staff are readily acceptable to answer any questions or translate any documents for Spanish speaking residents.
- Language regarding requests for reasonable accommodations have been incorporated in all Public Notices to ensure all reasonable accommodations are addressed such as accessibility, sign-language and Spanish or other language translation accommodations.
- The Town will continue to allocate funds for its RRP which stresses improvements to be made to address health and safety concerns as well as addressing improvements to ensure compliance with the ADA. Improvements that have recently been included in standard RRP work write ups when the household contains a disabled member include but are not limited to, installation of ADA ramps, grab bars, accessible toilets and tubs and widening of doorways.
- Due to the increase in effort from the Town and supporting agencies, two (2) of the five (5) or 40% RRP beneficiaries were reported as Hispanic.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Each jurisdiction is responsible for overall program monitoring and compliance of CDBG programs. As the lead agency of the Consortia, the Town is responsible for monitoring HOME funded activities.

Staff monitors each newly funded agency or department during the program year, conducts a desktop audit of each sub-recipient contract file annually, and conducts an on-site monitoring visit with each sub-recipient and Town department at least once every two (2) years.

Each monitoring visit is followed up with a formal letter with the results of the monitoring visit. If concerns or findings are found, the sub-recipient or department is given 30 days to either correct the problem or provide a corrective action plan. Executive management is provided with a summary of the results of the monitoring visits.

Each jurisdiction also ensures compliance with all Federal and Town contracting regulations, including procurement, Federal Labor Standards, Davis- Bacon, equal opportunity, et al. While construction projects are underway, weekly on-site compliance interviews with the workers are conducted.

In addition, the Town will ensure compliance with the United States Office of Management and Budget (OMB) requirements for conducting single audits as well as complying with the HUD reporting requirements for accomplishments in the Integrated Disbursement and Information System (IDIS).

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

In accordance with the Town’s adopted Citizen Participation Plan, a public notice was published in the Valleywide Newspaper on November 20, 2020 notifying the public of the availability of the CAPER for a 15-day public review and comment period commencing on November 23, 2020 and ending on December 8, 2020. A copy of the public notice is included in **Appendix A**.

The draft CAPER was available on the Town website and at the following locations:

Facility	Address
Apple Valley- Development Services Building	14975 Dale Evans Parkway
SB County Library - Apple Valley Branch	14901 Dale Evans Parkway
Town of Apple Valley Town Clerk’s Office	14955 Dale Evans Parkway
Town of Apple Valley Website	www.applevalley.org

A public hearing was conducted before the Town Council on Tuesday, December 8, 2020 to solicit comments from residents and interested parties. A summary of any written or oral comments received during the public review period are included in **Appendix B**.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

CDBG and HOME funds are making a significant impact on strategies to address the high priority needs identified in the 2017-2021 Consolidated Plan – Strategic Plan. CDBG and HOME funds contributed to three (3) of the four (4) Strategic Plan goals.

Provide Suitable Living Environments

To support the Town's initiative for Public Services for Low-income residents, CDBG funds were awarded to nine (9) agencies that provided different public services for the residents of the Town. Such services ranged from senior/disabled adult services, emergency shelters, domestic violence services, youth services and other various public services. In total, the agencies provided public service assistance to 1,331 primarily low- and moderate-income residents.

Affordable Housing

To support the Town's vision of housing preservation, CDBG and HOME funds were awarded to the Town's RRP. Through the successful execution of administering this program, the Town was able to make great strides in meeting the proposed goal of 14 housing units by completing the rehabilitation of five (5) housing units under its RRP.

Expand Economic Opportunities

The Town substantially amended its Action Plan to cancel its previously funded Small Business ADA Program as economic development initiatives are administratively burdensome to implement. However, due to the effects of COVID-19 on small businesses and the economy in general, the Town will be looking to reallocate funds to its proposed Microenterprise Assistance Program to assist eligible small businesses, of no more than five (5) employees including the owner, who have been economically impacted from the pandemic.

Further Fair Housing Objectives in Consortia

For the implementation of the Town's Fair Housing Services, the Town funded IFHMB in the amount of \$10,000. The funds were used for the provision of fair housing outreach, education and enforcement activities. During the program year, this activity served a total of 26 unduplicated residents.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

The Town does not have any open Brownfield Economic Development Initiative (BEDI) grants.

