Regular service of single-family residential dumpsters/bins is only permitted for properties meeting certain requirements (see below). If you have excess recyclables or green waste, you may be authorized for additional recyclable carts and/or a dumpster/bin to handle recyclable and organics waste streams only.

Exceptions permitted: Properties that have 2 1/2 acres or more, have livestock, or an active building permit.

Reason for needing dumpster/bin:

Property Size: _____

Livestock? _____ What type/number? _____

Dumpsters/bins may be allowed on a temporary basis and only for certain purposes.

- If the dumpster/bin is needed for construction waste please provide the following: Building Permit# _____

Contractor's Name _____ Contractor's Phone Number _____

- If the dumpster/bin is needed for small cleanups/spring cleaning, you may be authorized for a one week rental. Additional weeks (up to a maximum of four weeks) may be granted approval by Town personnel.

Remember you are required by law to separate recyclables and organics from your solid waste stream meant for the landfill.

The Town and Burrtec Waste Industries, Inc offer free curbside bulky item pick up and convenient free neighborhood cleanups to discard your trash.

To schedule a bulky item pickup, please call Burrtec at (760) 245-8607.

For questions regarding the dumpster/bin exception application, please call The Town of Apple Valley at (760) 240-7000 ext. 7561.

(h) Single-family residential use.

- (1) Regular bin/dumpster service shall be prohibited for single-family residential use for a period greater than seven (7) days per calendar year, except as authorized by the Town Manager or their designee for temporary use and for a period not greater than thirty (30) days per calendar year or as allowed in the following paragraphs.
 - (i) Single-family residential properties two and one-half acres or greater may obtain regular bin/dumpster service in lieu of trash carts and shall be maintained in accordance with subsection (h)(2) of this Section.
 - (ii) Upon approval of the Town Manager or their designee and confirmed keeping of animals including farm animals, horses, or similar where permissible pursuant to Table 15.01.125A, single-family residential properties may obtain regular bin/dumpster service when such service is necessary to dispose of large quantities of feces and shall be maintained in accordance with subsection (h)(2) of this Section.
 - (iii) Single-family residential properties under construction or remodeling with an active building permit and where a bin is necessary for the disposal of large quantities of construction waste may use a bin/dumpster in lieu of carts and shall be maintained in accordance with subsection (h)(2) of this Section.
- (2) A bin/dumpster shall not be stored in the Town's right-of-way, on the frontage street, or directly in front of the residence and only in a manner as follows.
 - (i) The bin may be located behind the residence;
 - (ii) The bin may be located against the residence wall or a garage wall in a designated side yard; or
 - (iii) The bin may be located so that it is behind the front yard setback.
- (3) Residents authorized for exception to subsection (h)(1) by the Town shall pay the rate as set forth by the franchise solid waste hauler, as may be adjusted from time to time by resolution of the Town Council.
- (4) For the purposes of this Section, a legal nonconforming use is one which lawfully existed prior to the effective date of this subsection. The continuance of the legal nonconforming use will be allowed for any single-family residence with an existing enclosure constructed prior to February 26, 1998. If a legal nonconforming use is discontinued for thirty (30) consecutive days or longer, it shall lose its legal nonconforming status hereunder.
 - (i) Nothing in this Section shall be construed to relieve a bin/dumpster service customer from the required organics diversion or recycling services pursuant to this Chapter.
 - (j) Failure to comply with any of the provisions of this Chapter 6.20 shall result in the removal of the bin/dumpster.
