

# A Letter from the Mayor

Dear Apple Valley Neighbor,

Welcome to Apple Valley! On behalf of the Town Council and our professional and dedicated staff, it is my pleasure to offer greetings to both newcomers and those relocating within our Town. I think you will find that you have made a fantastic choice in moving to this land of blue skies, exquisite sunsets and dramatic landscapes. Apple Valley is emerging as one of Southern California's premier residential communities offering abundant recreation activities, quality schools, distinctive housing and a rapidly growing professional and business community. We are proud of our community and work hard to insure "A Better Way of Life" for the residents who call it home.

I invite you to stop by Town Hall to pick up additional information from one of our kiosks which includes recent newsletters, recreation brochures, local references, and much more on programs, services, events and resources available in our Town.

If you already call Apple Valley home, you can look forward to receiving "Our Town," a newsletter published by the Town of Apple Valley and mailed out two (2) times a year. You will also receive on a quarterly basis the Recreation Activity Guide, with information on sports, classes, special events, excursions and recreation facilities for all ages. These publications are also available here on our website.

If you need additional information please do not hesitate to call Town Hall at (760) 240-7000. Once again, welcome to your new community. Welcome home.

Sincerely,

*Scott Nassif*
