BACKGROUND

The Town of Apple Valley received an Active Transportation Program grant to design and construct improvements to enhance access to the Mariana Academy, the Sandia Academy, and Apple Valley High School. Improvements included street improvements as well as the addition of curb, gutter, sidewalks, ADA ramps, and high visibility crosswalks. In addition, the Class I bike path connecting Apple Valley High School to Tussing Ranch Road and from Navajo Road to Cochiti Road was reconstructed. The plans and specifications were prepared by KOA Corporation.

ANALYSIS

Engineering staff inspected the project area and deemed the work to be complete and acceptable.

To facilitate a timely closeout with the granting agency, staff is asking Council to accept the work, which has been completed, while possible Liquidated Damages due to project

delays are still being assessed. If Liquidated Damages are due, a credit would be deducted from the project's retention.

FISCAL IMPACT

Funding for this project has been appropriated in the adopted FY 2020-2021 budget.
