

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF APPLE VALLEY DESIGNATING AN AUTHORIZED SIGNATORY FOR ALL CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD GRANT DOCUMENTS ON BEHALF OF THE TOWN OF APPLE VALLEY.**

**Summary Statement:**

Since 1996, the Town has received an annual Used Oil Recycling Block Grant from the California Integrated Waste Management Board (CIWMB) to support used oil recycling programs. Allocated on the basis of population, these funds are dedicated to the operation of the Town's Household Hazardous Waste Collection Center and public education. A large part of the hazardous waste materials collected at the Center is comprised of used motor oil.

It is important that the Town be in a position to pursue appropriate grants from the CIWMB to help defray the expense of operating the Household Hazardous Waste Collection Center, an important part of the Town's obligations under AB 939, the Integrated Waste Management Act.

The CIWMB grant application process requires a resolution from the applying jurisdiction which authorizes the submittal of applications for funding and designates an individual empowered by the jurisdiction to execute documents on its behalf. Such authorization can cover time periods up to five years.

With the appointment of a new Town Manager, the signing authority for all CIWMB grant documents should be updated. This needs to be accomplished by resolution in order for the 14<sup>th</sup> Cycle Used Oil Block Grant Agreement to be executed and returned to the Board within the required 90-day time frame.

**Recommended Action:**

Adopt Resolution No. 2009-01 authorizing submittal of applications for all available grants under the California Oil Recycling Enhancement Act and all available Household Hazardous Waste Grants and designating the Town Manager as authorized signatory on behalf of the Town of Apple Valley.
