# MANAGERS MESSAGE

## Happy New Year!!

They say absence makes the heart grow fonder and that has proven to be true for me with the Recreation Department.

After working for the department for almost 7 years, I accepted a different position within the town and stepped away from the Recreation Department. During my time away, our previous Recreation Director, Dave Coleman, retired. While we will miss him and all his creative ideas, I am fortunate to have the opportunity to return to the department as the Manager.

It has been a busy year! With the assistance of our Housing Department, we were able to use grant funding to remodel the Golf Course and Community Center to provide ADA accessibility throughout the building. We have also made several improvements at James Woody Community Center. We were able to replace a large majority of the pool deck at the aquatic center and are currently working on an irrigation project for our parks as well as the designs for the Prop 68 Grant funded Joseph Mc Connell Jr. Park, with the estimated completion date in mid 2025.

We are ready to ring in the New Year with not only the return on some of your favorite events, such as the Eggstravaganza, but we plan to bring some previous programs back, like Toddler Olympics. We have hired several new team members to join our existing team to accommodate the plans for park and field improvements as well as youth sports, facility rentals, user groups, events, programming, and class improvements.

With this new year, our dedicated Rec Team hopes to bring fun, experiences, memories along with a Better Way to Play to you and your families!