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

Not applicable, as the Town does not have any BEDI grants.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

The Town does not currently have any affordable rental housing assisted under the HOME program that would require on-site inspections. However, maintaining HOME-assisted affordable housing is a high priority for the Town. For this reason, the Town has invested HOME CHDO reserve and NSP funds for the Coachella Valley Housing Coalition (CVHC) Project which will provide for the development of affordable multi-family housing units. Once developed, the Town will inspect the HOME-assisted properties to determine compliance with the current housing codes and other applicable regulations. Should any deficiencies exist, the property owner and property management will be notified to complete the required repairs. The Town will complete a subsequent inspection to ensure the required work has been completed properly. Before and after pictures will be taken to document the deficiencies and completion of the work.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

The Town does not currently utilize HOME funds for assisted properties with more than five (5) units. However, should the Town decide to utilize HOME to assist properties with more than five (5) units, the Town will ensure that an Affirmative Fair Housing Marketing Plan is implemented and that annual reports are reviewed to ensure overall compliance with HUD requirements to affirmatively further fair housing choice.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

The Town receipted a total of \$85,788 of HOME program income during the 2019-2020 program year. These dollars will be used for new RRP assisted projects during the 2020-2021 program year.

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

During the 2019-2020 Action Plan, the Town worked with CVHC in the preparation of the Disposition and Development Agreement (DDA) for the development of an affordable multi-family housing units for seniors and veterans. The completion and execution of the DDA will allow CVHC to submit its application for LIHTC funding for the project.

2019/2020
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT
JULY 1, 2019 THROUGH JUNE 30, 2020

APPENDIX A
Public Notices

**TOWN OF APPLE VALLEY
NOTICE OF PUBLIC HEARING AND 15-DAY PUBLIC REVIEW PERIOD
COMMUNITY DEVELOPMENT DEPARTMENT
DRAFT CONSOLIDATED ANNUAL PERFORMANCE
AND EVALUATION REPORT (CAPER)
FOR FISCAL YEAR 2019-2020**

NOTICE IS HEREBY GIVEN that the Draft Consolidated Annual Performance and Evaluation Report (CAPER) covering the 2019-2020 fiscal year (July 1, 2019 - June 30, 2020) Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) programs will be available for review for comments prior to submission to HUD beginning November 23, 2020 and ending December 8, 2020.

A Public Hearing to solicit public comment from interested citizens will be held on December 8, 2020, at 6:30 p.m. at the Apple Valley Town Council Chambers, located at 14955 Dale Evans Parkway, Apple Valley, CA 92307. The purpose of the Public Hearing for the CAPER is to allow the public the opportunity to comment on the manner in which the Town utilized federal and non-federal funds for the one-year period that ended on June 30, 2020.

Due to the evolving public health response to the COVID-19, members of the public are advised that the Town Council meeting and public hearing may be convened telephonically or in an alternative format as deemed necessary by the Town. Those individuals planning to participate in the public hearing are encouraged to check the Town's website at www.applevalley.org for additional information concerning in-person participation on the day of the public hearing for any updates.

BACKGROUND

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

The Federal Housing and Community Development Act of 1974, as amended, provides Federal CDBG funds for projects that promote the development of viable, urban communities by providing decent housing, suitable living environments and expanded economic opportunities, principally for persons of low- and moderate-income.

During the 2019-2020 fiscal year, the Town of Apple Valley ("Town") qualified to receive CDBG funds directly from the U.S. Department of Housing and Urban Development (HUD). The Town prepared the 2019-2020 Third-Year Annual Action Plan, which was subsequently approved by HUD.

During the past fiscal year, the Town has allocated funds to the following CDBG activities pursuant to the Action Plan: Assistance League of Victor Valley - Operation School Bell, Feed My Sheep in the High Desert – Feeding Apple Valley, Social Science Services, Inc. dba Cedar House Life Change Center – Oasis House, Apple Valley Police Activities League – AVPAL, Rolling Start Incorporated – Sanctuary Project, Inland Fair Housing and Mediation Board – Fair Housing Services, Family Assistance Program – Transitional Housing, High Desert Homeless Services, Inc. – Homeless Shelter and Homeless Related Services, Victor Valley Community Services Council - Senior and Adult Disabled Needs Program, Code Enforcement, James Woody Park irrigation Replacement, Residential Rehabilitation Program, Emergency Rental Assistance Program and Program Administration.

HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME)

HOME is authorized under Title II of the Cranston-Gonzales National Affordable Housing Act of 1990, as amended. HOME funds may be used to develop and support affordable rental housing and homeownership affordability through acquisition (including assistance to homebuyers), new construction, reconstruction, or rehabilitation of non-luxury housing with suitable amenities; and to provide for the payment of operating expenses of Community Housing Development Organizations (CHDOs).

The Town of Apple Valley and City of Victorville Consortium has met and maintains the threshold for obtaining HOME entitlement status with HUD. The Consortium identifies the Town of Apple Valley as the lead agency and the City of Victorville as a participating jurisdiction. The successful formation has resulted in an annual allocation of HOME funds to both communities.

During the past fiscal year, the Town has allocated funds to the following HOME activities pursuant to the Action Plan: Residential Rehabilitation Program, Program Administration and CHDO Set-Aside.

During the past fiscal year, the City of Victorville allocated funds to the following HOME activities pursuant to the Action Plan: Senior Home Repair Program, Program Administration, CHDO Jamboree Housing Corporation Project and CHDO National Core Project.

ANNUAL PERFORMANCE REVIEW

The Town is required to submit a detailed review to HUD covering the past year's activities, accomplishments and expenditures. A draft copy of the fiscal year 2019-2020 CAPER will be available for public review during the public comment period at the following locations:

- Apple Valley- Development Services Building 14975 Dale Evans Parkway
- SB County Library - Apple Valley Branch 14901 Dale Evans Parkway
- Town of Apple Valley Town Clerk's Office 14955 Dale Evans Parkway
- Town of Apple Valley Website www.applevalley.org

For a minimum period of fifteen (15) calendar days beginning on November 23, 2020 and ending on December 8, 2020, the public is invited to submit written comments on the 2019-2020 CAPER. Those individuals wishing to express their views on the CAPER may submit their written comments to the Town Clerk, 14955 Dale Evans Parkway, Apple Valley, CA 92307 or by email at townclerk@applevalley.org. Written comments will be forwarded to HUD as part of the final CAPER. Comments received after December 8, 2020, will not be considered in the preparation of the final CAPER to HUD.

It is the objective of the Town to comply with Section 504 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act (ADA) of 1990 and the ADA Amendment Act of 2008, the Fair Housing Act, and the Architectural Barriers Act in all respects. If you require public documents in an accessible format, the Town will make reasonable efforts to accommodate your request. If you require a disability-related accommodation, please contact the Town Clerk's Office at (760) 240-7000 ext. 7800.

AYUNTAMIENTO DEL CIUDAD DE APPLE VALLEY
AVISO DE AUDIENCIA PÚBLICA Y PERÍODO DE REVISIÓN PÚBLICA DE 15 DÍAS
DEPARTAMENTO DE DESARROLLO COMUNITARIO
BORRADOR DEL REPORTE DE LA EVALUACIÓN DEL DESEMPEÑO ANUAL CONSOLIDADO
(CAPER)
PARA EL AÑO FISCAL 2019-2020

POR MEDIO DE LA PRESENTE SE NOTIFICA que el Borrador del Reporte de la Evaluación del Desempeño Anual Consolidado (CAPER, por sus siglas en inglés) el cual cubre el año fiscal 2019-2020 (1 de Julio de 2019 – 30 de Junio de 2020) de los programas de Subsidios Globales para el Desarrollo Comunitario (CDBG, por sus siglas en inglés) y Asociación para Inversiones en Vivienda HOME (HOME, por sus siglas en inglés) estará disponible para revisión y comentarios antes de presentarlo a HUD comenzando el 23 de Noviembre de 2020 y finalizando el 8 de Diciembre de 2020.

Una Audiencia Pública para solicitar comentarios públicos por parte de los ciudadanos interesados se celebrará el 8 de Diciembre de 2020, a las 6:30 P.M. en la Cámara del Concejo Municipal del Ciudad de Apple Valley, ubicado en 14955 Dale Evans Parkway, Apple Valley, CA 92307. El propósito de la Audiencia Pública para el CAPER es con la finalidad de permitirle al público la oportunidad de comentar sobre la manera en la cual el Ayuntamiento utilizó los fondos federales y no federales durante el período de un año el cual terminó el 30 de junio de 2020.

