

☰ ✓ ~~My name Leona Hutton I've owned a fourplex 9 years in Apple Valley on September 10th 2020 code enforcement officer Weast left a voicemail stating I had a sunken lateral I was out out of town I return —spoke with officer Weast asked how he obtained my personal phone number he stated due to HIPAA law could not reveal information. As officer~~

~~Weast obtained my personnel phone number by speaking to a tenant on my property he left his card see attachment officer point me to Public Works I spoke with a Silvia Urenda a card attached as she copied off a paper that says nothing about broken lateral just gives a statement off the website see attachments as she~~

~~offered me qualified  
sewer contractors she  
wrote on a little piece  
of paper my APN# and  
my lot # gave me her  
email as she could help  
me fill out if needed  
also stating everyone  
on my property  
meaning tenants had to  
fill out a separate loan  
app with mine I don't  
understand they're not  
on the deed responsible  
for that loan that would  
be attached silently on~~

~~the back of a 30-year  
note on my property on  
my property I've  
spoken with the  
manager Mr. Guy of  
code enforcement  
informed I have  
received on January  
11th a copy of a  
citation never received  
an original only copy  
address to the wrong  
PO Box the right PO  
Box is on sworn  
statement officer Weast  
and manager guy I'm~~

~~assuming showed up to  
my property February  
9th 2021 as my home  
security camera  
recorded going pass my  
apt straight to #4 Apt  
behind my apt spoke  
with tenant that gave  
my phone# to office  
Weast they on their way  
out got it in separate  
vehicles marked the  
town of Apple Valley a  
pink official citation on  
my door which I read  
form called # to appeal~~

~~protest I find out that  
September October  
November and  
December 2020 code  
enforcement has  
sighted me citations as  
I never received any  
these citations some up  
to \$750 for a grand  
total \$4,000 that they  
intend to lien on my  
property I've never  
been officially served  
by signature certified  
mail. As I've never  
received from code~~

~~enforcement officers  
giving the code number  
violation to fix they've  
handed me a copy of  
something that you can  
get on website showing  
that in anybody in Apple  
Valley laterals are  
owner's responsibility I  
have no photos I have  
no proof of a broken  
lateral all papers are the  
originals I've received  
from code  
enforcement . See  
attachments as they~~

~~are original paperwork  
from code enforcement  
copies one side & to  
my knowledge the  
procedure is certify  
mail signing at post  
office postmasters  
making sure person  
received the warnings  
to fix something on  
your property which I  
have not to this day  
received a code number  
to fix anything as I have  
paid a plumber license  
his report is attached~~

~~please see it states that  
it is large pipe it  
appears to be the city's  
pipe as it is large then  
at residence pipe  
-plumbers report states  
there is no clog lateral  
on my side it seems to  
be a large pipe bologna  
to the city that ties into  
my lateral my whole  
point case is I've never  
been officially served I  
have no official papers  
officers have no right to  
make \$4,000 worth of~~

~~claim to lien on property  
when I have hired  
professional plumber to  
take a look a look with  
professional equipment  
as I did this in a timely  
matter when I did  
receive my first official  
citation February 9th  
2021~~
