****Section 65850.2** of the California Government Code requires businesses that handle hazardous material "at the California threshold reporting quantities" to file a "hazardous materials response business plan and inventory" with the local administering authority. If your business requires handling of any quantities of hazardous materials and/or you are not sure if you are required to file, contact the local administering authority identified above (San Bernardino County Fire Department, Hazardous Materials Division, (800) 645-9228). The Government Code prohibits a city or county from issuing a final certificate of occupancy unless these reporting requirements have been met.

APPLICATION FOR MDAQMD CLEARANCE

Certificate of Occupancy/ Building Permit

(Residential projects exempt)

Applicant seeking clearance for:

Building Permit (not for demolition/renovation or asbestos permits)

Certificate of Occupancy (only if no prior building permit or there is a change in use)

BUSINESS NAME:	CONTACT NAME:	PHONE:	
MAILING ADDRESS:	CITY:	STATE:	ZIP:
FACILITY ADDRESS:	CITY:	STATE:	ZIP:
NATURE OF BUSINESS (i.e. dry cleaner, gasoline dispensing, office, etc.):			

1. Will the subject facility use any of the equipment/processes listed in the air permit categories on the back of this document, or any other process that has the potential to emit or control air contaminants — Rule 201?

YES **NO**

**If YES: You must complete an application for an AQMD Permit. Applications can be obtained at our website, in person at our office or by contacting us by phone or email. (Contact and location information at the top of this page.)*

2. Will the subject facility be located within 1,000 feet of a school (measured outer boundary to outer boundary) - H&S Code 42301.6?

YES **NO** **If NO: Proceed to Item 5 (Skip items 3 and 4)*

3. Will the subject facility have the potential to emit hazardous air contaminants, such as solvents, thinners, pesticides, gasoline, dip tank solutions, dust, mist, vapor, resin, or others (complete list available on request)?

YES **NO** **If NO: Proceed to Item 5 (Skip item 4)*

4. Attach a list of substances to be used at the subject facility and include a plot plan. The plot plan must include the distance from the outer boundary to the outer boundary of the nearest school.

5. **I DECLARE UNDER PENALTY OF PERJURY** under the laws of the State of California that the foregoing is true and correct to the best of my knowledge.