Debido a la evolución de la respuesta de salud pública al COVID-19, se informa a los miembros del público que la junta del Concejo Municipal del Ayuntamiento y la audiencia pública pudieran ser convocadas telefónicamente o en un formato alternativo según lo considere necesario el Ayuntamiento. Se recomienda a las personas que planean participar en la audiencia pública que consulten el sitio web del Ayuntamiento de la ciudad a www.applevalley.org para obtener información adicional sobre la participación en persona el día de la audiencia pública para cualquier actualización.

ANTECEDENTES

SUBSIDIOS GLOBALES PARA EL DESARROLLO COMUNITARIO (CDBG)

La Ley Federal de Vivienda y Desarrollo Comunitario de 1974, según enmendada, proporciona fondos federales CDBG para proyectos que promueven el desarrollo de comunidades urbanas viables al proporcionar viviendas dignas, entornos de vida adecuados y actividades económicas ampliadas, principalmente para personas de bajos y moderados ingresos.

Durante el año fiscal 2019-2020, el Ayuntamiento del Ciudad de Apple Valley ("Ciudad") calificó para recibir fondos de CDBG directamente del Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos (HUD, por sus siglas en inglés). El Ayuntamiento del Ciudad preparó el Tercero Año del Plan de Desempeño Anual 2019-2020, el cual fue aprobado por HUD.

Durante el año fiscal pasado, el Ayuntamiento asignó fondos para las siguientes actividades de CDBG conforme al Plan de Desempeño: Assistance League of Victor Valley - Operation School Bell, Feed My Sheep in the High Desert – Feeding Apple Valley, Social Science Services, Inc. dba Cedar House Life Change Center – Oasis House, Apple Valley Police Activities League – AVPAL, Rolling Start Incorporated – Sanctuary Project, Inland Fair Housing and Mediation Board – Fair Housing Services, Family Assistance Program – Transitional Housing, High Desert Homeless Services, Inc. – Homeless Shelter and Homeless Related Services, Victor Valley Community Services Council - Senior and Adult Disabled Needs Program, Code Enforcement, James Woody Park irrigation Replacement, Residential Rehabilitation Program, Emergency Rental Assistance Program and Program Administration (*No se tradujeron los títulos de las actividades intencionalmente*).

ASOCIACIÓN PARA INVERSIONES EN VIVIENDA HOME (HOME)

HOME está autorizado bajo el Título II de la Ley Nacional de Vivienda Asequible Cranston-Gonzales de 1990, según enmendada. Los fondos de HOME pueden utilizarse para desarrollar y respaldar viviendas de alquiler asequibles y propiedad de vivienda asequible mediante la adquisición (incluyendo la asistencia a compradores de viviendas), la nueva construcción, la reconstrucción o la rehabilitación de viviendas no

de lujo con amenidades adecuadas; y para proporcionar el pago de los gastos operativos de las Organizaciones de Desarrollo de Viviendas Comunitarias (CHDO, por sus siglas en inglés).

El Consorcio del Ciudad de Apple Valley y la Ciudad de Victorville han cumplido y mantenido el acuerdo condicional colectivo para obtener el estado de derecho de fondos de HOME con HUD. El Consorcio identifica al Ciudad de Apple Valley como la agencia líder y la Ciudad de Victorville como jurisdicción participante. La formación exitosa ha resultado en una asignación anual de fondos de HOME a ambas comunidades.

Durante el año fiscal pasado, el Ayuntamiento del Ciudad ha asignado fondos a las siguientes actividades de HOME conforme al Plan de Desempeño: Residential Rehabilitation Program, Program Administration and CHDO Set-Aside (*No se tradujeron los títulos de las actividades intencionalmente*).

Durante el año fiscal pasado, el Ayuntamiento de la Ciudad de Victorville asignó fondos a las siguientes actividades de HOME conforme al Plan de Desempeño: Senior Home Repair Program, Program Administration, CHDO Jamboree Housing Corporation Project and CHDO National Core Project (*No se tradujeron los títulos de las actividades intencionalmente*).

