

**TOWN OF
APPLE VALLEY, CALIFORNIA**

AGENDA MATTER

Subject Item:

REQUEST TO RENAME MOUNTAIN VISTA PARK

SUMMARY STATEMENT

At the October 8th, 2009, Park and Recreation Commission meeting, it was brought to the Commission's attention that a recommendation to rename the existing Mountain Vista Park in honor of the late Margaret "Maggie" Cramer had been brought forward by Councilman Bob Sagona. It was asked that an Agenda item be brought forward for discussion at the next Park and Recreation Commission Meeting. At the December 3, 2009, Park and Recreation Commission meeting, the item was brought forward and the Park and Recreation Commission unanimously approved the recommendation to rename Mountain Vista Park – Maggie Cramer Park.

The Commission based their recommendation on the merits of Maggie Cramer's years of service in the community particularly her help with the local youth as well as the fact that the land for the current park was donated by Maggie Cramer.

The Park and Recreation Commission felt that, in accordance with the attached, "Naming of Parks and Facilities," Policy, the aforementioned reasons were compelling enough to warrant the change.

Approval of the name change would have a minimal budgetary impact of less than \$1,000 to replace the existing sign.

Recommended Action:

Approve the recommendation from the Park and Recreation Commission to rename Mountain Vista Park as "Maggie Cramer Park."

TITLE: NAMING OF PARKS AND FACILITIES	NO: CS-3
APPROVED BY: Town Council	DATE: 01/08/08

Background

The naming or renaming of parks and recreational facilities is a intricate and often emotional process since assigning a name is a powerful and semi-permanent identity for a public place and/or facility. The naming or renaming of parks and/or recreation facilities often requires significant resources in terms of changing names on signs, maps, and literature. In addition, excessive and constant name changing can be a source of confusion to the public. The purpose of this policy is to give guidance to those that have an interest in the naming or renaming of the Town's parks and/or recreational facilities.

Policy Statement

It is the policy of the Town of Apple Valley to reserve the naming or renaming of parks and/or recreational facilities for circumstances that will best serve the interests of the town and ensure a worthy and enduring legacy for the Town's parks and/or recreational facilities.

To this end, the Town of Apple Valley supports consideration of naming requests within the following categories, and in the priority listed.

1. Geographic location.
2. Unique, significant and/or historical feature or people pertaining to the park/facility site.
3. Outstanding Individuals.
4. Community contributions by individuals.
 - a) If the contribution was to the Town, the contribution must have significant benefit to the community at large.
 - b) If the contribution was to the park/facility site itself, it must represent a majority of the cost involved to build the park/facility.
5. Other events.
