

Town of Apple Valley Application for Variance/Deviation

The Town of Apple Valley encourages prospective applicants to schedule a Development Advisory Board meeting prior to formal submittal of a permit application. The conference should take place prior to any substantial investment.

Listed below are the fees and materials that must be submitted with your application for a Variance or a Deviation Permit. The project application will not be accepted for processing unless all requested information and materials have been submitted and determined to be complete and adequate. Upon initial review of the project, additional technical studies may be required prior to determining that the application is complete. **Project submittals which do not include these items will not be accepted for processing. All plans must be collated, stapled and folded to 8 1/2" x 11" notebook size.** Upon submittal, filing fees will be collected as listed below. Make checks payable to the Town of Apple Valley. Please feel free to contact the Planning Division at (760) 240-7000 Ext.7200 if you have any questions.

FINDINGS REQUIRED TO GRANT A VARIANCE

The applicant must provide specific justification for each of the findings listed below. You should include specific evidence, details and/or qualities of the proposed structure or other project. Additional pages or supporting documentation such as photographs, previous variance approval, etc., may be attached.

1. Special circumstances applicable to the property, including size, shape, topography, location or surroundings, the strict application of the Town Development Code deprives such property of privileges enjoyed by other properties in the vicinity and under identical zoning classification.

2. Granting the variance will be consistent with the general intent and purpose of the Development Code provisions for the district in which the property is located.

3. Granting of the variance is necessary for the preservation and enjoyment of a substantial property right possessed by other property in the same vicinity and zoning district and denied to the property for which the Variance is sought.

4. Granting of the variance will not be materially detrimental to the public health, safety or welfare, or injurious to the property or improvements in such vicinity and land use district in which the property is located.

5. Granting of the variance does not constitute a special privilege inconsistent with the limitations upon other properties in the vicinity and in the zoning district and General Plan land use designation such property is located.

6. Granting of the variance does not allow a use or activity which is not otherwise expressly authorized by the regulations governing the subject parcel.

Please read and initial the following statement:

I understand that in lieu of a Variance I have the option of altering my plan and requesting a Deviation Permit in conformance with Section 9.03.0500 of the Town of Apple Valley Development Code. _____

FINDING REQUIRED TO GRANT A DEVIATION

1. Granting the deviation will not be materially detrimental to the public health, safety or welfare, or injurious to the property or improvements in the vicinity and land use district in which the property is located.

DEVIATION PERMIT FINDINGS FOR A WIRELESS TELECOMMUNICATION FACILITY

1. That the applicant has provided supporting documentation of the identified need that cannot be met in any other manner;

2. That there are unique circumstances associated with the proposed location necessitating the requested Deviations;

3. That there are no reasonable alternative sites available to provide the services offered;

4. That the submitted information and testimony from the applicant, staff and public illustrates a reasonable probability that allowance of the Deviation will have minimal or no adverse impacts to the site, surrounding area or the community in general; and

5. That the Commission finds that the proposed deviation will not be materially detrimental to the public health, safety or general welfare, or injurious to the property or improvements in the vicinity and land use districts in which the property is located.
