

**TOWN OF
APPLE VALLEY, CALIFORNIA**

AGENDA MATTER

Subject Item:

AWARD CONTRACT FOR THE CONSTRUCTION OF THE APPLE VALLEY MUNICIPAL SERVICES ANIMAL SHELTER

Summary Statement:

On November 4th, 5th, and 6th of 2008, bids were received and opened for the Apple Valley Municipal Animal Shelter Facility. After review, it was determined that seven of the bid packages had irregularities or that allowances were not included by the contractors in the bids. As a result, staff made a recommendation to reject all bids for Earthwork, Landscaping and Irrigation, Chain Link Fence and Gates, Water Proofing and Joint Sealants, Overhead Coiling Doors, Floor Coverings and Kennels and Animal Shelters, and solicit new bids. On December 9, 2008, Council authorized staff to re-bid the seven areas of the project.

Seven (7) bid packages were released for bidding. Responses to the bid packages were opened on January 6, 2009. Included with this staff report are responses to each bid package with the lowest responsive bidder highlighted. Staff recommends that Council reject all bids for Bid Package 22. Overhead Coiling Doors and Bid Package 32 Kennels and Animal Shelters and direct staff to further research the specifications in these areas to reduce costs and provide a savings to the project budget. Pursuant to State Law the Town Council may reject any bid for any reason and re-bid the work.

As a result of re-bidding, the Town saved \$116,217 in the categories recommended for award, including earthwork. Staff hopes to save additional funds by researching the remaining Overhead Coiling Doors and Kennels and Animal Shelters specifications.

Recommended Action:

1. Reject all bids for Bid Package 22. Overhead Coiling Doors and Bid Package 32 Kennels and Animal Shelters
2. Award/Reject the bid(s) as indicated on attachments for each bidding category and authorize staff to contract with the contracting firms subject to "Approval as to Form" by the Town Attorney and "Approval as to Content" by the Town Manager.
