RESOLUTION No. 2023-33

**A RESOLUTION OF THE TOWN COUNCIL OF THE
TOWN OF APPLE VALLEY, CALIFORNIA,
APPROVING ADJUSTMENTS TO MISCELLANEOUS
USER FEES**

WHEREAS, the Town of Apple Valley (the "Town") charges fees for various services, permits, licenses, and regulatory activity provided by the Town (collectively, the "Fees"); and

WHEREAS, in order for the Fees to cover the costs of providing the services, permits, licenses, or regulatory activity for which the Fees are imposed, many of the Fees must be adjusted to reflect reasonable estimated costs of service; and

WHEREAS, certain Fees are subject to the adoption procedures set forth in Government Code section 66016, and others are subject to the procedures set forth in Government Code section 66018; and

WHEREAS, in accordance with Government Code section 66016, the Town has made available to the public, at least 10 days prior to the date of this meeting, data supporting the Fees, and notice of this meeting has been mailed to all interested persons that have requested such notice at least 14 days prior to the date of this meeting; and

WHEREAS, in accordance with Government Code section 66018, the Town Council called a public hearing for September 26, 2023, for the purpose of receiving public comments to the proposed Fees. Notice of the public hearing was given by publication in a newspaper of general circulation within the Town once a week for two weeks commencing at least 10 days prior to the public hearing, with at least 5 days intervening between the first and last publication. On September 26, 2023, at the time and place set for the public hearing, the Town Council heard and considered all oral and written presentations and comments made regarding the proposed Fees; and

WHEREAS, the Town Council now wishes to adopt the new or increased Fees subject to the Consumer Price Index set forth in Schedules C, E, F, G, H, I, K, and L of Exhibit "A", effective October 1, 2023; and

WHEREAS, the Town Council now wishes to adopt the new or increased Fees subject to the Consumer Price Index set forth in Schedules A, B, and D, of Exhibit "A", effective 60 days from adoption.

WHEREAS, the Town Council will address the fee increase in Schedule J upon the completion of an Impact Fee study.

NOW, THEREFORE, BE IT RESOLVED, the Town Council of the Town of Apple Valley, California, finds, determines and orders as follows:

Section 1. The above Recitals are true and correct and by this reference incorporated herein.

Section 2. The Town Council hereby adopts the new or increased fees set forth in the Town's Municipal Fee Schedule described in Exhibit "A" attached hereto. The Fees set forth in Schedules C, E, F, G, H, I, K, and L of Exhibit "A" and imposed by this Resolution shall take effect immediately, and shall supersede any prior fees or charges imposed by resolution or otherwise by the Town Council, to the extent such prior fees or charges conflict herewith. The Fees set forth in Schedules A, B, and D, of Exhibit "A" and imposed by this Resolution shall take effect 60 days from adoption, and shall supersede any prior fees or charges imposed by resolution or otherwise by the Town Council, to the extent such prior fees or charges conflict herewith. No fees will be changed for Schedule J until the release and adoption of an Impact Fee study.

Section 3. The Town Council called a public hearing on September 26, 2023, for the purpose of receiving public comments to the proposed Fees. Notice of the public hearing was given by publication in a newspaper of general circulation within the Town once a week for two weeks commencing at least 10 days prior to the public hearing, with at least 5 days intervening between the first and last publication. On September 26, 2023, at the time and place set for the public hearing, the Town Council heard and considered all oral and written presentations and comments made regarding the proposed Fees.

Section 4. The maximum rate for the Fees set forth in the Schedules, unless otherwise stated, shall be adjusted each July 1, commencing July 1, 2021, by the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) for the Riverside-San Bernardino-Ontario Area as of March of such year, provided that if such index shall cease to exist, the City may determine the appropriate increase based on a comparable index.

Section 5. The Town Council finds and determines that:

(a) The Fees established by this resolution:

(1) are imposed for a specific government service provided directly to the payor, or for reasonable regulatory costs of the Town for issuing licenses and permits, performing investigations, inspections, and administrative enforcement of the Town's Municipal Code or other rules or ordinances;

(2) are no more than necessary to cover the reasonable costs of the governmental activity for which the Fee is imposed; and

(3) the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity for which the Fee is imposed; and

(b) The Fees are not taxes within the meaning of California Constitution article XIII C, section 1(e)..