INFORME DEL DESEMPEÑO ANUAL

El Ayuntamiento del Ciudad debe presentar un informe detallado a HUD cubriendo las actividades, logros y gastos del año pasado. Un borrador del CAPER del año fiscal 2019-2020 estará disponible para revisión pública durante el período de comentarios públicos en los siguientes lugares:

- Apple Valley- Development Services Building 14975 Dale Evans Parkway
- SB County Library - Apple Valley Branch 14901 Dale Evans Parkway
- Town of Apple Valley Town Clerk's Office 14955 Dale Evans Parkway
- Town of Apple Valley Website www.applevalley.org

Por un período mínimo de quince (15) días del calendario comenzando el 23 de Noviembre de 2020 y finalizando el 8 de Diciembre de 2020, se invita al público a enviar comentarios por escrito sobre el CAPER 2019-2020. Las personas que deseen expresar sus puntos de vista sobre el CAPER pueden enviar sus comentarios por escrito al Secretario Municipal, 14955 Dale Evans Parkway, Apple Valley, CA 92307 o por correo electrónico a townclerk@applevalley.org. Los comentarios escritos se enviarán a HUD como parte del CAPER final. Los comentarios recibidos después del 8 de Diciembre de 2020 no se tomarán en cuenta en la preparación del CAPER final para HUD.

El Ayuntamiento del Ciudad tiene como objetivo cumplir en todo con respecto a la Sección 504 de la Ley de Rehabilitación de 1973, tal y como se enmendó, la Ley de Americanos con Discapacidades (ADA) de 1990 y la Ley de Enmienda a ADA del 2008, la Ley de Vivienda Justa, y la Ley de Barreras Arquitectónicas en todos los aspectos. Si usted necesita documentos públicos en un formato accesible, el Ayuntamiento hará lo posible dentro de lo razonable para dar cabida a su petición. Si usted requiere acomodo especial debido a alguna discapacidad, por favor comuníquese a la Oficina del Secretario Municipal al (760) 240-7000 ext. 7800.

Las preguntas sobre el CAPER 2019-2020 pueden dirigirse a Silvia Urenda, Especialista en Vivienda y Desarrollo Comunitario al (760) 240-7000, Extensión 7910 o por correo electrónico a SUrenda@applevalley.org.

Matrix Code: Disposition (02) **National Objective:** LMH

Initial Funding Date: 05/30/2019

Description:

This program will provide for the donation of units that have been released by ownersheirs to the Town in lieu of selling through their own efforts in order to pay existing Town loans. Though assistance was provided to rehabilitate units for the benefit of the owner, the units generally do not have enough value to make the selling process worthwhile. These units will be donated to the Housing Authority or one of a number of non-profits that can assist qualified households with affordable housing. On Jan. 28, 2020 Town Council approved Substantial Amendment to cancel 17-18 Man. Home Disposition Program and reallocate funds to other existing eligible CDBG activities.

Initial Funding Date: 05/30/2019

Description:

This program will provide funding to design and construct an incubator office space to provide headquarters facility for small businesses. The completed facility will offer tenants shared resources including office and storage space, equipment, supplies, meeting and networking space, collaborative events and programs, business development and technical assistance resources. This program will: foster establishment, stabilization and expansion of small businesses in order to add jobs for low income persons; provide technical training and assistance or other support services to increase capacity of subrecipients to carry out business activities. On Jan. 28, 2020 Town Council approved Substantial Amendment to cancel 1819 Small Business Ent. Incubator Project and reallocate funds to other existing eligible CDBG activities.

2018	The project is currently in the development stage with the project anticipated to be formally bid out during the 1st quarter of the 19/20 program year and construction completion anticipated during the third quarter of the 19/20 program year.	
2019	The Town bid out the project in the begin of the 2019-2020 program year but the bid amounts were higher than anticipated and therefore all bids were rejected. The Town has since broken the project out into three separate components to help reduce the costs associated with the project: 1) procurement/purchase of manufactured restroom, 2) procurement/payment for engineering services and 3) construction/installation. As of the end of the 2019-2020 program year, the Town was able to create a Purchase Order for the purchase of the manufactured restroom and executed the contract for engineering services. The Town anticipates bidding the construction portion of the project during the end of the 2nd quarter of the 2020-2021 program year with construction completion anticipated prior to the end of April 2021.
