AGENDA MATTER

Subject Item:

Additional Permanent Restroom Facility at James Woody Park

SUMMARY STATEMENT

James Woody Park is used heavily by Apple Valley Little League and other sports organizations including various youth and adult leagues. Currently, there is only one permanent restroom facility located near Field 1 and a portable facility near Field 8. These facilities are impacted heavily by the sports user groups, especially Little League. In addition, park patrons on Fields 5 – 8 have to either use the portable facility near Field 8 or walk a long distance to the permanent facility by Field 1. This situation has generated complaints from Little League, the youth football leagues and park patrons. Staff's recommendation is to relocate the permanent restroom from the former Don Ferrarese Park over to the south side of James Woody Park in order to provide patrons with more restroom access.