Section 6. The Town Council finds and determines that:

(a) the proposed Fees are not subject to environmental review under CEQA. First, the proposed Fees, in and of themselves, do not have potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment and therefore are not considered a “project” under CEQA. (Pub. Resources Code, § 21065, 14 Cal. Code Regs., § 15378, subd. (a).) Second, the Fees are covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment; here, there is no possibility that the proposed Fees, in and of themselves, may have a significant effect on the environment. (14 Cal. Code Regs., § 15061, subd. (b)(3).) And third, the proposed Fees are considered a government funding mechanism that does not involve any commitment on behalf of the Town to any specific project which may result in a potentially significant physical impact on the environment. (14 Cal. Code Regs., § 15378, subd. (b)(4).)

(b) The determination that the proposed Fees are not subject to CEQA review reflects the Town Council’s independent judgment and analysis.

(c) The documents and materials that constitute the record of proceedings on which these findings have been based are located at Town Hall, 14955 Dale Evans Parkway, Apple Valley, California 92307. The custodian for these records is the Town Clerk.

Section 7. Severability. If any provision of this Resolution or the application thereof to any person or circumstances held invalid, such invalidity shall not affect other provisions or applications and, to this end, the provisions of this Resolution are declared to be severable. In the event any fee increase herein is determined by the final judgment of a court of competent jurisdiction to be invalid, then the fee in effect as to that item prior to the adoption of the said invalidated fee by this Resolution shall be construed hereby to remain in effect.

APPROVED and ADOPTED by the Town Council of the Town of Apple Valley this 26th day of September, 2023, by the following vote:

PREFACE

Building Inspection and Plan Review

All fees fixed by this section are for each identified process, and additional fees shall be imposed for each additional process required. Where fees are indicated on a per unit of measurement basis, the fee is for each identified unit or portion thereof within the indicated ranges of such units (e.g. such units of measurement include total valuation, square footage, cubic yards, years, BTU's, etc.).

Refund/Collection Policy - Where additional fees must be charged and collected for completed staff work; or where a refund of excess deposited fund is due, and where such charge or refund is ten dollars (\$10.00) or less; a charge or refund need not be made. This policy is in compliance with California Government Code Sections 29373.1 and 29375.1 and any amendments thereto.

Cumulative Fees - Where fees are indicated as cumulative, they are fixed for each indicated range individually and separately from all other ranges. The total of all preceding ranges yields the cumulative total.

Any fee which is less than the minimum permit fee charge, the difference is charged and shown under "issuance" fee.

PERMIT AND PLAN REVIEW FEES FOR R AND U OCCUPANCIES

(RESIDENTIAL)

The building permit and plan review fees for 1, 2 and 3 story buildings housing only R and U occupancies that are not hotels or motels shall be computed from “Table A” and “Table B” in this section. The permit fee from “Table B” includes all inspection fees for all phases of the construction, including fees for sewer connection or disposal permits, residential driveway approach permits, temporary construction power pole permits, and those for a temporary construction shed that is removed prior to final inspection.

The adjusted floor area in “Table B” shall be computed from “Table A” by multiplying the actual area of each use as determined from exterior dimensions, by the appropriate factor from “Table A”.

TABLE A	
Living areas, including basements and cellars	1.00
Garage & storage buildings	0.50
Porch, patio, carport, storage shed	0.20

Retaining walls and masonry fences	0.20
Air supported and film covered agricultural buildings	0.10
Milking barns	0.80

For remodeling, repair, alteration and rehabilitation in existing buildings, the factor is to be determined by dividing the valuation of the new work by the valuation of the existing building. The factor and square footage are to be determined by the pre-alteration inspection.

*When converting from one use to another use, the factor shall be the difference between the factor for the new use and the factor for the existing use (e.g., when converting a garage to living area, the factor will be 1.00 less .50 = .50).
