VACATION PROCEDURES FOR TOWN STREET AND/OR RIGHT-OF-WAY, ALLEYS, OFFERS OF DEDICATION, ACCESS RIGHTS AND PUBLIC SERVICE EASEMENTS

The following instructions are established to assist an applicant in the processing of a vacation of a street and/or public service easement.

The Community Development Director is responsible for providing the forms and processing vacation applications. These forms may be submitted to, or mailed to:

Planning Department
Town of Apple Valley
14955 Dale Evans Parkway
Apple Valley, California 92307

PART "A"; INITIAL INVESTIGATION

An initial review will be made to establish the basic facts of the request. If found to be within the Town's purview, the completed application forms and a filing fee of \$455.00 (non-refundable) will be accepted for further processing. This fee covers the administrative cost of investigating the proposal and coordinating the Town's interest with other affected entities, such as the utilities, etc. This fee does not cover the processing and advertising cost as set forth in PART "B".

When the completed application forms have been accepted, investigation by the Town will commence to determine whether the request is in the public interest. The applicant(s) will be notified, in writing, in approximately one month, whether the request qualifies for vacation or not. Qualification for vacation depends on whether the potential and future necessity of the right-of-way in question is needed for public or utility access, or not.

PART "B"; FURTHER PROCESSING PROCEDURE

If the application for vacation is found to be justified, the Applicant(s) will be notified by letter. At this time there will be an additional fee of \$300.00 to cover the cost of preparation of legal documents, utility notification, and Town Council agenda processing and posting of the proposed vacation. If further legal documents are required, they will be mailed to the Applicant(s) with instructions.

Since the costs for the legal advertisement of vacations vary, depending on the complexity of the legal descriptions, the Applicant(s) will be billed separately for this legal notice.

Should there be any further questions, please contact the Planning Director at the Community Development Office.
