

## Important Notes:

All information in this brochure is supplied by service providers. The industries are constantly changing, and some facilities may have reduced or expanded operations, changed materials accepted, or changed fees charged or price paid for materials.

Be sure you call ahead to verify most recent prices, terms, and hours of operation.

The Town of Apple Valley publishes this brochure for businesses and residents to help find the best options for diversion of their waste stream. Inclusion of any business in this brochure does not infer endorsement.

To add reuse or recycling businesses to future editions of this brochure please contact the Town of Apple Valley Community Enhancement Department at:

14975 Dale Evans Parkway  
Apple Valley, CA 92307  
Phone: 760-240-7000

# Other Resources

Calmax website: Go to [www.calrecycle.ca.gov/calmax](http://www.calrecycle.ca.gov/calmax), is an online portal that provides links to various other on-line waste exchanges throughout state.

CalRecycle website: Go to [www.calrecycle.ca.gov/ConDemo](http://www.calrecycle.ca.gov/ConDemo) The State of California Department of Resources Recycling & Recovery (Cal Recycle) has extensive online resources and publications for construction and demolition recycling.

County of San Bernardino Construction & Demolition Waste Recycling Guide & Directory: Go to

[http://cms.sbcounty.gov/portals/50/solidwaste/candD\\_Recycling\\_guide.pdf](http://cms.sbcounty.gov/portals/50/solidwaste/candD_Recycling_guide.pdf)

# Hazardous/Universal Waste

Hazard waste items from businesses, including used oil, paint, pesticides, lamps, cathode ray tubes, aerosol cans, batteries, chemicals, and e-waste cannot go in the trash or recycling bins or barrels. Placing these materials in the trash is a crime.

The Conditionally Exempt Small Quantity Generators program through the San Bernardino County Fire Department will help you dispose of your hazardous waste properly for a reasonable cost. Contact the San Bernardino County Fire Department at (909) 382-5410 for more information.

## E-Waste

E-waste such as computers, TVs, monitors, copiers, fax machines, cell phones, and other appliances and electronic devices can be recycled.

### **City of Victorville Recycling Drop-off Center**

15164 Anacapa Road, Victorville  
Phone: (760) 955-8615

### **Victor Valley Materials Recovery Facility (MRF)**

17000 Abby Lane, Victorville  
(760) 241-1284

# Lead and Asbestos

Any debris generated by the demolition of structures is subject to lead and asbestos clearance prior to disposal. A certified lead and asbestos consultant must certify that the debris is not contaminated prior to disposal at any San Bernardino County Sanitary Landfill.

All pre-1984 structures and burned structures of any age require certification. Friable asbestos is accepted only at the following locations:

Antelope Valley Landfill, Los Angeles County (661) 947-7197  
Bishop Landfill, Inyo County (760) 873-5577  
Lassen Co/Bass Hill Landfill, Lassen County (530) 252-1273  
Ridgecrest – Inyo Kern Landfill, Kern County (805) 327-2111  
Azusa – Azusa Land Reclamation (626) 334-0719
