# Code Enforcement Spotlight

On November 4, 2021, Code Enforcement Officers responded to a complaint of an occupied motor home and trash and debris in 16400 block of Chippewa Road. The Officers observed the motor home in the driveway connected to extension cords and hoses, along with trash and debris throughout the entire front yard. After issuing a Notice of Violation and several administrative citations to the property owner, a follow up was conducted on June 6, 2022, and all the violations had been abated.
