# MANAGER'S MESSAGE

Summer is finally approaching, and your Apple Valley Parks & Recreation team are in full swing, planning fun filled events for you and all our residents. We start off the summer with our Sunset Concert Series, beginning the first Thursday in June and ending the last Thursday in July. We are excited to announce that the band lineup this year includes a Taylor Swift cover band, along with one of your favorites, the Phat Cat Swingers.

Summer is always the season filled with events and fun for the department, and this year, the department is especially busy since July is National Park and Recreation Month. This dedicated month started in 1985, nearly 40 years ago, and is a time to celebrate and recognize the vital role our Parks & Recreation Department holds in our community. It is a month where the department encourages our residents to play in our facilities and open spaces, enjoy activities, and recognize all the countless hours our staff and volunteers spend maintaining our community parks. In honor of Park & Recreation Month, we will be hosting weekly Vantastic pop-up events at various parks. Vantastic is our van filled with games and activities, along with prizes and swag you can win. The department will host a movie in the park in July, along with many additional runs and special events, such as the Freedom Festival and the Overnight Pool Party.

Over the past year, there have been a lot of changes involving our facilities. The Apple Valley Golf Course has had its fair share of improvements, and we are excited to announce The Course Bistro and Bar will open this summer at the golf course. The Course Bistro and Bar will provide sandwiches, pizza, and beer to enjoy during your round of golf. The newly remodeled Lloyd Mangrum Room (at the golf course) will reopen for meeting and corporate event rentals.

The Town received the donation of the Singh Center for the Arts (previously AMC Theater) and has been working on making some changes, including adding a performing arts stage to one of the studios. Our desire is to bring more art and culture to the community. We hope to have a jazz night at the theater in August, and we are hosting an Art at the Park event at James Woody Community Center on May 18th as well. This event will provide the opportunity for local schools and artists to showcase their talents by painting murals.

Check our social media page on Facebook to obtain more details and information regarding these events throughout the summer months.

We hope to see you all this summer!

# SWIM LEVELS

## LESSONS FOR CHILDREN UNDER 5 YEARS OLD

**TADPOLES (ages 6 months - 2 years old):** Introducing children to swimming and water safety involves parents immersing themselves in the water with their infants or toddlers, guiding them to develop a sense of ease and comfort. Together, parent and child will venture both inside and outside the pool, engaging in activities such as kicking, blowing bubbles, and using toys to encourage water interaction. The experience includes teaching children how to submerge their mouth, nose, and eyes safely.

**POLLIWOGS (ages 2 - 4 years old):** Future swimmers and parents will explore shallow pool water without a parent and learn basic water skills and safety. The course activities include opening eyes under water, grabbing submerged toys, floating, and leg and arm movements.

**MINNOWS (ages 2 - 4 years old):** Participants in the swim program will enhance the abilities learned in the polliwog stage, engaging in further supervised exercises at slightly advanced proficiency levels and increased distances. Participants will independently perform the course activities - opening eyes under water, grabbing submerged toys, floating, and leg and arm movements.
