Town of Apple Valley
Department of Building and Safety/Engineering
FINAL GRADING INSPECTION REPORT

PROPERTY OWNER: _____ PERMIT NO: _____

ADDRESS/TRACT NO: _____

FINAL GRADING CERTIFICATION:

By Civil Engineer

The grading has been satisfactorily completed in accordance with the approved grading plans and current building codes. All required drainage devices have been installed; slope planting established, and adequate provisions have been made for drainage of surface waters from each building site. The recommendations of the soils engineer and/or engineering geologist (if such persons were employed) have been incorporated in the work.
