SMOKE AND CARBON MONOXIDE DETECTORS ARE REQUIRED

I, the undersigned, hereby certify that I am the owner and occupant of the below referenced property. I further certify that smoke alarms and carbon monoxide alarms are present and functioning in ALL the following locations (Notes: All boxes below must be checked; retrofitted smoke and carbon monoxide detectors must be hard wired OR battery operated. Battery life must be 10 years.)

- Smoke Detectors:** In each sleeping room. Outside of each separate sleeping area in the immediate vicinity of the bedroom(s). On each additional story of the dwelling, including basements and habitable attics but not including crawl spaces and uninhabitable attics. In dwellings or dwelling units with split levels and without an intervening door between the adjacent levels, a smoke and carbon monoxide detectors installed on the upper level shall suffice for the adjacent lower level provided that the lower level is less than one full story below the upper level.

- Carbon Monoxide Detectors:** Outside of each separate dwelling unit sleeping area in the immediate vicinity of bedroom(s). On every level of a dwelling unit including basements. When a permit is issued for an existing sleeping unit with a fossil fuel burning heater or appliance, fireplace, or an attached garage.

Owner Name: _____ Permit #: _____

Dwelling Address: _____

Owner Signature: _____ Date: _____

CODE SECTION: California Residential Code (CRC) Section R314.1, CRC R315.2 states in part that existing dwellings be “retrofitted with smoke detectors and carbon monoxide detectors when a building permit is issued for, worked on or in a building that is valued at \$1,000 or more.” CRC Section R314.3, CRC R315.3 defines required locations as indicated above.

NOTE: This Certification is only used when normal access to the interior of the dwelling by the Town of Apple Valley Inspector is not achieved during project construction. It is normally used for projects such as re-roofing, re-siding, patio covers, swimming pools and the like.
