

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**ADOPT RESOLUTION No. 2010-09 TO RECORD DELINQUENT UTILITY FEES AND COSTS AND CODE ENFORCEMENT FEES AGAINST REAL PROPERTY LOCATED IN THE TOWN OF APPLE VALLEY AND DIRECTING THAT SAID ASSESSMENTS CONSTITUTE A LIEN UPON SAID PROPERTIES**

**Summary Statement:**

The Government Code allows cities to collect delinquent rubbish collection and Code accounts by recording a lien against the real property and adding that amount to the property tax bill. The Town has identified the delinquent rubbish collection accounts as those listed in Exhibit A.

All of the billing parties and the property owners have received sufficient notification of the delinquency, and have been notified of the Public Hearing to apply the delinquency to the property tax bill. For delinquent rubbish collection accounts, please see the flow chart attached (Attachment 1) which illustrates how many times the delinquent rubbish collection billing parties and property owners have been notified. The correspondence also offers an opportunity to make corrections. A sample of one of the letters is also attached (Attachment 2).

**Recommended Action:**

1. Open Public Hearing; Close Public Hearing
2. Adopt Resolution No. 2010-09, confirming delinquent utility fees and costs against real property located in the Town, and directing that said assessments constitute a lien upon said properties.

In addition to the notices and this Public Hearing, Town Finance staff allows billing parties and property owners until Tuesday, February 16, 2010, to pay the delinquency before the lien is processed. In addition, Finance staff is in the audience and is prepared tonight to accept payments.

Our records indicate that although we have sent previous letters and notices, your sewer and or sanitation account shown above remains delinquent. Delinquent sewer and or sanitation accounts are the responsibility of the property owner.

Based on this continued delinquency and in preparation to lien the property, the past due amount has been separated into its own account. You now have two separate accounts: one for the past due amount, and one for current amounts. This separation of accounts will be reflected in future billings.

If this bill remains unpaid, the next step in the collection process is for us to place a lien against your property for the amount of this delinquency, plus an administrative fee of \$50. The lien will appear as an addition on your property tax bill. To avoid this action, please do one of the following: 1) Make payment in full to the Town of Apple Valley immediately, or 2) If you are not the property owner, contact us immediately, or 3) If we are billing you in error, or if you believe you have made payments that are not reflected in the balance, please contact us immediately.

Unless corrective action is taken, the next step will be for the Town Council to examine this delinquency at a Public Hearing scheduled for Tuesday, February 9, 2010, at 7:00 p.m. at the Town of Apple Valley, 14955 Dale Evans Parkway, Apple Valley. Should the Council take the recommended action, a lien will be placed against your property for the amount of the delinquency, plus an administrative fee of \$50.

You are not required to attend the Public Hearing unless you wish to contest this bill. In all cases, we would prefer to resolve this matter prior to the Public Hearing.

If this account remains delinquent, the next correspondence regarding this account will be notification from the Town of Apple Valley that a lien has been placed on this property.

If we can provide additional information or assistance, please do not hesitate to contact us at (760) 245-8607, Monday through Friday, 8:00 AM to 5:00 PM
