

**TOWN OF
APPLE VALLEY, CALIFORNIA**

AGENDA MATTER

Subject Item:

AWARD CONTRACT FOR THE TRAFFIC SIGNAL MODIFICATION AT APPLE VALLEY ROAD AND PIMLICO ROAD, PROJECT NUMBER 2009-01

Summary Statement:

On February 12, 2009, the Town received and opened bids for the subject contract. This project includes the necessary labor, equipment and materials to modify the existing traffic signal at the intersection of Apple Valley Road and Pimlico Road. Staff has been monitoring the intersection since the construction of the signal and has become concerned with the number of accidents that have occurred. As a result, staff called in the signal designer for further analysis. Nothing was found to be functioning incorrectly; however, due to the accident history, staff has determined that certain modifications to the signal would improve safety for motorists.

The bid results are as follows:

<u>Contractor</u>	<u>Total Bid Price</u>
High Light Electric	\$34,000.00
Matt Gardner Construction, Inc.	\$34,895.00
Competitive Edge Electric	\$39,000.00
Republic ITS	\$47,700.00

Staff is satisfied that High Light Electric is a responsible contractor for this work. Funding for this project, if approved as recommended, is included in the Town's Capital Improvement Project budget for this fiscal year.

Recommended Action:

Award a contract to High Light Electric for the Traffic Signal Modification at Apple Valley Road and Pimlico Road Project, subject to "Approval as to Form" by the Town Attorney and "Approval as to Content" by the Town Manager.
