HOME OCCUPATION OPERATING STANDARDS

In accordance with Section 9.19.050 of the Town of Apple Valley Development Code, Home Occupations shall comply with all of the following operating standards at all times:

Operating Standards For All Residential Districts

1. There shall be no visible or external evidence of the home occupation. No dwelling shall be built, altered, furnished or decorated for the purpose of conducting the home occupation in such a manner as to change the residential character and appearance of the dwelling, or in such a manner as to cause the structure to be recognized as a place where a home occupation is conducted;
2. There shall be no displays, sale, or advertising signs on the premises, except for those associated with the sale of produce (fruit or vegetables) grown on the subject property;
3. There shall be no signs other than one (1) unlighted identification sign containing the name and address of the owner attached to the building not exceeding two (2) square feet in area per street frontage;
4. All maintenance or service vehicles and equipment, or any vehicle bearing any advertisement, except business identification, related to the home occupation or any other similar vehicle shall be garaged or stored entirely within a building or structure;
5. The home occupation shall not encroach into any required parking, setback, or open space area;
6. There shall be no visible outside storage of stock, merchandise, scrap supplies, or other materials or equipment on the premises. Any storage of hazardous, toxic, or combustible materials in amounts exceeding those typically found in residential uses shall be prohibited;
7. There shall be complete conformity with Fire, Building, Plumbing, Electrical, and Health Codes and to all applicable State and Town laws and ordinances. Activities conducted and equipment or material used shall not change the fire safety or occupancy classification of the premises;
8. No home occupation shall generate pedestrian or vehicular traffic in excess of that customarily associated with a residential use and the neighborhood in which it is located;
9. No home occupation shall be initiated until a current business license is obtained;
10. A Home Occupation Permit shall not be transferable;
11. If the home occupation is to be conducted on rental property, the property owner's written authorization for the proposed use shall be obtained prior to the submittal for a Home Occupation Permit;
12. The garage shall not be altered externally;
13. No use shall create or cause noise, dust, light, vibration, odor, gas fumes, toxic or hazardous materials, smoke, glare, electrical interference, fluctuations in the line voltage outside the structure, or other hazards or nuisances, subject to conformance with Section 9.70 Performance Standards and Section 9.73 Noise Control.
14. The Director may establish any other special condition of approval for any Home Occupation Permit as necessary to carry out the intent of this Chapter.
15. The home occupation shall be restricted to operations between Monday through Saturday, between the hours of 8 am to 5 pm.

COTTAGE FOOD OPERATION STANDARDS

1. Assembly Bill 1616 establishes requirements for limited preparation and distribution of low-risk food products from a business at a private home. Only non-potentially hazardous foods are approved for preparation in a CFO. A few examples include: baked goods without cream, custard, or meat fillings, such as biscuits, churros, pastries, and tortillas. Candy, such as brittle and toffee. Honey and sweet sorghum syrup, jams, jellies, preserves, and fruit butter. Nut mixes and nut butters.
2. Labeling and packaging requirements must meet County regulations.
3. All CFO's are required to obtain either a valid health permit or a registration from the Division of Environmental Health Service (DEHS), depending on the type of operation. Additional permits may be required if cottage foods are sold outside the CFO.
4. Foods may be sold through transactions in person at the CFO. With an additional temporary food facility health permit, foods may be sold at approved temporary events or certified farmers' markets (temporary food facility regulations will apply. Foods prepared in a "Class B' CFO may also be sold at other permitted food facilities.
