

This is a story about me and my dog Max. Max is a boy pup. He is 5 years old. I got Max at the Apple Valley animal shelter in September last year.

My Mom and me were walking down the rows looking at dogs when I saw Max shaking in the corner of a cage. He was all by himself and scared. The lady took Max out to let us pet him and when she went to put him back he put his paws down and did not want to go.

I did not want Max to go back and knew he was sad and I told my Mom that I wanted to save him. We took Max home that day and I name him by myself. When we took him to the doctor he told us that Max has a broken rib and he has bad ears and was missing teeth.

Max is handsome and is my dream dog and I love him very much. Max is my best friend and sleeps with me every night.

Some time he snores loud and wakes me up. When I am sad he cheers me up. Max follows me all over the house and tries to get in the bath tub with me. I don't let him in because he will get me dirty again. Max thinks I'm his MOM and I'm an HIS MOM. I try to teach him tricks but he is so fat he falls over, but I still give him a bone I love Max very much!

I have always dreamed of him and God let me find him. I hope he lives to be 100 years old. I wish all kids can find a dog like Max and save his life. They will love you forever.
